If a mutually beneficial agreement with the bidder offering the lowest cost and who is deemed responsible and responsive cannot be resolved, The Board, through its designee(s), reserves the right to enter into negotiations with the next bidder offering the lowest cost and who is deemed responsible and responsive until an agreement is reached to meet the needs of the District. No premiums, rebates or gratuities are permitted either with, prior to, or after any delivery of materials. Any such violation will result in the cancellation and/or return of materials (as applicable) and the removal of the bidder from all bid lists for the School Board of Palm Beach County, Florida.
3. **BIDS:** Bids will be received electronically through a secure site at BidSync.com until the date and time as indicated in this bid document. Bids will be opened publicly at the School District of Palm Beach County, Purchasing Department, 3300 Forest Hill Boulevard, Suite A-323, West Palm Beach, FL 33406-5813, and all bidders and general public are invited to attend. The Invitation to Bid and the corresponding purchase order(s) will constitute the complete agreement between the successful bidder and the Board. Unless otherwise stipulated in the bid documents or agreed to in writing by both parties, no other contract documents shall be issued or accepted.
5. **WITHDRAWAL:** When a bidder wishes to withdraw a bid, a written request shall be submitted to the Director of Purchasing and the request will be reviewed for consideration. 7. **FUNDING OUT/ CANCELLATION OR TERMINATION WITH OR WITHOUT CAUSE:**

The School Board will only be required to pay to the Bidder that amount of the Contract actually satisfactorily performed to the date of termination. The Bidder shall not be entitled under any theory to payment for work not actually performed or lost profits.
 - B. If the Bidder materially breaches its obligations under this Contract, the Superintendent will provide written notice of the deficiency by forwarding a notice citing the specific nature of the material breach. The Bidder shall have thirty (30) days to cure the breach. If the Bidder fails to cure the breach within the thirty (30) day period, the Superintendent shall issue a Notice of Termination for Default. Once the Superintendent has notified the Bidder that it has materially breached its Contract with the School Board, the Superintendent shall recommend to the School Board that it terminates the Contract for Cause. The Bidder shall have the option to terminate the Contract upon written notice to the Director of Purchasing. Such notice must be received at least sixty (60) days prior to the effective date of termination. Lack of knowledge by the bidder will in no way be a cause for relief from responsibility.

In addition, if applicable, vendor compliance is required for the following: Clean Air Act (42 U.S.C. §§ 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. §§ 1251-1387). Violations must be reported to FEMA and the Regional Office of the Environmental Protection Agency. See 2 C.F.R. Part 200, Appendix II 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, as amended.

34. **FEMA SPECIAL CONDITIONS:** Funding for this Agreement and the individual POs may be provided in whole or in part by one or more U.S. Government funding agencies. CONTRACTOR may need to respond to events and losses where products and services are needed for the immediate and initial response to emergency situations such as, but not limited to, water damage, fire damage, vandalism cleanup, biohazard cleanup, sewage decontamination, deodorization, and/or wind damage during a disaster or other emergency situation. During the performance of this

Contract, CONTRACTOR accepts these Special Conditions required by the Federal Emergency Management Agency (FEMA).

A. Contract Remedies

Contracts for more than the federal simplified acquisition threshold (SAT), the dollar amount below which an NFE may purchase property or services using small purchase methods, currently set at \$250,000 for procurements made on or after June 20, 2018, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms and must provide for sanctions and penalties as appropriate.

1.1 Applicability

This contract provision is required for contracts over the SAT, currently set at \$250,000 for procurements made on or after June 20, 2018. Although not required for contracts at or below the SAT, FEMA suggests including a remedies provision.

1.2 Additional Considerations

For FEMA's Assistance to Firefighters Grant (AFG) Program, recipients must include a penalty clause in all contracts for any AFG-funded vehicle, regardless of dollar amount. In that situation, the contract must include a clause addressing that non-delivery by the contract's specified date or other vendor nonperformance will require a penalty of no less than \$100 per day until such time that the vehicle, compliant with the terms of the contract, has been accepted by the recipient. This penalty clause should, however, account for force majeure or acts of God. AFG recipients should refer to the applicable year's Notice of Funding Opportunity (NOFO) for additional information, which can be accessed at FEMA.gov.

B. Termination for Cause and Convenience

Contracts for more than \$10,000 must address termination for cause and for convenience by the non-federal entity, including how it will be carried out and the basis for settlement.

2.1 - Applicability

This contract provision is required for procurements exceeding \$10,000. FEMA suggests including a termination for cause and for convenience in all contracts even when not required.

C. Equal Employment Opportunity (if applicable)

1. CONTRACTOR will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. CONTRACTOR will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. CONTRACTOR agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this Nondiscrimination clause.
2. CONTRACTOR will, in all solicitations or advertisements for employees placed by or on behalf of CONTRACTOR, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
3. CONTRACTOR will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to

instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the CONTRACTOR's legal duty to furnish information.

4. CONTRACTOR will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of CONTRACTOR's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
5. CONTRACTOR will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
6. CONTRACTOR will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
7. In the event of CONTRACTOR's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and CONTRACTOR may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
8. CONTRACTOR will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or CONTRACTOR. CONTRACTOR will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance.

Provided, however, that in the event a CONTRACTOR becomes involved in, or is threatened with, litigation with a subcontractor or CONTRACTOR as a result of such direction by the administering agency, CONTRACTOR may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal Opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: *Provided*, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of CONTRACTORS and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such

compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a CONTRACTOR debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon CONTRACTORS and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

F. Compliance with the Contract Work Hours and Safety Standards Act (if applicable)

1. *Overtime requirements.* No CONTRACTOR or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty (40) hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

Whenever two or more responses are equal with regard to price, quality, and service, a bid received from a business that certifies that it has implemented a Drug Free Work Place program shall be given preference in the award process. In the event both vendors have a Drug Free Work Place program, preference shall be awarded to the vendor who is certified as an SBE certified vendor with the School District. If both vendors meet all three requirements, according to standard purchasing practice, the tie will be resolved by a coin toss. The vendor whose company's name comes first in the alphabet will be assigned "heads" and the second vendor will be assigned "tails". The coin will be tossed a minimum of three times. The vendor whose side of the coin selected wins two out of three times will be the named as the first ranked proposer and recommended for award. In the event of a 3-way (or more) tie, the vendor's company name will be chosen in a drawing.
50. **INTERPRETATIONS:** Neither PeriscopeS2G nor any employee of the District is authorized to interpret any portion of the Invitation to Bid or give information as to the requirements of the bid in addition to that contained in the written bid document. Interpretations of the bid or additional

information as to its requirements, where necessary, shall be communicated to bidders by written addendum.

51. **SPECIAL CONDITIONS:** To the extent that any conflict exists between the provisions of the General Conditions, the Special Conditions, and bidder's proposal, the order of precedence to resolve a conflict shall apply: 1) the Special Conditions, 2) the General Conditions, and all exhibits thereto, including any addenda, 3) Contractor's response to the ITB, including any appendix and exhibits.
52. **DISPUTE RESOLUTION:** As a condition precedent to a party bringing any suit for breach of contract related to this bid, that party must first notify the other party in writing of the nature of the purported breach and seek in good faith to resolve the dispute through negotiation. If the parties cannot resolve the dispute through negotiation, they may agree to a mutually acceptable method of non-binding alternative dispute resolution with a qualified third party acceptable to both parties. The existence of a dispute shall not excuse the parties from performance pursuant to this bid. This remedy is supplemental to any other remedies available at law.
53. **WAIVER PROVISION:** The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this bid and, therefore, is a material term hereof. Any party's failure to enforce any provision of this bid shall not be deemed a waiver of such provision or modification of this bid. A waiver of any breach of a provision of this bid shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this bid.
54. **Trade Secrets: Upon receipt, all submittals become Public Records and shall be subject to public disclosure consistent with Chapter 119, Florida Statutes.**

By submitting its bid, Bidder understands and waives any claim of confidentiality, including trade secrets, to its pricing and/or cost of service related submittals.

Any Bidder that intends to assert that certain materials are exempt from public disclosure under Chapter 119, Florida Statutes must submit the documents in a separate bound document or file labeled "Name of Firm, Attachment to Proposal Package. Bid# - Confidential Matter." In addition, the firm must identify the specific statute that authorizes the exemption from Chapter 119, Florida Statutes. CD or DVDs included in a submittal must also comply with this requirement and the firm must separate any CD or DVDs claimed to be confidential.

Any claim of confidentiality on materials that the Proposer asserts to be exempt and placed elsewhere in the submittal will be considered waived by the Proposer upon submission, upon opening.

The School District will provide Proposer with prompt notice by phone and/or email of any request for public records in which that Proposer has claimed an exemption information being a Trade Secret so that the Proposer may see, at its sole expense, an appropriate protective order from a court of competent jurisdiction. In the event the Proposer elects not to seek an appropriate protective order or is unable to obtain such an order within no later than ten (10) business days following receipt of notice, the Proposer agrees and consents that the School District shall be permitted to respond to the public records request with the response not being deemed a breach by the School Board of its obligations under the Agreement or the Florida Statutes governing Trade Secret exemptions. The Proposer would then be waiving any rights relating to Trade Secrets under Florida Law. Proposer agrees to defend, indemnify, and hold harmless the School District and School Board and the School District's officers, employees, School Board members, and agents, against any loss, damages, judgements, attorneys' fees or cost incurred by School Board as a result of the School District's providing the records in response to the public records request or withholding them based on Proposer's assertion of the Trade Secret exemption.

The indemnification provisions survive the School Board's award of the contract and remain as long as the trade secret data is in the possession of the School Board.

Contract/Agreement Addendum Concerning Student Information

ADDENDUM, Concerning Student Information, to the Contract/Agreement ("the Contract") dated, _____
between the school (*named below*) or The School Board of Palm Beach County, Florida (*named below*) and Vendor/Partner (*named below*).

School or School Board _____

Vendor or Partner _____

Pursuant to School Board Policy 5.50, receipt of which is acknowledged by the Vendor's/Partner's signature below, the School Board of Palm Beach County, Florida (the "School Board") hereby designates [vendor/partner] ("the Receiving Party") as an "other school official" for the purpose of receiving limited personally identifiable information from education records of students under the Family Education Rights and Privacy Act (20 U.S.C. s. 1232g) and 34 C.F.R. s. 99.31(a)(1)(i)(B), and sections 1002.22 and 1002.221, Florida Statutes and FL SBE Rule 6A-1.0955 and, where applicable, Rule 6A-1.09550, because the School Board recognizes the Receiving Party has a legitimate educational interest in receiving this information in order to fulfill the Receiving Party's responsibilities for the school or School Board under the Contract. (All other terms of the Contract remain the same.)

As a condition precedent to receiving personally identifiable information from education records of students, the Receiving Party warrants and agrees that the Receiving Party:

- will limit the use of, or access to, personally identifiable information from education records of students to the limited scope of information actually needed to complete the Receiving Party's duties and/or services under the Contract. The School Board has determined that the Receiving Party has a legitimate educational interest in receiving only the following fields of student data, for example: name, grade-level, school attending, etc. (indicate fields of data requesting below); and
- will limit the access to personally identifiable information from education records of students to its employees and/or agents who actually have a legitimate educational interest in the information (i.e., they legitimately need to access the information in order to fulfill the Receiving Party's responsibilities under the Contract); and
- shall avoid, and shall instruct applicable employees/agents to avoid, accessing personally identifiable information from education records of students, except for the legitimate purposes recognized under this Addendum, and shall require that all employees/agents accessing the data must be trained in, and sign an acknowledgement regarding, the confidentiality requirements; and
- is under the direct control of the School Board with respect to the use and maintenance of education records; and
- is subject to the requirements of 34 C.F.R. s. 99.33(a) governing the use and redisclosure of personally identifiable information from an education record of a student, meaning the Receiving Party may disclose personally identifiable information from an education record only on the condition that the party to whom the information is disclosed will not disclose the information to any other party without the prior consent of the parent or eligible student as those terms are defined in 34 C.F.R. s. 99.3, and the officers, employees, and agents of a party that receives information from the Receiving Party may use the information, subject to the limitations described in paragraph 2 above, but only for the purposes for which the disclosure was made; and
- shall comply with the requirements of the Family Educational Rights and Privacy Act (FERPA), its implementing regulations, Section 1002.22, Florida Statutes, the Protection of Pupil Rights Amendment (PPRA), the Student Online Personal Information Protection Act, Section 1006.1494, Florida Statutes, and the Children's Online Privacy Protection Act (COPPA), 15 USC ss 6501-6506, and its implementing regulations, and shall not use any of the personally identifiable information from education records of students that is received pursuant to this Addendum in violation of any applicable federal or state law, rule, regulation, or School Board policy. The personally identifiable information must not be used for any other purpose other than the purposes outlined in the Contract/Agreement. Data mining or scanning of user content for the purpose of advertising or marketing to students or their parents is prohibited. The Receiving Party must not share or sell a student's personally identifiable student information for commercial purposes without providing parents a means to consent or disapprove; and
- will store and process personally identifiable information from education records of students in accordance with industry best practices. This includes appropriate administrative, physical, and technical safeguards to secure personally identifiable information from unauthorized access, disclosure, and use. Receiving Party will conduct periodic risk assessments and remediate any identified security vulnerabilities in a timely manner. Receiving Party will also have a written incident response plan, to include prompt notification of the School Board in the event of a security or privacy incident, as well as best practices for responding to a breach of personally identifiable information. Receiving Party agrees to share its incident response plan with the School Board upon request. The Receiving Party must maintain and revise its incident response plan to ensure that it is in a ready state at all times; and

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and

- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Future developments. Information about developments affecting Form W-9 (such as legislation enacted after we release it) is at www.irs.gov/fw9.

Purpose of

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)

- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See [What is backup withholding?](#) on page 2.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See [What is FATCA reporting?](#) on page 2 for further information.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business.

Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exemption contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),

3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code* on page 3 and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships* above.

What is FATCA reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code* on page 3 and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account, list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note. ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C Corporation, or S Corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2. "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box in line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box in line 3.

Limited Liability Company (LLC). If the name on line 1 is an LLC treated as a partnership for U.S. federal tax purposes, check the "Limited Liability Company" box and enter "P" in the space provided. If the LLC has filed Form 8832 or 2553 to be taxed as a corporation, check the "Limited Liability Company" box and in the space provided enter "C" for C corporation or "S" for S corporation. If it is a single-member LLC that is a disregarded entity, do not check the "Limited Liability Company" box; instead check the first box in line 3 "Individual/sole proprietor or single-member LLC."

Line 4, Exemptions

If you are exempt from backup withholding and/or FATCA reporting, enter in the appropriate space in line 4 any code(s) that may apply to you.

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

Note. You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited Liability Company (LLC)* on this page), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, or 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code* earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. **Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.** You must give your correct TIN, but you do not have to sign the certification.
2. **Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983.** You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.
3. **Real estate transactions.** You must sign the certification. You may cross out item 2 of the certification.
4. **Other payments.** You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).
5. **Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions.** You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Publication 4535, Identity Theft Prevention and Victim Assistance.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@uce.gov or contact them at www.ftc.gov/idtheft or 1-877-IDTHEFT (1-877-438-4338).

Visit IRS.gov to learn more about identity theft and how to reduce your risk.
