Dear Russ,

It's an exciting time for the City of Port St. Lucie, and the entire state of Florida. We are so fortunate to continue down a path of growth and prosperity. Congratulations, and thank you for keeping our city safe as well as beautiful.

The 14th Annual Treasure Coast Business Summit will be held on Thursday, October 20th, 2022 at the MidFlorida Event Center, and as you know, is the premier business community event on the Treasure Coast. The TCBS is a one-day unique event offering innovative ideas for growth, business-to-business networking, and enterprising small group learning breakout sessions facilitated by national and local business leaders. Its purpose serves to cultivate business-to-business connections at the expo with educational opportunities at the summit simultaneously. Additionally, we will be hosting the State of the City address during the lunch hour in combination with the St. Lucie County Chamber of Commerce.

Thank you to the City of Port St. Lucie for proudly sponsoring and endorsing this important business community event for the past 13 years. We kindly ask that the City of Port St Lucie continue its endorsement of this event by way of the use of the city logo on advertising materials, city official presence at the event, and partnership with the city's communication department for advertising opportunities leading up to the event. We would like this item to be placed on the city council's July 11, 2022 agenda requesting permission of such.

Thank you in advance for your consideration and we look forward to working with the great City of Port St. Lucie again this year.

Sincerely,

Lynette Marraffa & Dana Trabulsy
