**SUMMARY**

Applicant's Request:	Amend the PUD (Planned Unit Development) document for Verano South Pod D.
Applicant:	Cotleur & Hearing / Daniel Sorrow
Property Owner:	Verano Development, LLC
Location:	This property is located within the Verano DRI (Development of Regional Impact), and is south of the C-24 Canal, east of Glades Cutoff Road, west of I-95, and north of Crosstown Parkway.
Project Planner:	Daniel Robinson, Planner III

**Project Description**

This is the fourth amendment to the Verano South Pod D PUD document. This is a request to amend the Planned Unit Development (PUD) document and concept plan for Verano South POD D to increase the acreage by approximately 72 acres, from 299 to 371 acres, and increase the permitted number of dwelling units from 702 to 1,040 units.

Analysis: The previous updates to Verano PUD 1 and Verano South Pods A, B, C, and E, have allowed for this PUD within the Verano DRI to unitize the full permitted number of dwelling units permitted as per the approved Development Order. The availability of the 375 units that were removed from the PUDs mentioned above allowed Pod D to expand and be within the regulations of the DRI allowances for the total number of dwelling units.

<i>PUD</i>	<i>Previous No. of permitted Units</i>	<i>Now Current Maximum Units</i>
