Planner II

Request:

Roberto Urbina of URB Design Group, LLC., acting as agent for the property owner, Omega Baptist Church of Pentecost Inc., is requesting approval of the rezoning of approximately 1.16 acres from Institutional (I) to Professional (P) to be consistent with the City's Comprehensive Plan.

General Information:

Owners – Omega Baptist Church of Pentecost Inc.

Applicant – Roberto Urbina of URB Design Group, LLC

Location – 726 SW Port St. Lucie Blvd.

Existing Use – Single-family home on one lot and the other four lots are vacant.

Background:

The subject property is five formerly residential parcels located on the east side of Port St. Lucie Boulevard between the C-24 Canal and SW Aster Road that are located in Conversion Area 4.

Conversion Area 4 has an ROI land use designation, the parcels were rezoned to the Institutional Zoning District (I) in 2016 (OR 16-78).

In 2021, the City Council approved an amendment to the comprehensive plan that revised Policy 1.1.4.13 to remove the Institutional Zoning District as a compatible zoning designation with the ROI land use classification (P21-047).

As a result, the subject property's land use and zoning are not compatible. The applicant is applying to rezone the property to the Professional zoning designation for site development.

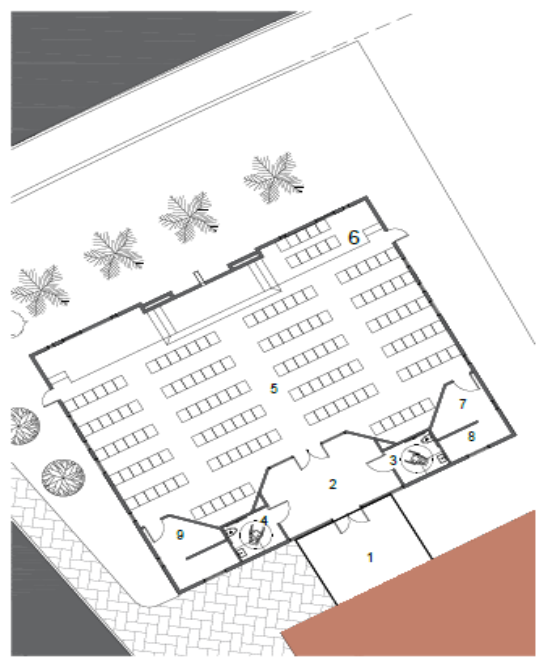

Associated Application

An application for site plan approval has been submitted for a proposed 6,950 square foot church consisting of an existing 2,950 sq. ft. building (existing house) and a proposed two story 4,000 sq. ft. attached building with a total of 52 parking spaces.

- There is an existing single-family residence located on lot 11.
- An application for a Special Exception Use (SEU) may be required if the assembly area is greater than 3,000 square feet.
- The applicant will be required to provide a tree survey as part of site plan review.
