Subject: FW: Increase in water/sewer rates

Good morning,

I received the following email in opposition of the proposed utility rate increase (agenda item 10b). This email will be become part of the record.

Thank you,

Christina Flores

You people are going to force me and others on a fixed income to move. For those of us that cannot attend the hearings, why not include in water/sewer bills why you are increasing our rates. The hearings will be a joke as I'm sure all council members have already made up their mind to vote for the increase.
