This **Agreement** is entered into between “the Parties,” the South Florida Water Management **District**, the “**District**”, and the undersigned party, hereinafter referred to as the “**Recipient**.” The **Recipient** warrants and represents that it has no obligation or indebtedness that would impair its ability to fulfill the terms and conditions of this **Agreement**, and shall abide by all legal, financial and reporting requirements, such as matching funds and final reports for all funding received by the **Recipient** from the **District**.

ARTICLE 1 – PROJECT

- 1.1 The **Recipient** shall, to the satisfaction of the **District**, fully and timely construct and perform all work items described in the “Statement of Work,” herein referred to as the “Project”, attached hereto as Exhibit “A”, and made a part of this **Agreement**.
- 1.2 As part of the deliverables to be provided by the **Recipient** under this **Agreement**, the **Recipient** shall substantiate, in whatever forum reasonably requested by the **District**, any supporting documentation utilized as a basis for payment by the **District**. This paragraph shall survive the expiration or termination of this **Agreement**.
- 1.3 Attached to this **Agreement** are the following exhibits, which are incorporated herein:

Exhibit A	Statement of Work
Exhibit B	Summary Schedule of Tasks and Deliverables
Exhibit C	Quarterly Status Report
Exhibit D	Final Project Summary Report
Exhibit E	Federal/State Appropriations

ARTICLE 2 – TERM OF THE AGREEMENT

- 2.1 The period of performance of this **Agreement** shall be the dates noted on the cover page of this **Agreement**.
- 2.2 The Parties agree that time is of the essence in the performance of each and every obligation under this **Agreement**.

ARTICLE 3 – COMPENSATION / CONSIDERATION

- 3.1 As consideration for the Project required by this **Agreement**, the **District** shall pay the **Recipient** the funding amount as specified on the cover page of this **Agreement**. Such amount is a not-to-exceed the specified amount and therefore, no additional consideration shall be authorized. The **Recipient** shall provide at least sixty percent (60%) or more of the Project’s actual construction cost, unless a different amount is authorized pursuant to Section 373.707, Florida Statutes. The **Recipient** acknowledges that the **District** may authorize an amount less than forty percent (40%); and, if current fiscal year construction costs decrease, the approved funding may be decreased. The approved funding is a percentage, up to forty percent (40%) based on the estimated current fiscal year project construction cost. Payment will be made by the **District** for work authorized and completed between November

12, 2020 and September 30, 2022. The **District** will not reimburse the **Recipient** for work that commences prior to the start date of the **Agreement** or for work completed after September 30, 2022.

- 3.2 The **Recipient** assumes sole responsibility for all work, which is performed pursuant to Exhibit "A". By providing funding hereunder, the **District** does not make any warranty, guaranty or any representation whatsoever regarding any of the work performed hereunder, including but not limited to, the adequacy or sufficiency of all or any part of work described in Exhibit "A".
- 3.3 The **Recipient** hereby agrees *not* to use **District** funding for any work associated with the research, design and permitting aspects of the Project. **District** funds shall only be used for the construction activities described in Exhibit "A".
- 3.4 The **Recipient** agrees to reimburse the **District** funds provided through this **Agreement** for facilities (i.e. test/production wells, etc.) that do not become an operational component of the overall alternative water supply facility within the timeframe established in the application. Notwithstanding anything in this **Agreement** to the contrary, this paragraph shall remain in full force and effect for twenty (20) years from the date of contract execution.
- 3.5 Notwithstanding any provisions of this **Agreement** to contrary, the **District** reserves the right, without financial or other penalty or obligation, to (1) cancel this contract and/or (2) reduce the amount of funding to be provided by the **District** pursuant to this **Agreement** in the event the **District** does not receive all or any state appropriation for the alternative water supplies program from the State of Florida as provided in the State's 2020-2021 fiscal year budget (2020-2021 General Appropriations Act Line 1622).

ARTICLE 4 – FUNDING PAYMENTS AND REPORTING

- 4.1 The **Recipient** shall provide a completed Quarterly Status Report attached hereto as Exhibit "C" within ten (10) business days of the following due dates December 31, 2020, March 31, 2021, June 30, 2021, September 30, 2021, December 31, 2021, and March 31, 2022. Reports shall provide detail on the progress of the Project; amounts expended to date per task and outline any potential issues affecting Project completion or overall schedule. In addition, on or before September 30, 2022, the **Recipient** shall provide a completed Final Project Summary Report, attached hereto as Exhibit "D" and the Final Reimbursement Request Package. Concurrent with delivery of the final deliverable(s), the **Recipient** shall provide certification that all construction has been completed in accordance with Exhibit "A" of this **Agreement**.
- 4.2 In the event actual construction costs are less than the not-to-exceed amount for a particular task stated in Exhibit "B", the **Recipient** will have the right to apply the unexpended balance toward another task, unless the total current fiscal year construction cost has decreased. The **Recipient** shall provide prior written notice of its decision to exercise this right. If the **Recipient** does not exercise this right, the **Recipient** agrees to amend the contract to revise the approved funding consistent with the original percentage to the lower construction cost. In no event, shall the **District's** total obligation exceed the amount specified in Exhibit "B"

for this **Agreement**; however, an actual construction cost less than an estimated construction cost may result in a reduced final payment. The **Recipient** is responsible for any additional funds either through local revenues, grants, other appropriations, and/or other funding sources.

- 4.3 The **District** shall make payment to the **Recipient** upon completion and acceptance of the deliverable(s) as described in the “Payment and Deliverable Schedule”, and receipt of a fully documented reimbursement request package. The **Recipient’s** reimbursement request package shall contain the backup documentation required (see Attachment 1 to Exhibit “B”). The request shall include but is not limited to:
- **Recipient’s** invoice (include the **District’s** **Agreement** Number and Purchase Order number);
 - Signed certification letter on **Recipient’s** letterhead (signed by an authorized representative of the **Recipient**);
 - Tasks completed per the **Agreement** (if all tasks finished, a statement indicating that the project is completed per the **Agreement**); and
 - Vendor invoices/application for payment) for the **District Project Manager(s)** to ascertain that each deliverable in the invoice has been substantially complete.

The **Recipient** shall submit the final reimbursement request package and Exhibit “D” on or before September 30, 2022. Failure of the **Recipient** to follow the instructions set forth in the **Agreement** regarding a proper invoice and acceptable services and/or deliverables may result in an unavoidable delay in payment by the **District**.

- 4.4 **Recipient** shall send its invoices and attachments to APInvoice@sfwmd.gov and a copy to the **District** Project Manager. All invoices must reference the **Recipient’s** legal name as authorized to do business with the State of Florida; **District’s** **Agreement** Number and Purchase Order (PO) Number as specified on the cover page of the **Agreement**; a unique invoice number not previously used; date; a description of the services performed, and the amount to be invoiced. **Recipient** shall: 1) submit invoices using a pdf file at a resolution of no less than 300 dpi; 2) name the pdf file with the **Recipient’s** name, **Agreement** number, and the PO number; 3) provide all required attachments with the invoice file, and 4) include the PO number and Invoice number in the subject line of the email. - 4.5 **Recipient** must submit its invoices in compliance with the requirements of this subsection and all other terms and conditions of this **Agreement** in order to receive prompt payment by the **District** as described in the applicable sections of Chapter 218, Florida Statutes. **Recipient’s** failure to follow the instructions set forth in the **Agreement** regarding a proper invoice and acceptable services and/or deliverables may result in an unavoidable delay in payment by the **District**.

- 4.6 Upon completion of the Project, any data that was generated during the performance of the Project shall be submitted to the **District** upon request.
- 4.7 New Well Construction Projects: For projects involving construction of new wells, the **Recipient** shall:
1. Submit design of well construction and testing programs to the **District** for review and comment prior to implementation. The **Recipient** shall integrate the **District's** comments into the final testing plan where feasible.
 2. Submit all pertinent well information collected during well construction and testing (i.e., depths, cuttings descriptions, geophysical logs, aquifer test data, etc.), as available. Submissions shall be provided electronically as specified by the **District**.
 3. If the final location of the well(s) varies from the original location specified in the Consumptive Use or other permit or permit applications, the **Recipient** shall provide the **District Project Manager(s)** with written proof that the appropriate permitting agency contact is aware of and agrees with the changes.

The data shall be archived in the **District's** permanent database and available to the public. Please contact Emily Richardson (561) 682-6824, ehopkins@sfwmd.gov, for instructions on submitting data.

ARTICLE 5 – CONTRACT MANAGEMENT

- 5.1 The Parties shall direct all matters arising in connection with the performance of this **Agreement** to the attention of the **District Project Manager(s)** for attempted resolution or action. The **District Project Manager(s)** shall be responsible for overall coordination and oversight relating to the performance of this **Agreement**.
- 5.2 All notices under this **Agreement**, other than those set forth in paragraph 4.2 above, shall be in writing and shall be deemed received if sent by electronic mail, overnight mail, or for cure and default notices, certified mail, to the respective addresses specified on the cover page of the **Agreement**.
- 5.3 Should either Party change its address, written notice of such new address shall promptly be sent to the other Party.
- 5.4 All correspondence to the **District** under this **Agreement** shall reference the **District's Agreement** Number and PO Number.

ARTICLE 6 – TERMINATION / REMEDIES

- 6.1 It is the policy of the **District** to encourage good business practices by requiring the **Recipient** to materially perform in accordance with the terms and conditions of the

Agreement. In accordance with Chapter 40E-7.215, Florida Administrative Code, “Material Breach” is defined as any substantial, unexcused non-performance by failing to perform an act that is an important part of the transaction or performing an act inconsistent with the terms and conditions of the **Agreement**.

If the **Recipient** materially fails to fulfill its obligations under this **Agreement**, the **District** will provide written notice of the deficiency by forwarding a Cure Notice citing the specific nature of the material breach. The **Recipient** shall have thirty (30) days to cure the breach. If the **Recipient** fails to cure the breach within the thirty (30) day period, the **District** shall issue a Termination for Default Notice. Once the **District** has notified the **Recipient** that it has materially breached its contract with the **District**, by sending a Termination for Default Notice, the **District’s** Governing Board shall determine whether the **Recipient** should be suspended from doing future work with the **District**, and if so, for what period of time. Should the District terminate for default in accordance with this provision, the **District shall be entitled** to recover procurement costs in addition to all other remedies under law and/or equity.

- 6.2 The **District** may terminate this **Agreement** at any time for convenience upon thirty (30) calendar days prior written notice to the **Recipient**. The performance of work under this **Agreement** may be terminated by the **District** in accordance with this clause in whole, or from time to time in part, whenever the **District** shall determine that such termination is in the best interest of the **District**. Any such termination shall be affected by delivery of a Notice of Termination to the **Recipient**, specifying the extent to which performance of work under the **Agreement** is terminated, and the date upon which such termination becomes effective. In the event of termination, the **District** shall compensate the **Recipient** for all accepted work performed through the termination date. The **District** shall be relieved of any and all future obligations hereunder, including but not limited to, lost profits and consequential damages under this **Agreement**. The **District** may withhold all payments to the **Recipient** for such work until such time as the **District** determines the exact amount due to the **Recipient**.
- 6.3 In the event a dispute arises, which the **Project Managers’** cannot resolve between themselves, the Parties shall have the option to submit to non-binding mediation. The mediator or mediators shall be impartial, shall be selected by the Parties, and the cost of the mediation shall be borne equally by the Parties. The mediation process shall be confidential to the extent permitted by law.
- 6.4 Notwithstanding anything in this **Agreement** to the contrary, the **District** reserves the right to terminate this **Agreement** immediately without notice in the event any of the representations contained in the **Recipient’s** project application are found to be false or if the **Recipient** fails to complete the construction activities described in Exhibit “A”, Statement of Work.

ARTICLE 7 – RECORDS RETENTION

- 7.1 The **Recipient** shall maintain records and the **District** shall have inspection and audit rights as follows:

- A. Maintenance of Records. The **Recipient** shall maintain all financial and non-financial records and reports directly or indirectly related to the negotiation or performance of this **Agreement**, including supporting documentation for any service rates, expenses, research or reports. Such records shall be maintained and made available for inspection for a period of five (5) years from completing performance and receiving final payment under this **Agreement**.
- B. Examination of Records. The **District** or designated agent shall have the right to examine in accordance with generally accepted governmental auditing standards all records directly or indirectly related to this **Agreement**. Such examination may be made only within five (5) years from the date of final payment under this **Agreement** and upon reasonable notice, time and place.
- C. Extended Availability of Records for Legal Disputes. In the event the **District** should become involved in a legal dispute with a third party arising from performance under this **Agreement**, the **Recipient** shall extend the period of maintenance for all records relating to this **Agreement** until the final disposition of the legal dispute. All such records shall be made readily available to the **District**.
- D. Periodic Audits. The **District** shall perform audits periodically to ensure funding objectives are being met.

7.2 Public Records

- A. **Compliance with Florida Laws:** **Recipient** must provide public access to all records concerning this Agreement according to applicable Florida laws including Chapter 119, Florida Statutes. If **Recipient** asserts any exemptions to Florida's public records laws, **Recipient** has the burden of establishing and defending the exemption. **Recipient's** failure to comply with this section is a breach of this **Agreement**.
- B. **Recordkeeping and Public Access:** Under the applicable sections of Chapter 119, Florida Statutes, a request to inspect or copy public records relating to a **District** contract for services must be made directly to the **District**. In addition, **Recipient** must: (1) keep and maintain public records required by the **District** in order to perform the service; (2) upon request from the **District's** custodian of public records, provide the **District** with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided by law; (3) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the **Agreement** term and following completion of the **Agreement** if the **Recipient** does not transfer the records to the **District**; and (4) transfer, at no cost, to the **District**, all public records in possession of the **Recipient** or keep and maintain public records required by the **District** to perform the service. If the **Recipient** transfers all public records to the **District** upon completion of the **Agreement**, the **Recipient** shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the **Recipient** keeps and maintains public records upon completion of the **Agreement**, the

Recipient shall meet all applicable requirements for retaining the public records. All records stored electronically must be provided to the **District** upon request from the **District's** custodian of public records, in a format that is compatible with the information technology systems of the **District**. - 8.4 The **Recipient** has obtained, at its sole expense, all necessary licenses, authorizations and permits from the appropriate private party or federal, state, municipal or local agency, and other governmental approvals, prior to commencing performance of this **Agreement**. A delay in obtaining permits shall not give rise to a claim by the **Recipient** for additional compensation. If the **Recipient** is unable to obtain all necessary permits in a timely manner, either party may elect to terminate this **Agreement**, each party to bear its own costs, notwithstanding other provisions of this **Agreement** to the contrary. The **Recipient** agrees to comply with the terms and conditions of all permits.
- 8.5 The **Recipient** hereby assures that no person shall be excluded on the grounds of race, color, creed, national origin, handicap, age or sex, from participation in, denied the benefits of, or is otherwise subjected to discrimination in any activity under this **Agreement**. The **Recipient** shall take all measures necessary to effectuate these assurances.

- 8.6 The **Recipient** is hereby authorized to contract with third parties (subcontracts) for services awarded through a competitive process required by Florida Statutes. The **Recipient** shall not subcontract, assign, or transfer any other work under this **Agreement** without the prior written consent of the **District's** Project Manager. The **Recipient** agrees to be responsible for the fulfillment of all work elements included in any subcontract and agrees to be responsible for the payment of all monies due under any subcontract. It is understood and agreed by the **Recipient** that the **District** shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract(s).
- 8.7 Pursuant to Section 287.133, Florida Statutes, a person or affiliate who has been placed on the convicted vendor list may not submit a bid, proposal, or reply to a request to provide any goods or services related to the construction of the Project contemplated herein. **Recipient** also assures that it is not on the **District's** Suspension of Contractors List. **Recipient** agrees to include a provision to this effect in all requests for proposals and subcontracts related to construction of this Project.
- 8.8 The **Recipient** shall comply with Section 287.135, Florida Statutes. The **Recipient** further understands and accepts that this **Agreement** shall be either void by the **District** or subject to immediate termination by the **District** in the event there is any misrepresentation or false certification on the part of the **Recipient**. The **District**, in the event of such termination, shall not incur any liability to the **Recipient** for any work or materials furnished.
- 8.9 This paragraph shall remain in full force and effect for twenty (20) years from the date of contract execution. After construction is completed on the Project, the **Recipient** shall continuously operate the Project as described in the Project application and consistent with the application water use permit(s). In the event the Project is not operated or completed in accordance with these requirements, the **Recipient**, if requested by the **District**, agrees to reimburse the amount of funding the **District** provided to this project. This amount may be prorated based on the number of years the completed project is operated using an assumed project life of 20 years. Furthermore, the **District** may cease funding for this Project and any future Projects proposed by the **Recipient**.

ARTICLE 9 – INDEMNIFICATION

- 9.1 For value received, which is hereby acknowledged, the **Recipient** shall, subject to the limits permitted in Section 768.28, Florida Statutes, defend, indemnify, save, and hold the **District**, its officers, directors, board members, agents, assigns, and employees harmless from liabilities, damages, losses, and costs, including but not limited to reasonable attorney's fees, to the extent caused by the negligence, recklessness or intentionally wrongful conduct of the **Recipient** and other persons employed or utilized by the **Recipient** in the performance of the **Agreement**. The **District** shall have the right to approve counsel selected by the **Recipient** to defend the **District** in the event the **District** is named in any legal action. Pursuant to Section 768.28, Florida Statutes, nothing herein shall require the **Recipient** to be liable for intentional or reckless acts or for actions committed in bad faith or malicious purpose or in a manner exhibiting wanton and willful disregard of human rights, safety, or

property. However, nothing contained here shall constitute a waiver by the **Recipient** of its sovereign immunity or the provisions of Section 768.28, Florida Statutes.

The **Recipient** further acknowledges that it is solely responsible for ensuring its compliance and the compliance of its subcontractors, suppliers, agents, assigns, invitees and employees with the terms of this **Agreement**. This paragraph shall survive the expiration or termination of this **Agreement**.

ARTICLE 10 – RELATIONSHIP BETWEEN THE PARTIES

- 10.1 The **Recipient** shall be considered an independent contractor and neither party shall be considered an employee or agent of the other party. Nothing in this **Agreement** shall be interpreted to establish any relationship other than that of an independent contractor between the parties and their respective employees, agents, subcontractors, or assigns during or after the performance of this **Agreement**. Both parties are free to enter into contracts with other parties for similar services.
- 10.2 The **Recipient** shall not assign, delegate or otherwise transfer its rights and obligations as set forth in this **Agreement** without the prior written consent of the **District**. Any attempted assignment in violation of this provision shall be null and void.
- 10.3 It is the intent and understanding of the Parties that this **Agreement** is solely for the benefit of the **Recipient** and the **District**. No person or entity other than the **Recipient** or the **District** shall have any rights or privileges under this **Agreement** in any capacity whatsoever, either as third-party beneficiary or otherwise.

ARTICLE 11 – GENERAL PROVISIONS

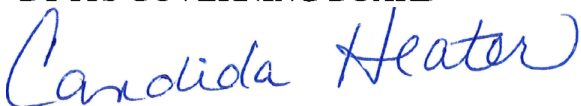

- 11.1 Notwithstanding any provisions of this **Agreement** to the contrary, the Parties shall not be held liable for any failure or delay in the performance of this **Agreement** that arises from fires, floods, strikes, embargoes, acts of the public enemy, unusually severe weather, outbreak of war, restraint of government, riots, civil commotion, force majeure, act of God or for any other cause of the same character, which is unavoidable through the exercise of due care and beyond the control of the Parties. Failure to perform shall be excused during the continuance of such circumstances, but this **Agreement** shall otherwise remain in effect. This provision shall not apply if the Statement of Work, Exhibit “A” of this **Agreement** specifies that performance by the **Recipient** is specifically required during the occurrence of any of the events herein mentioned.
- 11.2 Any inconsistency in this **Agreement** shall be resolved by giving precedence in the following order:
 - (a) Terms and Conditions outlined in Articles 1-11
 - (b) Exhibit “A” Statement of Work
 - (c) Application
 - (d) All other exhibits, attachments and documents specifically incorporated herein by reference

- 11.3 Failures or waivers to insist on strict performance of any covenant, condition, or provision of this **Agreement** by the Parties, their successors and assigns shall not be deemed a waiver of any of its rights or remedies, nor shall it relieve the other Party from performing any subsequent obligations strictly in accordance with the terms of this **Agreement**. No waiver shall be effective unless in writing and signed by the Party against whom enforcement is sought. Such waiver shall be limited to provisions of this **Agreement** specifically referred to therein and shall not be deemed a waiver of any other provision. No waiver shall constitute a continuing waiver unless the writing states otherwise.
- 11.4 Should any term or provision of this **Agreement** be held, to any extent, invalid or unenforceable, as against any person, entity or circumstance during the term hereof, by force of any statute, law or ruling of any forum of competent jurisdiction, such invalidity shall not affect any other term or provision of this **Agreement**, to the extent the **Agreement** shall remain operable, enforceable and in full force and effect to the extent permitted by law.
- 11.5 This **Agreement** may be amended only with the written approval of the Parties.
- 11.6 This **Agreement** states that all publicity/outreach media will be jointly planned by the **Recipient** and the **District** and any and all materials, events, or endorsements arising out of this award will acknowledge the participation and funding by the **District**.
- 11.7 This **Agreement** may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. A photocopy, email or facsimile copy of this **Agreement** and any signatory hereon shall be considered for all purposes as original.
- 11.8 This **Agreement** states the entire understanding and **Agreement** between the Parties and supersedes any and all written or oral representations, statements, negotiations or **Agreements** previously existing between the Parties with respect to the subject matter of this **Agreement**. The **Recipient** recognizes that any representations, statements or negotiations made by **District** staff do not suffice to legally bind the **District** in a contractual relationship unless they have been reduced to writing and signed by an authorized **District** representative. This **Agreement** shall inure to the benefit of and shall be binding upon the parties, their respective assigns, and successors in interest.

IN WITNESS WHEREOF, the Parties or their duly authorized representatives hereby execute this Agreement on the date written below.

EXHIBIT "A"
STATEMENT OF WORK

Tradition and Western Grove Communities Reclaimed Water Main Extension
City of Port St. Lucie

A. INTRODUCTION/BACKGROUND

Port St. Lucie Utility Systems Department is the largest utility in the region and growth within its service area is projected to continue through the planning horizon. As such, the utility anticipates the need to aggressively expand its use of all alternative water supply sources. Reclaimed water is a well-established alternative water supply source and expanding the distribution system is critical to maximizing its use.

Population growth and potential sea-level rise make the utilization of reclaimed water distribution pivotal to providing cost-effective potable water to the region by replenishing the aquifer and reducing the use of potable water for irrigation. The 2016 Upper East Coast Plan Update predicted the largest groundwater level differences occurred near the proposed Port St. Lucie Southwest Wellfield, which is assumed to provide 10.0 million gallons per day (mgd). To mitigate these impacts, this reclaimed water main project will provide reclaimed water to area of that wellfield location, providing much-needed aquifer recharge to a projected problem area.

B. OBJECTIVES

The objective is to install reclaimed water main in the Western Grove and Tradition neighborhood area, which will allow the City of Port St. Lucie (City or Recipient) to expand its reclaimed water distribution system up to 10.15 mgd and provide a sustainable water supply to the rapidly growing Port St. Lucie customer base. The project will also assist the District in mitigating saltwater intrusion by providing recharge water to the shallow aquifer.

C. SCOPE OF WORK

Install approximately 12,000 linear feet of 24-inch reclaimed water pipeline to supply the Western Grove and Tradition neighborhood areas. The Glades Wastewater Treatment Facility will supply the reclaimed water to the distribution system for this project. The reclaimed water main will connect the termination of the existing piping on Glades Cut Off Road to the general vicinity of the existing Glades Wastewater Booster Pumping Station (**Figure 1**). The project will primarily consist of routing through existing agricultural fields and drives. There is one anticipated rail crossing near Glades Cut Off Road.

2. Parties: City of Port St. Lucie and South Florida Water Management District
3. Purpose: Tradition and Western Grove Reclaimed Water Main Extension
4. New/Renewal/Modified: New
5. Duration: October 31, 2022
6. Benefits to Port St. Lucie: SFWMD financial assistance up to \$593,536
7. Cost to Port St. Lucie (Annual and Potential): \$4,793,000

Presentation Information: N/A

Staff Recommendation: Move that the Council complete the motion in the affirmative.

Alternate Recommendations:

1. Move that the Council amend the recommendation and complete the motion in the affirmative.
2. Move that the Council not approve or provide staff with direction.

Background: The project is to install reclaimed water main in the Western Grove and Tradition neighborhood area, which will allow the City to expand its reclaimed water distribution system up to 10.15 MGD and provide a sustainable water supply to the rapidly growing Port St. Lucie customer base. The Project will also assist the SFWMD in mitigating saltwater intrusion by providing recharge water to the shallow aquifer.

Issues/Analysis: The Glades Wastewater Treatment Facility will supply the reclaimed water to the distribution system for this project. The reclaimed water main will connect the termination of the existing piping on Glades Cut Off Road to the area of the existing Glades Wastewater Booster Pumping Station, primarily through

existing agricultural fields and drives with one anticipated rail crossing near Glades Cut Off Road.

Financial Information: If approved, the SFWMD shall pay the City up to \$593,536. The City must provide at least 60% of the Project's actual construction costs, unless otherwise authorized by Section 373.707, Florida Statutes. The remaining funds for the project is appropriated in the USD CIP budget/Tradition Reuse (448-3516 -563000-00000).

Special Consideration: The City Council must authorize the City Manager to execute the Grant Agreement for the City to receive this funding. There are several critical milestone dates in the Agreement. The Utility Systems Department staff has reviewed these dates and they appear to be reasonable.

Location of Project: Tradition and Western Grove. The existing reuse water main terminates on the south side of Glades Cut-Off Road. This project will extend the reuse water main approximately 2.2 miles south of the vicinity of the Glades Wastewater Booster Pumping Station and the future Tradition Parkway extension, on the west side of Tradition.
