NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties do hereby agree as follows:

The following modifications to the Terms and Conditions contained in the Contract are hereby incorporated and made a part of that Contract.

1. Amendment #8 Scope of Work.

A. BACKGROUND

After the final design phase of the Nutrient Reduction Improvements, the City of Port St. Lucie ("City") requested to increase the scope of work to include an emergency generator receptacle and a manual transfer switch at the blower/electrical building. The City has also requested that the influent piping interfacing with the new 24" force main (FM) from offsite be modified as part of the project (2A). In addition, the City has requested the instrumentation communication system be changed. These modifications will be made as part of the 2A project.

For the Part 2C Advanced Wastewater Treatment portion of the project, a new precast concrete electrical building for the denitrification filters is being added. A task for other engineering services for additional work due to unforeseen assistance the City might request is also being added.

The City has requested CHA Consulting, Inc. ("CHA" or "Engineer") proceed with the modifications to the Nutrient Reduction Improvements (2A) and Advanced Wastewater Treatment (2C) documents and to include the requested changes to the documents for inclusion with Contract Documents and for submittal to the building department for building permit revisions.

B. SCOPE OF SERVICES

Engineer will assist the City in the implementation of the Westport WWTF Nutrient Reduction Improvements project (2A) modifications and the City's request to modify the plans and technical specifications. This Contract authorizes the Engineer to perform final design and construction phase services for the modifications.

Engineer will assist the City in the in the implementation of the Westport WWTF Advanced Wastewater Treatment Improvements project (2C) modifications and the City's request to provide additional plans, technical specifications, and technical information. This Contract authorizes the Engineer to perform final design services for inclusion of additional documents/information in the documents being prepared per Amendment 7.

PART 2 – FACILITY IMPROVEMENTS

The additional elements of the project include the following:

Part 2A Nutrient Reduction Improvements

Facility improvements will include the following:

- Emergency generator receptacle and manual transfer switch at the blower/electrical building.
- Modifications to influent piping to interface with 24" FM from offsite.
- Modifications to Instrumentation Communication System.

Part 2C Advanced Wastewater Treatment

Facility improvements will include the following:

- New precast concrete electrical building for denitrification filters.

E. SERVICES NOT INCLUDED

The following services may be required for the Project, but are not included in this authorization:

- Site plan approval for the new building.

F. CITY'S RESPONSIBILITY

In addition to the City's responsibilities pursuant to the Contract, the City will:

- None.

2. Contract Extension. No additional time is needed to allow for the new work identified above.

3. **E-VERIFY.** In accordance with section 448.095, the Contractor agrees to comply with the following:

- Contractor must register with and use the E-Verify system to verify the work authorization status of all new employees of the Contractor. Contractor must provide City with sufficient proof of compliance with this provision before beginning work under the Contract.
- If Contractor enters into a contract with a subcontractor, Contractor must require each and every subcontractor to provide the Contractor with an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized

alien. The Contractor shall maintain a copy of each and every such affidavit(s) for the duration of the Contract and any renewals thereafter.

- c. The City shall terminate the Contract if it has a good faith belief that a person or an entity with which it is contracting has knowingly violated section 448.09(1), Florida Statutes.
- d. Contractor shall immediately terminate any contract with any subcontractor if Contractor has, or develops, a good faith belief that the subcontractor has violated section 448.09(1), Florida Statutes. If City has or develops a good faith belief that any subcontractor of Contractor knowingly violated section 448.09(1), Florida Statutes, or any provision of section 448.095, Florida Statutes, the City shall promptly notify the Contractor and order the Contractor to immediately terminate the contract with the subcontractor.
- e. The City shall terminate the Contract for violation of any provision in this section. If the Contract is terminated under this section, it is not a breach of contract and may not be considered as such. If the City terminates the Contract under this section, the Contractor may not be awarded a public contract for a least one (1) year after the date on which the Contract was terminated. A contractor is liable for any additional costs incurred by the City as a result of the termination of a contract.
- f. The City, Contractor, or any subcontractor may file a cause of action with a circuit or county court to challenge a termination under section 448.095(5)(c), Florida Statutes, no later than twenty (20) calendar days after the date on which the Contract was terminated. The parties agree that any such cause of action must be filed in St. Lucie County, Florida, in accordance with the Venue provision in Section XX of the Contract.

4. DISCRIMINATORY, CONVICTED, AND ANTITRUST VIOLATOR VENDOR LISTS.

Contractor certifies that neither it nor any of its affiliates, as defined in the statutes below, have been placed on the discriminatory vendor list under section 287.134, Florida Statutes; the convicted vendor list under section 287.133, Florida Statutes; or the antitrust violator vendor list under section 287.137, Florida Statutes. Absent certain conditions under these statutes, neither contractors nor their affiliates, as defined in the statutes, who have been placed on such lists may submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity.

5. COOPERATION WITH INSPECTOR GENERAL. Pursuant to section 20.055, Florida Statutes, it is the duty of every state officer, employee, agency, special district, board, commission, contractor, and subcontractor to cooperate with the inspector general in any investigation, audit, inspection, review, or hearing pursuant to this section. Contractor understands and will comply with this statute.

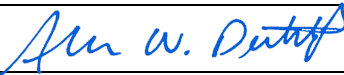

6. SUCCESSORS AND ASSIGNS. This Amendment #8 shall be binding upon and inure to the benefit of the successors and permitted assigns of the parties hereto.

7. ENTIRE AGREEMENT. Except as expressly modified by this Amendment #8, the Contract, including any written amendments thereto, shall be and remain in full force and effect in accordance with its terms and shall constitute the legal, valid, binding and enforceable obligations to the parties. This Amendment #8 and the Contract, including any written

amendments thereto, collectively, are the complete agreement of the parties and supersede any prior agreements or representations, whether oral or written, with respect thereto.

IN WITNESS WHEREOF, the parties have caused this Amendment #8 to be duly executed by their authorized representatives.
