Deputy City Attorney Shiller reviewed Resolution 24R-57, which uniforms the Boards and Committees throughout the City, and Section 5, which directs the selection of the Chair and Vice Chair. He explained the process for voting via paper ballot and indicated that Mr. Illg will not be able to remain as Chair for the year 2025.

Chair Pro-Tem Silvestri asked if Mr. Illg could be elected as the Chair next

year, as it would not be consecutive. Deputy City Attorney Shiller explained Section 4 discusses the staggering of Board terms with new classes of members ending their terms in either 2025, 2026, or 2027, so that some continuity and experience remains on the Board. He stated they will address this matter in a year from now.

Board Member Martinez inquired if the Chair could be nominated as the Vice Chair. Deputy City Attorney Shiller reiterated the Resolution states the Chair shall serve no more than a one year term. He indicated the interpretation is that Chair Illg could be voted in as Vice Chair.

Chair Illg recommended that he not serve in any of these positions and just serve as a member of the Board.

Chair Illg inquired if the Board wanted to discuss the position of Chair. Chair Pro Tem Silvestri moved to open the discussion for a Chairperson. Board Member Williams seconded the motion, which passed unanimously by voice vote.

Chair Pro-Tem Silvestri stated the Board had discussed the position of Chair at the last meeting and decided on Wayne Larsen serving as the Chair. She recommended that the Board stay with that decision, to which the Board agreed.

Board Member Williams moved to close the discussion for Chairperson of the Board. Chair Pro-Tem Silvestri seconded the motion, which passed unanimously by voice vote.

Deputy City Attorney Shiller directed the Chair and Vice Chair to switch chairs at this time. The Deputy City Clerk inquired if a motion needed to be made by the Board, to affirm Mr. Larsen as the Chair of the Construction Board of Appeals. Deputy City Attorney Shiller called for a brief break.

Deputy City Attorney Shiller explained City staff was discussing whether after the vote was tallied, if they needed a motion on the floor to formally put Mr. Larsen in as Chair, as any objections or debates would be noted on the record. Deputy City Attorney Shiller stated he concluded the vote was sufficient and explained that under Robert's Rules, members have a

right to call for a revote. He indicated the Board members could proceed with opening the floor for a Vice Chair.

[2025-036](#)

Jesus Placeres Ramos  
PJA Electric LLC  
Electrical Contractor

Chair Larsen explained at that Applicant Ramos submitted an application at the last meeting and Board Member Martinez noted the person who

certified the competency for Mr. Ramos was not in business for the amount of time required. Chair Larsen stated he believed that had been corrected.

The Deputy City Clerk swore in Applicant Jesus Placeres Ramos. Luis Perez, Building Department, translated for Applicant Ramos and was sworn in with staff.

Chair Larsen inquired as to what was changed in the paperwork. Mr. Perez stated he has not seen the paperwork, but he understood Applicant Ramos was going to acquire additional approvals for work he had done with previous contractors in order to meet the timeframe necessary for him to apply.

Chair Larsen asked for the name of the additional person/company, to which Mr. Perez stated it was PowerMaker Electrical Corp.

Board Member Martinez questioned why Applicant Ramos did not list this company on his previous resume. Mr. Perez stated that Applicant Ramos was under the impression the contractor listed on his prior resume had the sufficient amount of time, so he did not add this additional contractor.

Chair Pro-Tem Williams inquired if Applicant Ramos was still working with Ernesto Sanchez, to which Applicant Ramos responded in the affirmative. Chair Pro-Tem Williams noted that this particular certification was not updated, so the certifications yield 5 years and 11 months and not 6 years. He stated he did not want it to influence the vote, as he just wanted to point it out for clarification. Contractor Licensing Coordinator Alvarez indicated that Staff will correct the paperwork.

Vice Chair Silvestri expressed that it was important for the Board to assist these individuals in getting licensed, as they are trying to do the right thing. Chair Larsen agreed and added that the person signing off on the application for the applicant should be licensed for the required amount of time.

Chair Larsen inquired if Applicant Ramos understood he would be legally and financially responsible for every job undertaken by his business, he is required to approve the work being done, and his license is dependent on how seriously he takes these responsibilities, to which Applicant Ramos responded in the affirmative. Chair Larsen also encouraged Applicant Ramos to pull and finalize permits when required.

Chair Pro-Tem Williams moved to open the discussion on the Application for Certificate of Competency for Applicant Ramos. Board Member

Martinez seconded the motion, which passed unanimously by voice vote.
