Mr. Stokes,

Today at 12:31 I received the following correspondence by Ramsey Akel. As the matter this evening is quasi-judicial, I am not responding to the text message and any comments I may have about the item will solely be disclosed on record at the council meeting. Unless you have advise a different course of action.

I am also copying Ms. Walsh to provide a copy for the record. Thank you.

the effected property owners within

If you don't take your time to vet the  
application I suggest you be ready  
to pay to build the roads you  
approved to delay/ delete in the first  
reading.

application and is not about the  
lawsuit therefore I will love to call  
you and explain to you what they are  
doing to the city and indirectly to us  
and Southern Grove, if you can't  
talk, please read my letter I am  
sending you since information and  
knowledge is king, we are not trying  
to hurt GL homes, we only asking  
for you to protect your citizens and  
the effected property owners with in  
the west annexation area.

If you don't take your time to vet the application I suggest you be ready to pay to build the roads you approved to delay/ delete in the first reading.

I am sure if the city and the 3 developers get in one room we will come up with a reasonable methodology that works for everybody rather than the piece meal method you have been presented with by GL.

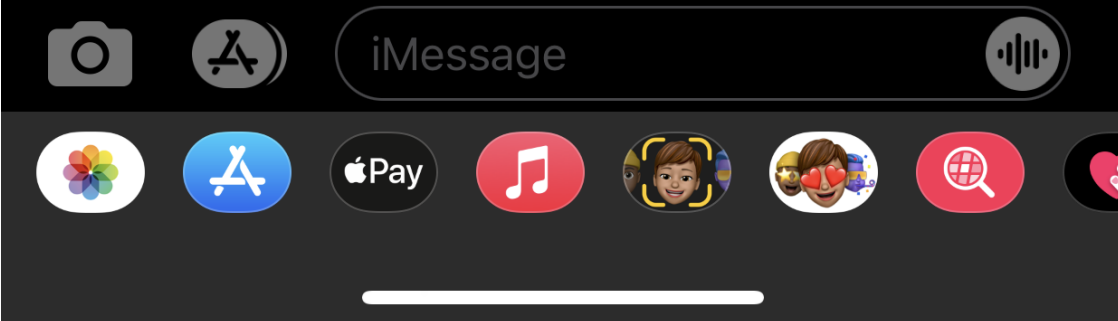

I am also sure if the data was explained to you you wouldn't have voted to it.

Ramsey Akel

Thanks
