Other Impacts

Water and Sewer Provider

- Port St. Lucie Utilities Systems will provide water and sewer service.

Environmental Impact

- The property consists of inactive citrus groves and agricultural reservoirs. A clearing permit is required prior to issuance of any development permits.

Landscaping and Buffering Requirements

- The MPUD proposes to exempt any buffering requirements between this MPUD and the neighboring residential Parcel B MPUD. Any buffering will be located within Parcel B. The MPUD shall have no perimeter buffer requirement between the Village Commercial area and the Mixed-Use area for non-residential parcels.

Other

- Development will be required to comply with all applicable conditions in the Riverland/Kennedy DRI development order.
- A multi-modal path for pedestrians, bicyclists and golf carts will be provided along the southern boundary of the MPUD area.

Recommendation

The Planning and Zoning Board recommended approval at their regular meeting of July 5, 2022.
