8. Second Reading of Ordinances

There was nothing scheduled for this item.

9. Other Public Hearings

There was nothing scheduled for this item.

10. First Reading of Ordinances, Public Hearing

10.a Ordinance 25-05, Quasi-Judicial, Public Hearing, an Ordinance to Approve an Amended Conceptual Plan for Approximately 1.2 Acres of Property Located Northwest of the Intersection of Port St. Lucie Boulevard and Southwest South Globe Avenue Within the LMD (Limited Mixed Use) Zoning District for a Project Known as Globe Townhomes (P24-117).

[2025-021](#)

(Clerk's Note: This item was heard after Item 13 d.).

The City Clerk read Ordinance 25-05 aloud by title only. The City Clerk administered the Oath of Testimony to staff and other interested parties for Item 10 a). Mayor Martin inquired if there was any ex-parte communication, to which the City Council replied in the affirmative.

(Clerk's Note: A PowerPoint was shown at this time.) Francis Forman, Planner III, stated that he had been sworn in, noted that the official file was submitted to the City Clerk's Office five days prior to the meeting, and requested that it be entered into the record. He explained the surrounding uses, showed an aerial and the previously approved conceptual plan with the proposed landscape plan with elevations. He explained that the change to the previously approved conceptual plan was to allow for a 13-unit multifamily project. He added that any changes to the conceptual plan and/or changes to the proposed uses, is subject to the hearing requirements for rezoning as designated in the Zoning Code.

(Clerk's Note: A PowerPoint was shown at this time.) Todd Mowry, Redtail Design Group, explained that the site could not exceed 50% retail use in the LMD zoning district. He noted that water quality standards now require sites to hold 18-20% of stormwater so it was challenging on smaller sites.

Mayor Martin opened the Public Hearing.

Jeff Jackman voiced safety concerns over speeding and traffic.

There being no one else to speak, Mayor Martin closed the Public Hearing.

Councilwoman Morgan moved to approve Ordinance 25-05. Vice Mayor Caraballo seconded the motion. Under discussion, the City Council discussed how the residential plan would have far less traffic than any commercial project. Vice Mayor Caraballo suggested to evaluate the remaining parcels along Port St. Lucie Blvd., to decide what use would be best given the new stormwater requirements. There was City Council consensus to conduct a new traffic study. The motion passed unanimously by voice vote.

[2025-921](#)

The City Clerk read Ordinance 25-56 aloud by title only.

(Clerk's Note: A PowerPoint was shown at this time.) Caroline Sturgis, Office of Management and Budget Director, explained the budget amendment process along with the amendments staff were seeking approval for. She explained that the increase was \$107,064,817 for a total appropriation of \$958,106,832 for FY 2024-25. She explained that there were no new projects, they were already in the adopted plan but either the cost was over budget or the project was delayed over multiple years. Councilwoman Morgan inquired if the change in the building department fund was for the purchase of the peacock building or the purchase & renovations for the building, to which Ms. Sturgis replied that it was only for the purchase of the building. Jesus Merejo, City Manager, added that the renovations would be coming forward in the future.
