WITNESSETH

WHEREAS, the City requires goods and services of Contractor pursuant to the Master Agreement No. AR2472 between the State of Utah, acting by and through the National Association of State Procurement Officials (NASPO) ValuePoint, and Contractor, for Cloud Services, dated October 13, 2016, including its amendments, assignments, renewals and addenda, and the Participating Addendum Alternative Contract Source No: 43230000-NASPO-16-ACS between the Florida Department of Management Services and Contractor, including its amendments, assignments, renewals, and addenda (collectively referred to as “Contract Documents” or the “Contract”); and

WHEREAS, the parties wish to incorporate the terms and conditions of the Contract Documents between the Contractor, its predecessors and/or assignors, and the State of Utah, NASPO ValuePoint, and the Florida Department of Management Services, including any and all contract renewals, amendments and change orders, substituting the “City of Port St. Lucie” for the “State of Utah,” “NASPO ValuePoint,” and/or “Florida Department of Management Services,” in all places; and

WHEREAS, the City has the authority to enter into this Agreement with Contractor per the Master Agreement No. AR2472, Section 20; the Participating Addendum Alternative Contract Source No: 43230000-NASPO-16-ACS, page 4, section 1; and Florida Administrative Code 60A-1.001(2)(e) which was agreed upon by both NASPO ValuePoint, the Florida Department of Management Services, and the Contractor, its predecessors and/or assignors; and

WHEREAS, the City has determined that the original procurement was lawful, the Contractor, its predecessors and/or assignors, acted at all times in accordance with Florida law when bidding and the cooperative contract was established in compliance with the procurement procedures and requirements of the issuing entity.

NOW THEREFORE, in consideration of the mutual covenants set forth in this Agreement, the receipt and sufficiency of which is hereby acknowledged, the parties agree to modify and supplement the Contract Documents with the following terms and conditions:

Section 1. Whereas. The “whereas” clauses are hereby incorporated herein as forming the intent, purpose, and scope of this Agreement.

Section 2. Terms. The parties agree that pursuant to the Master Agreement No. AR2472, Section 20; the Participating Addendum Alternative Contract Source No: 43230000-NASPO-16-ACS, page 4, section 1; and Florida Administrative Code 60A-1.001(2)(e), the City is authorized to utilize the Contract via cooperative agreement, as follows:

- A. Incorporation of the Contract. Except as otherwise set forth in this Agreement, the parties hereby incorporate into this Agreement the terms and conditions of the Contract between the Contractor, its predecessors, successors and/or assignees, and the State of Utah, acting by and through NASPO ValuePoint, and the Florida Department of Management Services, including any contract renewals, amendments and change orders.
- B. Substitution. Except where the context requires otherwise, such as, but not limited to, compliance with City ordinances and regulations, City shall be deemed substituted for the State of Utah, NASPO ValuePoint, and/or the Florida Department of Management Services regarding any and all provisions of the Contract, including by example, but not limitation, with regard to bond requirements, insurance, indemnification, licensing, termination, default, and ownership of documents. All recitals, covenants, representations, and warranties of Contractor made in the Contract are restated as if set forth fully herein, made for the benefit of City, and incorporated herein.
- C. Term. This Agreement shall be effective from the date upon which all parties have executed it through September 30, 2026.
- D. Purchase Orders. Unless otherwise specified, the City shall issue purchase orders using the State of Florida ACS number 43230000-NASPO-16-ACS. The City may use purchase orders to buy commodities or contractual services pursuant to the Contract and, if applicable, the Contractor must provide commodities or contractual services pursuant to purchase orders. Purchase orders issued pursuant to the Contract must be received by the Contractor no later than the close of business on the last day of the Contract’s term. The Contractor is required to accept timely purchase orders specifying delivery schedules that extend beyond the Contract term even when such extended delivery will occur after expiration of the Contract. Purchase orders shall be valid through their specified term and performance by the Contractor, and all terms and conditions of the Contract shall survive the termination or expiration of the Contract and apply to the Contractor’s performance. The duration of purchase orders for

recurring deliverables shall not exceed the expiration of the Contract by more than twelve months. Any purchase order terms and conditions conflicting with these Special Contract Conditions shall not become a part of the Contract.

- E. Product and Pricing. In accordance with the Contract, City may purchase products in accordance with the prices in the Contract pricing list.
- F. Delivery Time and Location. In accordance with the Contract, the Contractor will be paid upon submission of invoices to the City after delivery and acceptance of commodities or contractual services is confirmed by the City. Invoices must contain sufficient detail for an audit and contain the Contract Number and the Contractor's Federal Employer Identification Number.
- G. Government Appropriation. The Contractor acknowledges that the City's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the City Council. The Contractor agrees that, in the event such appropriation is not forthcoming, this Agreement may be terminated by the City and that no charges, penalties, or other costs shall be assessed.
- H. Tax Exemption. The City may be tax exempt and will share its tax-exempt certificate upon request.
- I. Conflict. In the event of conflict between the Contract and this Agreement, the terms and conditions in this Agreement shall supersede and take precedence over the Contract.
- J. Sovereign Immunity. Nothing in this Agreement, nor in the Contract, shall be deemed or otherwise interpreted as waiving City's sovereign immunity protections existing under the laws of the State of Florida, or extending or increasing the limits of liability as set forth in Section 768.28 Florida Statutes.

Section 3. Notice. Notice hereunder shall be provided in writing by certified mail return receipt requested, or customarily used overnight transmission with proof of delivery, to the City Manager at the address listed above.

Section 4. Public Records. Contractor understands that City is a public entity whose records are available and open to the public for review and inspection. Contractor agrees to comply with public records laws, specifically:

- A. Keep and maintain public records required by the City to perform the service.
 - 1. The timeframes and classifications for records retention requirements must be in accordance with the General Records Schedule GS1-SL for State and Local Government Agencies. (See <http://dos.myflorida.com/library-archives/records-management/general-records-schedules>).

Contractor's records under this Agreement include but are not limited to, supplier/sub engineer invoices and contracts, project documents, meeting notes, emails, and all other documentation generated during this Agreement.
 4. The Contractor agrees to make available to the City, during normal business hours, all books of account, reports and records relating to this Agreement.
 5. A contractor who fails to provide the public records to the City within a reasonable time may also be subject to penalties under section 119.10, Florida Statutes.
- B. Upon request from the City's custodian of public records, provide the City with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided for by law. If Contractor does not comply with the City's request for records, City shall enforce the provisions in accordance with this Agreement.
- C. Ensure that project records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement term and following completion of the Agreement if the Contractor does not transfer the records to City.
- D. Upon completion of the Agreement, transfer, at no cost, to the City all public records in possession of the Contractor or keep and maintain public records required by the City to perform the service. If the Contractor transfers all public records to the City upon completion of the Agreement, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon the completion of the Agreement, the Contractor shall meet all applicable requirements for retaining public records. All records kept electronically must be provided to the City, upon request from the City's custodian of public records, in a format that is compatible with the information technology systems of the City.

By entering into this Agreement with the City, Contractor certifies that it and those related entities of Contractor, as defined by Florida law, are not on the Scrutinized Companies that Boycott Israel List, created pursuant to section 215.4725, Florida Statutes, and are not engaged in a boycott of Israel. The City may terminate this Agreement if Contractor or any of those related entities of Contractor, as defined by Florida law, are found to have submitted a false certification or any of the following occur with respect to the company or a related entity: (i) it has been placed on the Scrutinized Companies that Boycott Israel List, or is engaged in a boycott of Israel, or (ii) for any contract for goods or services of one million dollars or more, it has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or it is found to have been engaged in business operations in Cuba or Syria. Section 6. Law, Venue and Wavier of Jury Trial. This Agreement is to be construed as though made in and to be performed in the State of Florida and is to be governed by the laws of Florida in all respects without reference to the laws of any other state or nation. The venue of any action taken to enforce this Agreement, arising from this Agreement, or related to this Agreement, shall be in St. Lucie County, Florida.

The parties to this Agreement hereby freely, voluntarily, and expressly, waive their respective rights to trial by jury on any issues so triable after having the opportunity to consult with an attorney.

Section 7. Indemnity and Insurance.

The Contractor agrees to indemnify, defend, and hold harmless, the City, its officers, agents, and employees from, and against any and all claims, actions, liabilities, losses and expenses including, but not limited to, attorney's fees for personal, economic, or bodily injury, wrongful death, loss of or damage to property, at law or in equity, which may arise or may be alleged to have risen from the negligent acts, errors, omissions or other wrongful conduct of Contractor, agents, laborers, subcontractors or other personnel entity acting under Contractor control in connection with the Contractor's performance of services under this Agreement. To that extent, Contractor shall pay any and all such claims and losses and shall pay any and all such costs and judgments which may issue from any lawsuit arising from such claims and losses including wrongful termination or allegations of discrimination or harassment, and shall pay all costs and attorney's fees expended by the City in defense of such claims and losses, including appeals. That the aforesaid hold-harmless agreement by Contractor shall apply to all damages and claims for damages of every kind suffered, or alleged to have been suffered, by reason of any of the aforesaid operations of Contractor or any agent laborers, subcontractors, or employee of Contractor regardless of whether or not such insurance policies shall have been determined to be applicable to any of such damages or claims for damages. Contractor shall be held responsible for any violation of laws, rules, regulations, or ordinances affecting in any way the conduct of all persons engaged in or the materials or methods used by Contractor on the work. This indemnification shall survive the termination of this Agreement.

The Contractor shall, on a primary basis and at its sole expense, agree to maintain in full force and effect at all times during the life of this Agreement, insurance coverage and limits, including endorsements, as described herein. The requirements contained herein, as well as City's review or acceptance of insurance maintained by the Contractor are not intended to and shall not in any manner limit or qualify the liabilities and obligations assumed by contractor under the Agreement.

The parties agree and recognize that it is not the intent of the City that any insurance policy/coverage that it may obtain pursuant to any provision of this Agreement will provide insurance coverage to any entity, corporation, business, person, or organization, other than the City of Port St. Lucie and the City shall not be obligated to provide any insurance coverage other than for the City of Port St. Lucie or extend its immunity pursuant to Section 768.28, Florida Statutes, under its self-insured program. Any provision contained herein to the contrary shall be considered void and unenforceable by any party. This provision does not apply to any obligation imposed on any other party to obtain insurance coverage for this project and/or any obligation to name the City of Port St. Lucie as an additional insured under any other insurance policy or otherwise protect the interests of the City of Port St. Lucie as specified in this Agreement.

Workers' Compensation Insurance & Employer's Liability: The Contractor shall agree to maintain Workers' Compensation Insurance & Employers' Liability in accordance with section 440, Florida Statutes. Employers' Liability must include limits of at least \$100,000.00 each accident, \$100,000.00 each disease/employee, and \$500,000.00 each disease/maximum. A Waiver of Subrogation endorsement must be provided. Coverage shall apply on a primary basis. Should scope

of work performed by Contractor qualify its employee(s) for benefits under Federal Workers' Compensation Statute (for example, U.S. Longshore & Harbor Workers Act or Merchant Marine Act), proof of appropriate Federal Act coverage must be provided.

Commercial General Liability Insurance: The Contractor shall agree to maintain Commercial General Liability insurance, issued under an Occurrence form basis, including Contractual liability, to cover the hold harmless agreement set forth herein, with limits of not less than:

Each occurrence	\$1,000,000
Personal/advertising injury	\$1,000,000
Products/completed operations aggregate	\$2,000,000
General aggregate	\$2,000,000
Fire damage	\$100,000 any 1 fire
Medical expense	\$10,000 any 1 person

Additional Insured: An Additional Insured endorsement **must** be attached to the certificate of insurance (should be CG2026) under the General Liability policy. Coverage is to be written on an occurrence form basis and shall apply as primary and non-contributory. Defense costs are to be in addition to the limit of liability. A waiver of subrogation is to be provided in favor of the City. Coverage shall extend to independent contractors and fellow employees. Contractual Liability is to be included. Coverage is to include a cross liability or severability of interests provision as provided under the standard ISO form separation of insurers clause.

Except as to Workers' Compensation and Employers' Liability insurance, Certificates of Insurance and policies shall clearly state that coverage required by the Agreement has been endorsed to include the City of Port St. Lucie, a municipality of the State of Florida, its officers, agents and employees as Additional Insured for Commercial General Liability and Business Auto Liability policies. The name for the Additional Insured endorsement issued by the insurer shall read: "**City of Port St. Lucie, a municipality of the State of Florida, its officers, employees and agents shall be listed as additional insured and shall include the Supplies and Equipment, #20220011 – Cloud Solutions Agreement.**" Copies of the Additional Insured endorsements shall be attached to the Certificate of Insurance. The policies shall be specifically endorsed to provide thirty (30) days written notice to the City prior to any adverse changes, cancellation, or non-renewal of coverage thereunder. Formal written notice shall be sent to City of Port St. Lucie, 121 SW Port St. Lucie Blvd., Port St. Lucie, FL 34984, Attn: Procurement. In the event that the statutory liability of the City is amended during the term of this Contract to exceed the above limits, the Contractor shall be required, upon thirty (30) days written notice by the City, to provide coverage at least equal to the amended statutory limit of liability of the City. Copies of the Additional Insured endorsement shall be attached to the Certificate of Insurance.

Business Automobile Liability Insurance: The Contractor shall agree to maintain Business Automobile Liability at a limit of liability not less than \$1,000,000.00 each accident covering any auto, owned, non-owned, and hired automobiles. In the event the Contractor does not own any automobiles, the Business Auto Liability requirement shall be amended allowing Contractor to

agree to maintain only **Hired & Non-Owned Auto Liability**. This amended requirement may be satisfied by way of endorsement to the **Commercial General Liability**, or separate **Business Auto Coverage** form. Certificate holder must be listed as additional insured. A waiver of subrogation must be provided. Coverage shall apply on a primary and non-contributory basis.

Waiver of Subrogation: By entering into this Agreement, Contractor agrees to a Waiver of Subrogation for each required policy. When required by the insurer or should a policy condition not permit an insured to enter into a pre-loss contract to waive subrogation without an endorsement, then Contractor shall agree to notify the insurer and request the policy be endorsed with a Waiver of Transfer of Rights of Recovery Against Others, or its equivalent. This Waiver of Subrogation requirement shall not apply to any policy where a condition to the policy specifically prohibits such an endorsement, or voids coverage should Contractor enter into such a contract on a pre-loss basis.

Deductibles: All deductible amounts shall be paid for and be the responsibility of the Contractor for any and all claims under this Agreement. Where an SIR or deductible exceeds \$5,000, the City reserves the right, but is not obligated, to review and request a copy of the Contractor's most recent annual report or audited financial statement.

It shall be the responsibility of the Contractor to ensure that all independent contractors and subcontractors comply with the same insurance requirements referenced herein. It shall be the responsibility of the Contractor to obtain Certificates of Insurance from all independent contractors and subcontractors listing the City as an Additional Insured without the language "when required by written contract." If Contractor, any independent contractors, or any subcontractors maintain higher limits than the minimums listed above, the City requires and shall be entitled to coverage for the higher limits maintained by Contractor/independent contractor/subcontractor.

The Contractor may satisfy the minimum limits required above for either **Commercial General Liability**, **Business Auto Liability**, and **Employers' Liability** coverage under **Umbrella** or **Excess Liability**. The **Umbrella** or **Excess Liability** shall have an **Aggregate** limit not less than the highest "Each Occurrence" limit for either **Commercial General Liability**, **Business Auto Liability**, or **Employers' Liability**. When required by the insurer, or when **Umbrella** or **Excess Liability** is written on **Non-Follow Form**, the City shall be endorsed as an "Additional Insured."

The City by and through its Risk Management Department reserves the right, but is not obligated, to review, modify, reject, or accept any required policies of insurance, including limits, coverages, or endorsements, herein from time to time throughout the term of this Agreement. All insurance carriers must have an AM Best rating of at least A:VII or better. When a self-insured retention or deductible exceeds \$5,000, the City reserves the right, but is not obligated, to review and request a copy of Contractor's most recent annual report or audited financial statement.

A failure on the part of the Contractor to execute the Agreement and/or punctually deliver the required insurance certificates and other documentation may be cause for annulment of this Agreement.

Section 8. Audits. The Contractor shall establish and maintain a reasonable accounting system that enables the City to readily identify the Contractor's assets, expenses, costs of goods, and use of funds throughout the term of this Agreement for a period of at least seven (7) years following the date of final payment or completion of any required audit, whichever is later. Records shall include, but are not limited to, accounting records, written policies and procedures; subcontract files (including proposals of successful and unsuccessful bidders, bid recaps, etc.); all paid vouchers including those for out-of-pocket expenses; other reimbursements supported by invoices; ledgers; cancelled checks; deposit slips; bank statements; journals; original estimates; estimating work sheets; contract amendments and change order files; back charge logs and supporting documentation; insurance documents; payroll documents; timesheets; memoranda; and correspondence. The Contractor shall permit the City's authorized auditor or any authorized representative of the State, and where federal funds are involved, the Comptroller General of the United States, or any other authorized representative of the United States government, to access and examine, audit, excerpt, and to make copies of all books, documents, papers, electronic or optically stored and created records, or other records relating or pertaining to this Agreement kept by or under the control of the Contractor, including, but not limited to those kept by the Contractor, its employees, agents, assigns, successors, and subcontractors. Such records shall be made available to the City during normal business hours at the Contractor's office or place of business. The Contractor shall not impose a charge for audit or examination of the Contractor's books and records. If an audit discloses incorrect billings or improprieties, the City reserves the right to charge the Contractor for the cost of the audit and appropriate reimbursement. Any adjustments and/or payments that must be made as a result of any such audit or inspection of the Contractor's invoices and/or records shall be made within a reasonable amount of time (not to exceed ninety (90) days) from presentation of the City's findings to the Contractor. Evidence of criminal conduct will be turned over to the proper authorities.

The Contractor shall ensure the City has these rights under this Section 8 with Contractor's employees, agents, assigns, successors, and subcontractors, and the obligations of these rights shall be explicitly included in any subcontracts or agreements formed between the Contractor and any subcontractors to the extent that those subcontracts or agreements relate to fulfillment of the Contractor's obligations to the City.

Section 9. E-Verify.

In accordance with section 448.095, Florida Statutes, the Contractor agrees to comply with the following:

1. Contractor must register with and use the E-Verify system to verify the work authorization status of all new employees of the Contractor. Contractor must provide City with sufficient proof of compliance with this provision before beginning work under this Agreement.
2. If Contractor enters into a contract with a subcontractor, Contractor must require each and every subcontractor to provide the Contractor with an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien.

The Contractor shall maintain a copy of each and every such affidavit(s) for the duration of this Agreement and any renewals thereafter.

3. The City shall terminate this Agreement if it has a good faith belief that a person or an entity with which it is contracting has knowingly violated section 448.09(1), Florida Statutes.
4. Contractor shall immediately terminate any contract with any subcontractor if Contractor has, or develops, a good faith belief that the subcontractor has violated section 448.09(1), Florida Statutes. If City has or develops a good faith belief that any subcontractor of Contractor knowingly violated section 448.09(1), Florida Statutes, or any provision of section 448.095, Florida Statutes, the City shall promptly notify the Contractor and order the Contractor to immediately terminate the contract with the subcontractor.
5. The City shall terminate this Agreement for violation of any provision in this section. If the Agreement is terminated under this section, it is not a breach of contract and may not be considered as such. If the City terminates this Agreement under this section, the Contractor may not be awarded a public contract for at least one (1) year after the date on which the Agreement was terminated. A contractor is liable for any additional costs incurred by the City as a result of the termination of a contract.
6. The City, Contractor, or any subcontractor may file a cause of action with a circuit or county court to challenge a termination under section 448.095(5)(c), Florida Statutes, no later than twenty (20) calendar days after the date on which the Agreement was terminated. The parties agree that any such a cause of action shall be filed in accordance with the Venue provision as otherwise provided herein.

Section 10. Construction. The title of the section and paragraph headings in this Agreement are for reference only and shall not govern, suggest, or affect the interpretation of any of the terms or provisions within each section or this Agreement as a whole. The use of the term "including" in this Agreement shall be construed as "including, without limitation." Where specific examples are given to clarify a general statement, the specific language shall not be construed as limiting, modifying, restricting, or otherwise affecting the general statement. All singular words and terms shall also include the plural, and vice versa. Any gendered words or terms used shall include all genders. Where a rule, law, statute, or ordinance is referenced, it shall mean the rule, law, statute, or ordinance in place at the time the Agreement is executed, as well as may be amended from time to time, where application of the amended version is permitted by law.

The parties have participated jointly in the negotiation and drafting of this Agreement, and agree that both have been represented by counsel and/or had sufficient time to consult counsel, before entering into this Agreement. In the event an ambiguity, conflict, omission, or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties, and there shall be no presumption or burden of proof or persuasion based on which party drafted a provision of the Agreement.

Section 11. Non-Exclusivity. Contractor acknowledges and agrees that this Agreement is non-exclusive.

Section 12. Merger. This Agreement and the Contract sets forth the entire agreement between Contractor and City with respect to the subject matter of this Agreement. This Agreement supersedes all prior and contemporaneous negotiations, understandings, and agreements, written or oral, between the parties. This Agreement may not be modified except by the parties' mutual agreement set forth in writing and signed by the parties.

IN WITNESS WHEREOF, the parties are duly authorized to bind their respective entities hereto and have accepted, made, and executed this Agreement upon the terms and conditions above stated on the day and year entered below.
