FROM: Richard Berrios, City Attorney

THROUGH: Carly A. Fabien, Deputy City Attorney

RE: Request to Table Items – 2024-1177

Esteemed Council Members,

It is being requested that the City Council table item 2024-1177 on the December 2, 2024, agenda, which is currently scheduled for first reading. The reason for this request is that the Lessee, Crown Castle, agent for New Cingular Wireless PCS, LLC, has yet to provide the City with comments to the proposed lease. Until such time, the lease in question is not finalized and therefore is not properly before the Council for consideration. Our office is recommending tabling the item to a date uncertain and we will coordinate with the City Clerk for republication of the ordinance when appropriate.

Thank you.
