This Waiver of Subrogation requirement shall not apply to any policy where a condition to the policy specifically prohibits such an endorsement, or voids coverage should Contractor enter into such a contract on a pre-loss basis.

Deductibles: All deductible amounts shall be paid for and be the responsibility of the Contractor for any and all claims under this Agreement. Where an SIR or deductible exceeds \$5,000, the City reserves the right, but is not obligated, to review and request a copy of the Contractor's most recent annual report or audited financial statement.

Such records shall be made available to the City during normal business hours at the Contractor's office or place of business. Evidence of criminal conduct will be turned over to the proper authorities.

The Contractor shall ensure the City has these rights with Contractor's employees, agents, assigns, successors, and subcontractors, and the obligations of these rights shall be explicitly included in any subcontracts or agreements formed between the Contractor and any subcontractors to the extent that those subcontracts or agreements relate to fulfillment of the Contractor's obligations to the City.

If the Agreement is terminated under this section, it is not a breach of contract and may not be considered as such. If the City terminates this Agreement under this section, the Contractor may not be awarded a public contract for at least one (1) year after the date on

which the Agreement was terminated. A contractor is liable for any additional costs incurred by the City as a result of the termination of a contract.
