Based on field reviews under my responsible charge, the project has been completed in substantial conformance with the approved plans and the City's Subdivision Regulations in effect on the date of plan approval. A final inspection was performed and passed with representation from the EOR and City present. The project has also been certified by SFWMD.

The Roadway improvements, per City Code, have been supplemented with Maintenance Bond No. SBP150790_025 which was provided to the City for review on February 3, 2025. All the original versions of the required documentation for project certification have been delivered to the Public Works Department.

Upon City Council acceptance of the Roadway, we also formally request the release of the Roadway's Performance Bond No. SUR0068926 in the amount of \$3,669,312.58. Please mail the bond to: Mattamy Palm Beach, LLC, Attn: Sam Nicho, 2500 Quantum Lakes Dr., Suite 215, Boynton Beach, FL 33246.
