Amendment No: Three IFB20-0379

AMENDMENT NUMBER THREE TO AGREEMENT DATED AUGUST 12, 2020 BETWEEN CITY OF ORLANDO AND BRENNTAG MID-SOUTH, INC.

THIS AMENDMENT TO AGREEMENT is made and entered into this 24th day of 0, 2023, by and between the City of Orlando, a municipal corporation organized and existing under the laws of the State of Florida, hereinafter referred to as the "City" and "BRENNTAG MID-SOUTH, INC.", hereinafter referred to as the "Contractor".

WHEREAS, the City and the Contractor entered into an Agreement ("the Agreement") under the date of August 12 2020, whereby the latter would perform certain services with respect to the liquid gas services and

WHEREAS, the City and the Contractor desire to amend the compensation of services of said Agreement to increase the price of services.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the parties agree as follows:

I. Term of Agreement

The term of this agreement is hereby extended from, August 11, 2023, to August 10, 2024.

II. <u>Compensation Provisions</u>

The Compensation provisions of the Agreement are hereby amended to increase cost of products due to rapid increasing cost of Chlorine and as set forth in Exhibit "A" attached hereto and incorporated herein by reference. The pricing set forth will be \$1,975.00/ton effective October 1, 2023. The Procurement and Contracts Division shall be notified of any reductions in pricing as it would supersede most recent approved price increase in the best interest of the City.

In all other respects, and except as specifically modified and amended herein and in Amendment Two dated October 13, 2023, Amendment One dated March 16, 2022, and the Agreement dated August 12, 2020, shall continue in full force and effect as written and the parties hereto agree to be bound thereby.

EXHIBIT "A" (Compensation Provisions)

I have attached the increase that we have taken since the last adjustment in August of 2020. To renew the current bid we need to request an increase of \$590/TN. This will take the current price from \$1385/TN to \$1,975/TN. These increases from our suppliers were due to tight supply/demand balance of chlorine and chlorine derivatives.
