

July 5, 2022

City Manager's Office,

CareBag Inc. is writing you today to request permission to use the Port St. Lucie logo for two events we are having. First, on July 31, we will have a Health Fair with our partners, the Cleveland Clinic and the Hands Clinic of St Lucie, at the Treasure Coast COG 7th Day Fellowship at 4051 SW Savona Blvd, as we will be offering FREE health screenings for adults and children. And on August 1 at the Mid-Florida Event Center, we have our 2nd event for all school-age children of Port St. Lucie for our Back-to-School event. I'm sharing our flyers for more clarity here. In addition, we ask permission to use our brochures and media sites to promote the event.

Our primary purpose is to bring as many Port St. Lucie residents to the event as possible. We appreciate you taking the time to read this letter, and I look forward to hearing from you soon.

Sincerely,

Rozanne Roxy Brown  
CareBag Inc. CEO | Founder
