Code Compliance Specialist Gregory Bender read the Case Presentation and Staff's recommendations into the record. He presented photos - of the subject property with a failed septic tank, posting of property, a hole in the pipe, pump truck, and raw sewage flowing in the yard - taken at time of the inspections. He stated the septic tank has not been fixed and was failed by the St. Lucie County Health Department. He indicated letters were sent from the Health Department to the owner of the property with no response.

The Deputy City Clerk swore in Respondent Leidy Tactuk, who explained the plumbing repairs were made, but they did not know they had to convert to City sewer. She asked for a 60-day extension to pull a permit and contact a vendor to connect to the City's service. Code Compliance Specialist Bender explained that Respondent Tactuk needs to contact Utilities to be put on the list for the City to pump out the septic tank until the City can install the sewer connection. Special Magistrate Pelletier granted a 60-day extension for the Respondent to come into compliance.

**#3. BENDER / CASE NO. 24-00235 / 1058 SW McCracken Ave**

Code Compliance Specialist Gregory Bender read the Case Presentation and Staff's recommendations into the record. He presented photos - of the subject property including the high grass and weeds, mildew, and missing patio screens - taken at time of the inspections.

The Deputy City Clerk swore in Respondent Steve Peters, who explained he needed more time to take care of the issues and requested a 30-day extension. Special Magistrate Pelletier granted a 30-day extension from today for the Respondent to come into compliance.

**#12. OWENS / CASE NO. 23-14938 / 9100 S US HIGHWAY 1**

The Deputy City Clerk swore in Respondent Steven Darby, who explained

the original site plan for the plaza has only one corral designated for the property. He requested a 90-day extension, as they are working with Code Enforcement and Site Plan Review. Special Magistrate Pelletier granted a 90-day extension for the Respondent to come into compliance.

**#14. DIAZ / CASE NO. 24-02643 / 2273 SW PHYLLIS LN**

Code Compliance Specialist Anastasia Diaz read the Case Presentation and Staff's recommendations into the record. She presented photos - of the subject property including the torn screens around the pool area, unsecured pool, and posting on the front door - taken at the time of the inspections.

The Deputy City Clerk swore in Respondent Joel Lopez, who explained the house was under contract to be sold on March 20, 2024, and he just received the notices. Aaron Biehl, Code Compliance Supervisor, stated this was a life/safety issue with an unsecured pool and recommended keeping the date certain.

Special Magistrate Pelletier stated the Respondent has until March 7, 2024, to secure the pool, otherwise the City is authorized to come in and secure it. Respondent Lopez reiterated that he just received the notices,

as he does not live at the subject property. He indicated the pool has no water in it, to which Code Compliance Supervisor Biehl requested access to the pool to verify same and the Respondent agreed.

Special Magistrate Pelletier, staff, and the Respondent discussed how the violations will affect the title of the property and how the violations will remain with the property and be passed on to the new owners. Respondent Lopez stated it was an "as is" offer. Special Magistrate Pelletier indicated the buyers should be made aware of the violations.

Special Magistrate Pelletier found Respondent Lopez in violation and stated the compliance date of 3/7/2024 remains. She stated if the City finds water in the pool, they have the right to go in and fix the situation under Chapter 162.08(5), F.S. She indicated the violation is \$50.00/day, up to a maximum of \$5,000.00, if not corrected, including the \$411.00.

Respondent Lopez inquired if he had to pay \$50.00/day until the closing of the property, to which Special Magistrate indicated it would have to be paid by him or the new owner. City Attorney Spencer Scott indicated that was true, unless the violations were fixed. Code Compliance Supervisor Biehl explained repairing the screens would fix both issues, as it would secure the pool as well.

## 10. Certification of Fines Cases

The Deputy City Clerk swore in Respondent Matthew Jackson, who explained he was heading to the Building Department after this hearing, to get a permit to remove the screen enclosure, as he does not have the funds to make repairs. He stated he will also have Code Compliance Specialist Bender come to the subject property today, so that he can indicate what needs to be trimmed in the yard. Respondent Matthew Jackson requested an extension of 30 days to remove the screen enclosure. Code Compliance Specialist Bender stated the City does not object to an extension, as the pool is secured with a fence. Special Magistrate Pelletier granted the Respondent 30 days to come into compliance.
