**Project Description**

This is the third amendment to the Verano South Pod A PUD document. This is a request to amend the Planned Unit Development (PUD) document and concept plan for Verano South POD A PUD 1 reducing the permitted number of dwelling units. The Verano DRI is permitted to provide 7,200 number of dwelling units maximum.

<i>PUD</i>	<i>Current No. of permitted Units</i>	<i>Proposed Maximum Units</i>
<i>Verano PUD 1</i>	<i>1200</i>	<i>1037</i>
<i>Verano South POD A</i>	<i>350</i>	<i>276</i>
<i>Verano South POD B</i>	<i>260</i>	<i>245</i>
<i>Verano South POD C</i>	<i>450</i>	<i>429</i>
<i>Verano South POD E</i>	<i>317</i>	<i>215</i>
<i>Total number of units lessened = 375</i>		

Previous PUD Requirement: This PUD currently permits 350 units. The amount of lots platted equal 276. The applicant is reducing the maximum number of units to match what is platted in order to apply the extra units to future PUDs.

Analysis: The update is to allow for future PUDs within the Verano DRI to utilize the full permitted amount of dwelling units permits as per the approved Development Order. The availability of use of the 375 units elsewhere in the DRI allows the development to be built out to its full potential and maximum permitted units.
