Hi!

I was hoping for an opportunity to voice my opinion as a home owner in the Fairgreen Crossing neighborhood on the proposal I saw mentioned online. I'm a mom of two young boys and I think turning this small area of land off Crosstown into a playground would benefit generations to come!

We do NOT need another gas station or car wash, especially at the entrance of a family neighborhood.

Many other neighborhoods in PSL have amazing playgrounds but there is nothing for the kids in Fairgreen. Please consider!!!

If you won't turn in into a playground... leave it as is. It won't kill the city to have a few trees left.

Sincerely,

Lisa Blomgren
