<sup>1</sup>Impervious coverage is subject to upland preservation as required by land development regulations. 80% coverage may not always be possible if 25% of the site consists of native upland vegetation.

<sup>2</sup>Office/Com. Per LMD zoning allows up to 50% retail personal service related, or a maximum of 5,000 sf, in conjunction with other office uses.

<sup>3</sup>See the Objectives and Policies contained under Goal 1.2 for provisions related to the NCD – New Community Development District.

<sup>4</sup>Commercial districts allow for one dwelling unit for owner/manager through special exception public hearing process.

\*Within a PUD, greater than five acres, the maximum height permitted is 75 feet. All such height requests are contingent upon the approval of a master plan and elevation drawings which illustrate that the proposed height is compatible with the surrounding land uses. The applicant is required to provide adequate information to support the compatibility of the proposed taller structures with the surrounding land uses.

\*\*The maximum height for commercial, uses within a PUD located in the Port St. Lucie Community Redevelopment Area may be 120 feet or 10 stories, whichever is less. All such height requests are contingent upon the approval of a master plan and elevation drawings which illustrate that the proposed

height is compatible with the surrounding land uses. The applicant is required to provide adequate information to support the compatibility of the proposed taller structures with the surrounding land uses.

\*\*\*The 35 dwelling units per acre maximum density allowance and 150 foot maximum height limit are only permitted in the Regional Business Centers. The 150 foot maximum height shall also be permitted for hospital uses in Employment Centers.

\*\*\*\*The maximum building height may be increased to 65 feet for publicly owned or operated buildings or uses.
