RE: Budget Division Earns GFOA Distinguished Budget Award Presentation and
Special Performance Measures Recognition.

It is with great honor to share with you that the City of Port St. Lucie has earned the Government Finance Officers Association (GFOA) Distinguished Budget Award Presentation for Fiscal Year 2021-22. In addition to receiving the award, the City's budget received a Special Performance Measures Recognition. Please join me in congratulating the Budget Division, and Strategic Initiatives and Innovation for achieving this distinguished award and recognition. We will present the award to City Council soon at an upcoming regular Council meeting.

The GFOA Distinguished Budget Award Presentation is the highest form of recognition in governmental budgeting. Its attainment represents a significant achievement by our City and Budget Team commitment to meeting the highest principles of governmental budgeting, and nationally recognized guidelines for effective budget presentation. The Special Performance Measures Recognition is for a budget that receives "outstanding" ratings on performance measures from three reviewers in recognition for excellence in providing objective measures of progress toward accomplishing mission, goals and objectives of citywide departments and elected officials as well as organization.

The City originally earned the GFOA Distinguished Budget Award Presentation for Fiscal Year 1990 and has maintained it through Fiscal Year 2022, a total of 32 consecutive years. For a third year in a row, the City has earned a Special Performance Measures Recognition. I'd like to extend a special appreciation to Ivy Ladyko for leading the Budget Team in producing the budget book and Jacki Burns for her contribution to delivering a quality budget presentation.

Thank you for the opportunity of providing you this update.
