

Port St. Lucie Police Department

MEMORANDUM

RICHARD R. DEL TORO, JR.
ACTING CHIEF OF POLICE

TO: Deputy Chief Marc Dimeo

FROM: Captain Mike Beath *MB 2/26*

DATE: March 11, 2024

SUBJECT: State of Florida Drone "Trade In" Program

JD

ADY
5/17/24

As you are aware, the State of Florida required our agency to cease utilizing specific manufactured drones. Our agency along with many other agencies in Florida were prohibited from flying DJI drones and forced to purchase new drones to keep drone operations going. The cost of the replacement drones were much more expensive and created budget burdens for many police agencies. To help, the State of Florida established a buyback program to offset the costs of new drones. The Port Saint Lucie Police Department qualifies for the program and has the opportunity to recover up to 100% of the purchase price. Here are the details of the program:

Prior to the implementation of the law, PSLPD Swat Techs flew five outdoor DJI Drones and six indoor DJI Mini Drones. The original purchase price of the entire fleet prior to the law going into effect was \$28,287.89. We also spent \$7,902.12 on supporting hardware and accessories such as batteries and propellers. The agency spent a total of \$36,190.01. To participate in the buy back, the drones must be delivered to the FDLE Tampa Office for inspection and appraisal. With the original purchase receipts the agency could recover up to 100% of the purchase value of our DJI fleet, \$28,287.89

After the drones are inspected, funds will then be issued to the agency for the appraised value in a check on-site. The agency will be required to purchase new drones with all of the awarded funds within 45 days and will require a vendor quote or purchase order to be attached to the documentation. We have identified two new drones to purchase once the funds are received.

The Program Details are listed below:

The Florida Legislature amended Section 934.50, Florida Statutes during the 2022 session. By July 1, 2022 governmental agencies using any drone not produced by an approved manufacturer must implement a plan to discontinue the use of the such drone by January 1, 2023. This grant provides funding for the Recipient to replace drones that are not in compliance with Rule 60GG-2.0075, Florida Administrative Code. The amount awarded to the Recipient will be based on the initial purchase price and total flight hours for the device, in accordance with the depreciation schedule

in **Appendix A**. The depreciation value is strictly based on the purchase price of the drone itself, and does not include any additional costs such as accessories, warranties, shipping costs, etc.

To be eligible for payment under this program, the unallowable drone must not be at end-of-life and must still be in working condition. In order to receive reimbursement for this program, drones which were purchased from companies who are not compliant with Rule 60GG-2.0075, Florida Administrative Code, must be relinquished to the Florida Department of Law Enforcement. In accordance with program guidelines established in the 2023 legislative session, relinquished, non-compliant drones will be provided to the Florida Center for Cybersecurity at the University of South Florida (USF) for analysis.

Recipient's Responsibility

The Recipient must prepare a Drone Certification Form (**Appendix B**) for the noncompliant drone(s) they are seeking replacement for. This form includes an attestation of the total flight hours, the noncompliant drone has not reached its end of life and is in working condition at the time it is relinquished.

The Recipient must submit documentation for the original purchase of the non-compliant drone, including but not limited to: purchase order, invoice, and cancelled check or bank statement.

The Recipient is responsible for relinquishing the noncompliant drone to the Florida Department of Law Enforcement to either Tallahassee Regional Operations Center or Tampa Bay Regional Operations Center. To facilitate this process, the Recipient must schedule an appointment with the below FDLE contact for the appropriate location for relinquishment of the noncompliant drone. The Recipient may request a cash advance to receive program funds and subsequently purchase the compliant drone. In order to qualify for this method of payment, the Recipient must provide a valid, executed purchase order and must be ready to order the compliant drone immediately upon the receipt of advanced funds. **The Recipient must provide documentation of purchase (invoice) and proof of payment (cancelled check, bank/card statement, etc.) within 45 days of receiving the advanced funds. Failure to provide documentation within 45 days will result in the Recipient being required to submit a refund to FDLE.**

I respectfully request that we participate in this worthwhile program. There is a timeframe for this program and once the money is gone, it is over. Many agencies are taking advantage of this, and the distribution site has been busy. Attached are the relinquish forms for our drones. If there are any questions, please feel free to contact me.

Standard Terms and Conditions

Axon Enterprise Inc. Sales Terms and Conditions

Axon Master Services and Purchasing Agreement:

This Quote is limited to and conditional upon your acceptance of the provisions set forth herein and Axon's Master Services and Purchasing Agreement (posted at <https://www.axon.com/sales-terms-and-conditions>), as well as the attached Statement of Work (SOW) for Axon Fleet and/or Axon Interview Room purchase, if applicable. In the event you and Axon have entered into a prior agreement to govern all future purchases, that agreement shall govern to the extent it includes the products and services being purchased and does not conflict with the Axon Customer Experience Improvement Program Appendix as described below.

ACEIP:

The Axon Customer Experience Improvement Program Appendix, which includes the sharing of de-identified segments of Agency Content with Axon to develop new products and improve your product experience (posted at www.axon.com/legal/sales-terms-and-conditions), is incorporated herein by reference. By signing below, you agree to the terms of the Axon Customer Experience Improvement Program.

Acceptance of Terms:

Any purchase order issued in response to this Quote is subject solely to the above referenced terms and conditions. By signing below, you represent that you are lawfully able to enter into contracts. If you are signing on behalf of an entity (including but not limited to the company, municipality, or government agency for whom you work), you represent to Axon that you have legal authority to bind that entity. If you do not have this authority, please do not sign this Quote.

**FY2023-24 State Financial Assistance
Drone Replacement Program
Compliant Drone Cash Advance Request (Option 2)**

Award #: _____

Request #: [Select] _____

Recipient: Port St Lucie Police Department, Ofc Martin Ghobrial

INSTRUCTIONS: Recipients are required to use the funds for the relinquished drones to purchase a drone that is in compliance with Rule 60GG-2.0075, Florida Administrative Code. In order to receive an advance for the relinquished drone, the Recipient must complete the following information for the compliant drone(s) to be purchased.

Manufacturer and Model	Quantity	Unit Price	Shipping/Tax	Purchase Order #	Total
SkyDio X10 with Axon Air and Accesories	2	\$ 24,947.40			\$ 49,894.80
					\$ 0.00
					\$ 0.00
					\$ 0.00
Total:					\$ 49,894.80

By signing below I certify the drones above are compliant with all provisions outline in Rule 60GG-2.0075, Florida Administrative Code.

I acknowledge my agency must provide proof of purchase documentation (invoice, cancelled check/card statements) for the drones above within 45 days from the receipt of the advanced funds. Failure to do so will result in a refund to FDLE in the amount of the approved cash advance.

I also certify the following documents are attached to document the purchase of each drone listed above:

- Valid, Current Purchase Order
- Vendor Quote

Chief Official Signature

Title

Date

******FDLE USE ONLY: This section is completed after Cash Advance is approved and paid******

Date Cash Advance Paid: _____ Deadline for Proof of Purchase (45 days): _____

The following documentation was provided by the Recipient on _____ to reconcile this cash advance:

- Invoice
- Proof of Payment (cancelled check, bank/card statement, etc.)

I certify the Recipient provided all documentation to reconcile their advanced funds for the Drone Replacement Program.
