

Gatlin Plaza Master Sign Program Amendment NO. 4

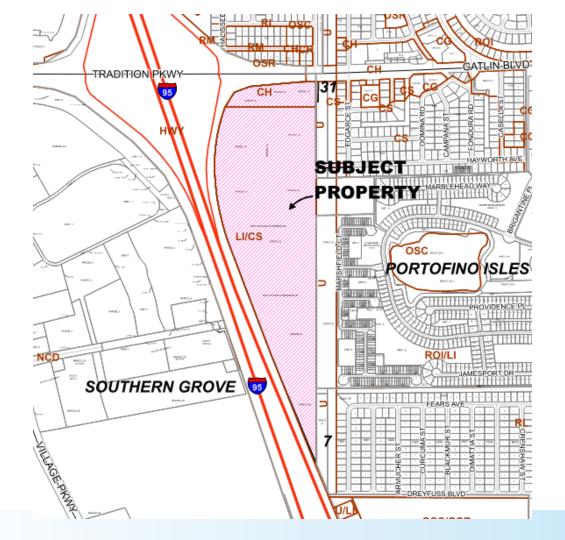

Planning and Zoning Board Meeting of November 4, 2025

Summary

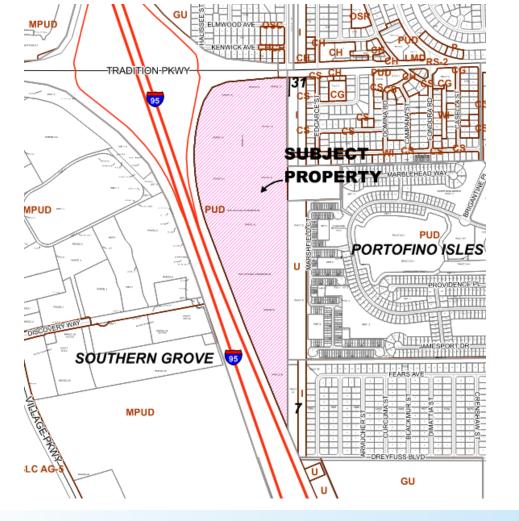

This is a request from Culpepper & Terpening, Inc. to amend the Master Sign Program for Gatlin Plaza.

The proposed changes are to increase the primary identification freestanding sign square footage, increase the required setback from property lines for freestanding signs, clarify the wall signage square footage allowances for each building, add an internal freestanding sign for BJs, and to remove irrelevant language.

Staff Recommendation

The Site Plan Review Committee recommended approval of the Master Sign Program Amendment at their meeting of July 23, 2025. Staff finds the proposed Master Sign Program to be consistent with the City's Land Development Regulations and requirements of Section 155.03(H) of the City Code and recommends approval.

Planning and Zoning Board Action Options:

- Motion to recommend approval to the City Council
- Motion to recommend approval to the City Council with conditions
- Motion to recommend denial to the City Council

Please note: Should the Board need further clarification or information from either the applicant and/or staff, it may exercise the right to *table* or *continue* the hearing or review to a future meeting.
