Project Description

The Applicant, Fresno Enterprise, Inc., is requesting the rezoning of the 1.35-acre property within the G.O. Team Industrial Park, Unit 3, Block B, Lot 22 from Industrial (IN) to Service Commercial (CS). The property address is 2165 NW Commerce Lakes Drive.

The site was previously approved for the construction of a 3,200 square foot warehouse back in 2017. There was an incompatibility between the zoning and land use which was not corrected at the time of this previous site plan approval. With the concurrent site plan amendment going through the process, the applicant is requesting this change to correct the inconsistency between the Zoning designation and the Future Land Use designation for the construction of a warehouse with office facility.

The property has a future land use designation of Service Commercial (CS), which is incompatible with the current zoning of Industrial and compatible with the Service Commercial zoning district.
