DRAINAGE EASEMENT AGREEMENT

THIS DRAINAGE EASEMENT AGREEMENT (this “**Agreement**”) is made and entered into this ____ day of _____, 2025, by the CITY OF PORT ST. LUCIE, a Florida municipal corporation (“**City**”), whose address is 121 Southwest Port St. Lucie Boulevard, Port St. Lucie, FL 34984, in favor of LTC RANCH WEST RESIDENTIAL COMMUNITY DEVELOPMENT DISTRICT, a community development district organized and existing under Chapter 190, Florida Statutes (the “**CDD**”), whose address is 3434 Colwell Ave., Suite 200, Tampa, FL 33614.

WITNESSETH:

That City is the owner in fee simple of that certain real property more particularly described in **Exhibit “A”**, attached hereto and made a part hereof (the “**City Site**”); and

That City, for and in consideration for the sum of Ten Dollars (\$10.00) in hand paid by the CDD, the receipt of which is hereby acknowledged, does hereby grant to the CDD, its successors and assigns, the following perpetual easements over a portion of the City Site, as more particularly described in **Exhibit “B”** (the “**Easement Premises**”), subject to the terms specified below:

1. Easement Rights and Responsibilities.

- A. The CDD has the right to drain surface water from the lands within the residential Planned Unit Development known as LTC Ranch (West) Residential PUD, in accordance with all applicable South Florida Water Management District permits (the “**Permits**”), including without limitation, the right to inspect, operate, maintain, service, relocate and replace any and all ditches, culverts, pipes or other appurtenant structures relating to such drainage (the “**Drainage Structures**”), including rights for vehicular (including equipment) and pedestrian ingress and egress over and across the Easement Premises as shall be necessary or desirable to inspect, operate, maintain, service, relocate and replace the Drainage Structures located in the Easement Premises.

The easement granted herein is perpetual, but non-exclusive, and City reserves unto itself and its assigns and successors-in-interest and/or title, the right to utilize the Easement Premises for any purpose whatsoever provided such use is in recognition of, and not in

THIS DRAINAGE EASEMENT AGREEMENT IS BEING RECORDED TO REPLACE THE DRAINAGE EASEMENT AGREEMENT RECORDED IN O.R. BOOK 5296, PAGE 1222, WHICH WAS INADVERTENTLY RECORDED AFTER THE DEED RECORDED IN O.R. BOOK 529, PAGE 1218.

derogation of, the easement rights granted hereunder to the CDD. The CDD shall utilize the easements and rights granted hereunder and hereby with due regard for the rights of City reserved herein with respect to the Easement Premises, and with due regard for the rights of City to utilize and enjoy City's other property adjacent or contiguous to the Easement Premises.

- B. The CDD is solely responsible for operating, maintaining, and administering the Drainage Structures, and City shall have no responsibility for maintaining same. If the CDD does not properly maintain the Drainage Structures, then City may give the CDD written notice thereof, whereupon the CDD shall have forty-five (45) days after receipt of such written notice to cure such violation, or if such violation cannot be reasonably cured within such forty-five (45) day period, then the CDD shall commence to cure such violation within such forty-five (45) day period, and shall thereafter proceed to complete such cure. Notwithstanding, the forty-five (45) day notice and cure period shall not be applicable to emergency circumstances, as defined below. If the CDD does not cure or commence to cure such violation as required within the foregoing period or does not diligently proceed to complete such cure within a reasonable period of time then City shall have the right, but not the obligation, to conduct maintenance activities and be reimbursed the actual and reasonable expenses of those services from the CDD.

For purposes of this subparagraph "emergency circumstances" shall mean blocked drainage, damaged drainage pipe or drainage structure causing flooding of the roadway, sink hole, or eroded roadway embankment, if such condition poses a life safety risk, or any other condition that poses a life safety risk. In emergency circumstances City may make any necessary repairs and be reimbursed for the actual and reasonable costs of such repairs from the CDD, but City shall give the CDD notice of the work being performed to resolve such emergency circumstances.

- C. Before commencing any type of digging, drilling, excavation or other work below the ground surface, CDD shall, and as required by law, determine if any underground utility infrastructure exists within the location where such below-ground activity is expected to occur. All design, construction, repair and maintenance of facilities and improvements made in conjunction with this Agreement shall adhere to the construction plans approved by the appropriate governmental authority.
- D. To avoid interference with use of the City Site, the CDD shall not perform any construction or maintenance of the Drainage Structures that could require closure of the park or portions of the park, until approved in writing by the City, which approval will not be unreasonably withheld or delayed. In the event of emergency circumstances as defined above, the CDD shall not be required to obtain such approval from the City but shall give the City notice of the work being performed to resolve such emergency circumstances.
- E. This Agreement specifically reserves the perpetual right on the part of City, its successors, assigns, and successors in title to alter and/or modify and/or relocate, the Easement Premises or the Drainage Structures located within the Easement Premises, so long as (a) the design capacity of the altered or relocated Easement Premises or Drainage Structures

is such that the flow or drainage of water through the Easement Premises is not thereby interrupted or materially diminished from the capacities as specified in and by the Permits, and (b) such alterations, modifications or relocation will not materially increase the CDD's cost to maintain the Drainage Structures. The Agreement also specifically reserves the perpetual right on the part of City, its successors, assigns, and successors in title to convey roadway drainage through the Easement Premises and Drainage Structures, in accordance with all applicable Permits.

- F. To the extent permitted by law, the CDD shall indemnify, defend, save, and hold harmless the City, its elected officers, agents, servants, representatives, and employees, from and against any and all claims, demands, suits, losses, and liabilities of any nature whatsoever, including but not limited to reasonable attorney's fees and other litigation expenses, arising out of, because of, or due to any misconduct, negligent act, error, or omission of the CDD, its elected officers, agents, servants, representatives, or employees, in the performance of this Agreement. Nothing in this Agreement shall be deemed a waiver of immunity or limits of liability of either the CDD or the City beyond any statutory limited waiver of immunity or limits of liability contained in Section 768.28, Florida Statutes, as amended, or any other statute. Nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred under the Doctrine of Sovereign Immunity or by operation of law.

- G. The CDD is required to maintain Insurance as outlined in **Exhibit "C"**.

2. Miscellaneous Provisions.

- A. **Easement Running with the Land.** It is the intent of the parties hereto that the rights and obligations set forth in this Agreement shall run with the land, and shall be binding upon all successors, assigns, and successors in title to the parties hereto.
- B. **Records.** City and the CDD shall allow public access to any documents, papers, letters, and other materials made or received by them in conjunction with this Agreement, to the extent that such public access is required in order to comply with the provisions of Chapter 119, Florida Statutes.
- C. **Filing.** This Agreement shall be filed with the Clerk of the Circuit Court of St. Lucie County, Florida, for recording in the public records of the County.
- D. **Venue and Jury Waiver Provision.** In the event it is necessary for either party to initiate legal action regarding this Agreement, venue shall be in the Nineteenth Judicial Circuit in and for St. Lucie County, Florida, for claims under state law, and in the Southern District of Florida for claims justiciable in federal court. TO ENCOURAGE PROMPT AND EQUITABLE RESOLUTION OF ANY LITIGATION, EACH PARTY HEREBY WAIVES ITS RIGHTS TO A TRIAL BY JURY IN ANY LITIGATION RELATED TO THIS AGREEMENT. This Paragraph shall survive the termination of this Agreement.

- E. Effective Date. This Agreement shall be deemed effective as of the date the last party hereto signs it (the “Effective Date”). This Agreement must be fully executed prior to recordation.

IN WITNESS WHEREOF, the parties hereto have caused the execution of this Agreement by their duly authorized officials on the dates stated below.
