RE: Community Boulevard at Riverland Parcel A, Phase 2- Certification for Roadway Turnover

Dear City Council Members,

As a registered professional Landscape Architect in the State of Florida, to the best of my knowledge, information and belief, it is my professional opinion that the landscape plantings at **Community Boulevard at Riverland Parcel A, Phase 2** have been installed in substantial accordance with the plans prepared by this office.

In my professional opinion, any minor deviations to the planting installation will not impair the intended functioning of the original design or any required improvement. If you have any questions or concerns, please do not hesitate to contact me at (561)747-5069.

Best Regards,

Andrew Overmyer, PLA
