

RESOLUTION NO. 24-XX

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PORT ST. LUCIE, FLORIDA GRANTING A VARIANCE (P23-176) TO THE CITY OF PORT ST. LUCIE LAND USE CONVERSION MANUAL AREA 23 FOR LOT SIZE AND FRONTAGE REQUIREMENTS TO ALLOW THE REZONING OF ONE LOT TO THE GENERAL COMMERCIAL (CG) ZONING DISTRICT; PROVIDING FOR CONFLICTS; PROVIDING FOR SEVERABILITY; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, Ekonomy Self Storage Inc., (the “Applicant”) submitted a variance application to obtain a variance from the City of Port St. Lucie Land Use Conversion Manual requirements for Conversion Area 23 for lot size and frontage to allow Lot 14 of Port St. Lucie Section 31, Block 1705, to be rezoned to the General Commercial Zoning District; and

WHEREAS, under the rezoning procedures outlined in the City of Port St. Lucie Land Use Conversion Manual, rezoning petitions for the conversion of residentially zoned lots should meet the lots size and frontage requirements and avoid the isolation of lots that are insufficient in size and frontage to meet the performance standards established for a conversion area; and

WHEREAS, the City of Port St. Lucie Land Use Conversion Manual Area 23 requires a lot size of 20,000 square feet and frontage of 160 feet; and

WHEREAS, this variance application proposes a lot size of 10,240 square feet with 80 feet of frontage; and

WHEREAS, if Lot 13 and Lot 15 of Port St. Lucie Section 31, Block 1705, is not included in an application to rezone Lot 14, then Lot 13 and Lot 15 would become isolated lots with insufficient size and frontage as identified in Section III of the City of Port St. Lucie Conversion Manual; and

WHEREAS, Section VI of the Conversion Manual allows for the party who could create isolated lots by virtue of a conversion to seek a variance from the conversion criteria; and

WHEREAS, Policy 1.1.4.12 of the Comprehensive Plan requires variances to the Conversion Manual be reviewed by the Planning and Zoning Board and a recommendation be forwarded to the City Council for approval or denial; and

WHEREAS, the City of Port St. Lucie Planning and Zoning Board held a public hearing on March 5, 2024, to consider the variance application (P23-176), notice of said hearing to having been given and advertising of public hearing having been made and recommended approving the variance application (P23-176); and

RESOLUTION NO. 24-XX

WHEREAS, the City Council held a public hearing on March 25, 2024, to consider the variance application (P23-176), advertising of the public hearing having been made; and

WHEREAS, the City Council has considered the variance application (P23-176) and, based on substantial and competent evidence, the City Council has determined that the Applicant's request for a variance is consistent with the variance criteria set forth in Section 158.295(B) of the Zoning Code and Section VI of the City of Port St. Lucie Conversion Manual.
