CERTIFICATION OF BUSINESS LOCATION
IFB #23-047/SS

In accordance with the Palm Beach County Local Preference Ordinance, as amended, a preference may be given to: (1) bidders having a permanent place of business in Palm Beach County ("County") or (2) bidders having a permanent place of business in the Glades that are able to provide the goods and/or services to be utilized within the Glades. To receive a local preference, bidders must have a permanent place of business within the County or the Glades, as applicable, prior to the County's issuance of the solicitation. A Business Tax Receipt which is issued by the Palm Beach County Tax Collector, authorizes the bidder to provide the goods/services being solicited by the County, and will be used to verify that the bidder had a permanent place of business prior to the issuance of the solicitation. The bidder must submit this Certification of Business Location ("Certification") along with the required Business Tax Receipt at the time of bid or quote submission. The Business Tax Receipt and this Certification are the sole determinant of local preference eligibility. Errors in the completion of this Certification or failure to submit this completed Certification will cause the bidder to not receive a local preference.

In instances where the bidder is exempt by law from the requirement of obtaining a Business Tax Receipt, the bidder must: (a) provide a citation to the specific statutory exemption; and (b) provide other documentation which clearly establishes that the bidder had a permanent place of business within the County or the Glades prior to the date of issuance of the solicitation. The County hereby retains the right to contact said bidders for additional information related to this requirement after the bid due date.
