

CITY OF PORT ST. LUCIE
OFFICE OF THE CITY ATTORNEY

MEMORANDUM

TO: Diana Spriggs, P.E. – Regulatory Division Director, Public Works

FROM: Elizabeth L. Hertz, Esq. – Senior Deputy City Attorney *E.L.H*

DATE: January 31, 2024

SUBJECT: Becker Road West Phase 2 Extension (P23-072)
Review of Engineer’s Cost Estimate for Subdivision Bond
Subdivision Bond No. US00134777SU24A

The subdivision bond, Bond No.: US00134777SU24A (“Subdivision Bond”), was provided to this office by the Public Works Department, has been reviewed and is approved as to form and sufficiency. The Departments of Public Works, Utility Systems, and Planning and Zoning have reviewed the Engineer of Record’s (“EOR”) cost estimate for the required subdivision infrastructure at Becker Road West Phase 2 Extension (P23-072) and agree that it is a reasonable projection of costs for the required subdivision improvements.

The Public Works Department recommends a performance bond in the amount of \$1,644,221.63, as a surety for this plat and the costs of constructing/completing the required infrastructure improvements therein, which are detailed in the Becker Road West Phase 2 Extension construction plan. Consistent with Section 156.059 of the City’s Code of Ordinances, that recommended amount represents 120% of the costs for the required subdivision improvements. Accordingly, the principal has obtained the Subdivision Bond in said amount and presented same in sufficient form to the City. Please send the original bond documents to the City Clerk for record keeping.

Should you have any questions, please contact me at 772-871-5294.
