Why are you nominating this person or organization?

Anthony consistently goes above and beyond as a neighbor. He looks out for everyone in the neighborhood, he checks in with people, he's genuinely concerned, and offers to be part of the solution every time.

During the holidays, he takes it upon himself to create memorable experiences for the entire neighborhood whether it's his epic haunted house for the kids, extraordinary Christmas decorations, or hosting an award-worthy fireworks display for everyone for the 4th of July. He does so each time with a smile on his face, just wanting to make the holidays the best for everyone in the community.

If he's not walking his dogs around the neighborhood and stopping to chat and catch up, you'll catch him in his pickup driving up streets just to say hi and ensure everyone in the neighborhood is safe.

He truly is the definition of a nice neighbor and we're so glad he's in our neighborhood.

I certify that my answers are true and complete to the best of my knowledge. I understand that false or mislead...
