Subject: Discount Change

To our valued customers:

Last year presented many challenges, not the least of which was increased disruption to many supply chains. Dealing with Covid restrictions and safe work practices has created substantial supply shortages of many crucial raw materials driving up the costs. Current and future carbon and stainless steel prices are showing double digit increases along with freight and many other commodities.

In response to these dramatic market changes, effective April 1, 2021 we will implement a two (2) point discount change on all Smith-Blair products. The price change will be enacted by reducing the current discounts. As an example, a current 56% discount (0.44 multiplier) will be changed to 54% (0.46 multiplier). We will honor any current in-house annual pricing until the expiration date. We are making every effort to minimize the cost impact to the market and to give you 60-days' notice to these changes.

Your continued support is greatly appreciated by all of us at Smith-Blair. If you have any questions please contact your local Smith-Blair Territory Sales Manager/Representative or our Customer Service Group.

Best regards,

May 24, 2021

Subject: Discount Change

To our valued customers:

As a result of COVID-19 restrictions and closures last year many supply chains experienced severe disruptions creating shortage issues for numerous raw materials. In conjunction with this situation, the U.S. economy is roaring back to life creating an even deeper divide between supply and demand which is escalating prices.

In response to these dramatic market changes, effective July 1, 2021, we will implement a four (4) point discount change on all Smith-Blair products. The price change will be enacted by reducing the current discounts. As an example, a current 56% discount (0.44 multiplier) will be changed to 52% (0.48 multiplier). We will honor any current in-house annual pricing until the expiration date. Effective the same date, we will be modifying our freight policy requiring a net order of \$3,500 for FFA; all other Terms and Conditions will remain the same. We wanted to give you at least 30-days' notice to these changes.

Your support and patience is greatly appreciated and, please have confidence that everyone at Smith-Blair is working hard to minimize the impact of this economic upheaval. If you have any questions, please contact your local Smith-Blair Territory Sales Manager/Representative or our Customer Service Group.

Best regards,

Tom Houston
