DESIGN CERTIFICATION

I, *Brandon Ulmer, PE*, a Professional Engineer duly registered and in good standing with the State of Florida hereby certify to the Verano Community Development District #2-5 (Verano CCD) that the design of the traffic control and pavement markings for the *Verano Community Development District #2-5 (Phases complete as of this letter)* were performed under my direct supervision and control, and to the best of my professional knowledge and belief complies with the applicable Laws of the State of Florida and the applicable regulations and ordinances of the City of Port St. Lucie, Florida, and further meets the Design Standards as set forth in the 2009 U.S. DOT FHWA *Manual of Uniform Traffic Control Devices (MUTCD)*, Revision 2, (2012), except as may be noted herein. Evidence of acceptance by the City of Port St. Lucie to any such deviation prior to its installation is attached hereto and made a part hereof.

Specifically included in this certification, I hereby attest that the placement of any pavement markings and/or traffic control devices meet the requirements of the MUTCD with regard to number, size, colors, shape, installed heights and locations specified in the MUTCD and additionally meet and/or maintain any additional site specific pedestrian access, roadway clear zone requirements and visible site triangles. I further certify that the number and locations thereof, are consistent with, and in accordance with the plans and specifications for the project approved by the City of Port St. Lucie, the drawings for which are referenced and attached hereto. All local streets are assumed 25 mph, all access points have been signed accordingly.

Deviations to the design standards contained in the MUTCD include:

1. None

This design was done using standard engineering design and practices and there is reasonable assurance, in my professional judgment, when properly constructed, maintained, and operated will perform all functions for which it is intended. I therefore affix my seal this 6th day of February 2026.

Sincerely,

Brandon Ulmer, PE
