**ATTACHMENT 3-3  
REVISED GRANT WORK PLAN**

**PROJECT TITLE:** Westport Wastewater Treatment Facility, Nutrient Reduction Improvements

**PROJECT LOCATION:** The Project will be located in the City of Port St. Lucie within St. Lucie County; Lat/Long (27.2780, - 80.5391).

**PROJECT BACKGROUND:** This project addresses the problem of nutrients entering into the St. Lucie River. Nutrients that are released in the St. Lucie River contribute to the growth of algae and degradation of the water quality. Improvements at the Westport Wastewater Treatment Facility (WWTF) will reduce the amount of nitrogen and phosphorus that is used in reuse water that could enter the St. Lucie River, therefore providing a significant reduction of nutrients entering the river. Reducing these nutrients would benefit aquatic life and reduce health problems resulting from the polluted water.

**PROJECT DESCRIPTION:** The City of Port St. Lucie (Grantee) will construct improvements to the Westport WWTF to achieve the Advanced Wastewater Treatment requirement for an effluent quality of 3 mg/l Total Nitrogen and 1 mg/l Phosphorus.

The Grantee does not anticipate that the funding under this Agreement will result in a fully completed project, so this Agreement will cover a portion of the work.

All documentation should be submitted electronically unless otherwise indicated. Grantee will submit documentation, as applicable, for the work completed.

**Task 1: Westport Wastewater Treatment Facility, Nutrient Reduction Improvements**

The Grantee will complete the following under this Agreement to complete the Project:

**Construction**

**Deliverables:** The Grantee will construct an advanced wastewater treatment facility in accordance with the construction contract documents.

**Documentation:** The Grantee will submit: 1) a copy of the final design; 2) a signed summary of activities completed for the period of work covered in the payment request, using the format provided by the Department's Grant Manager. Upon request by the Department's Grant Manager, the Grantee will provide additional supporting documentation relating to this activity.

**Performance Standard:** The Department's Grant Manager will review the documentation to verify that the deliverables have been completed as described above. Upon review and written acceptance by the Department's Grant Manager, the Grantee may proceed with payment request submittal.

**Payment Request Schedule:** The Grantee may submit a payment request for cost reimbursement no more frequently than monthly.

**PROJECT TIMELINE & BUDGET DETAIL:** The activities must be completed by the corresponding activity end date. Cost reimbursable grant funding must not exceed the budget amounts as indicated below. Match funding shall be provided at minimum in the amount indicated below.

For any activity listed in the Task with a Budget Category of Contractual Services, the Grantee shall submit a copy of the executed subcontract to the Department prior to submitting any invoices for subcontracted work.

Grant funding is, in part or whole, Federal American Rescue Plan Act (State and Local Fiscal Recovery Funds) funding from the United States Department of the Treasury. A final payment request for any Federal American Rescue Plan Act funding in this Agreement shall be submitted to the Department no later than September 30, 2026, to ensure the availability of funds and adequate time to process payment requests. Any payment requests not submitted with correct and complete forms and supporting documentation by September 30, 2026, are at risk of not being paid. If the Agreement or Task End Date were to be extended at any time, this payment request deadline shall still apply.

Funds must be fully expended and reimbursed to Grantee no later than December 31, 2026, the funds will no longer be available after that date.

(State and Federal Financial Assistance)**

**Attachment 5-1**

The administration of resources awarded by the Department of Environmental Protection (*which may be referred to as the "Department", "DEP", "FDEP" or "Grantor", or other name in the agreement*) to the recipient (*which may be referred to as the "Recipient", "Grantee" or other name in the agreement*) may be subject to audits and/or monitoring by the Department of Environmental Protection, as described in this attachment.

**MONITORING**

In addition to reviews of audits conducted in accordance with 2 CFR Part 200, Subpart F-Audit Requirements, and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by DEP Department staff, limited scope audits as defined by 2 CFR 200.425, or other procedures. By entering into this Agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of Environmental Protection. In the event the Department of Environmental Protection determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

**AUDITS**

**PART I: FEDERALLY FUNDED**

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in 2 CFR §200.330

1. A recipient that expends \$1,000,000 or more in Federal awards in its fiscal year, must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR Part 200, Subpart F. EXHIBIT 1 to this Attachment indicates Federal funds awarded through the Department of Environmental Protection by this Agreement. In determining the federal awards expended in its fiscal year, the recipient shall consider all sources of federal awards, including federal resources received from the Department of Environmental Protection. The determination of amounts of federal awards expended should be in accordance with the guidelines established in 2 CFR 200.502-503. An audit of the recipient conducted by the Auditor General in accordance with the provisions of 2 CFR Part 200.514 will meet the requirements of this part.
2. For the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR 200.508-512.
3. A recipient that expends less than \$1,000,000 in federal awards in its fiscal year is not required to have an audit conducted in accordance with the provisions of 2 CFR Part 200, Subpart F-Audit Requirements. If the recipient expends less than \$1,000,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F-Audit Requirements, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from other federal entities).
4. The recipient may access information regarding the Catalog of Federal Domestic Assistance (CFDA) via the internet at <https://sam.gov/content/assistance-listings>.

## PART II: STATE FUNDED

This part is applicable if the recipient is a nonstate entity as defined by Section 215.97(2), Florida Statutes.

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of \$750,000 in any fiscal year of such recipient (for fiscal years ending June 30, 2017, and thereafter), the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, F.S.; Rule Chapter 69I-5, F.A.C., State Financial Assistance; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this form lists the state financial assistance awarded through the Department of Environmental Protection by this agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of Environmental Protection, other state agencies, and other nonstate entities. State financial assistance does not include federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.
2. In connection with the audit requirements addressed in Part II, paragraph 1; the recipient shall ensure that the audit complies with the requirements of Section 215.97(8), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.
3. If the recipient expends less than \$750,000 in state financial assistance in its fiscal year (for fiscal year ending June 30, 2017, and thereafter), an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than \$750,000 in state financial assistance in its fiscal year, and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).
4. For information regarding the Florida Catalog of State Financial Assistance (CSFA), a recipient should access the Florida Single Audit Act website located at <https://apps.fldfs.com/fsaa> for assistance. In addition to the above websites, the following websites may be accessed for information: Legislature's Website at <http://www.leg.state.fl.us/Welcome/index.cfm>, State of Florida's website at <http://www.myflorida.com/>, Department of Financial Services' Website at <http://www.fldfs.com/> and the Auditor General's Website at <http://www.myflorida.com/audgen/>.

## PART III: OTHER AUDIT REQUIREMENTS

*(NOTE: This part would be used to specify any additional audit requirements imposed by the State awarding entity that are solely a matter of that State awarding entity's policy (i.e., the audit is not required by Federal or State laws and is not in conflict with other Federal or State audit requirements). Pursuant to Section 215.97(8), Florida Statutes, State agencies may conduct or arrange for audits of State financial assistance that are in addition to audits conducted in accordance with Section 215.97, Florida Statutes. In such an event, the State awarding agency must arrange for funding the full cost of such additional audits.)*
