Re: LTC Ranch DRI

Dear Ms. Henderson,

Thank you for your letter of February 16, 1995 (copy attached) regarding availability of water and wastewater capacity for the referenced development. As we discussed with you and Mr. Glaubitz of BSE Consultants, Inc., this utility will provide service to the proposed project pursuant to our interlocal agreement with St. Lucie County, in accordance with ordinance no. 94-95 (utility service availability and extension rules) and upon execution of a Developer Service Agreement. However, we will respond to your questions, numbered one (1) through five (5) as accurately as possible based on your projected phasing schedule, present available capacity, existing capacity reservations, scheduled plant expansions and future capacity consumption based on historical connection rates.

Water Facilities - Response to Question No. 1:

<u>Phase</u>	<u>Time</u>	<u>(1) Projected Excess Capacity MGD</u>
I	1995	1.036
-	1996 (2)	2.873
II	2001	2.173
III	2006	1.423

(1) See Exhibit "A" to MOU - Attached

(2) Water plant expansion to 8.0 MGD 4/96 and assuming connection rate of 50 ERC'S/month at 250 GPD.

Water Facilities - Response to Question No. 2:

The above projected excess capacity includes reserved capacity as of February 1, 1995. No projected capacity reservations are included. Please see Exhibit "A" to MOU - Attached.

"KEEP PORT ST. LUCIE BEAUTIFUL"

Water Facilities - Response to Question No. 3:

The utility confirms receipt of the proposed project water demand and supply exhibits contained in the DRI application.

Water Facilities - Response To Question No. 4:

Provisions for providing capacity for the proposed project if not available at the time the project requests capacity will be addressed in a Developer Service Agreement. Several options are available, i.e., the utility charges for water treatment facilities expansion or the project constructs a water treatment facility on-site and donates the facilities to the utility. Typical costs for new lime softening facility expansion is in the range of \$ 1.50 to \$ 1.75 per gallon and for new construction is in the range of \$ 1.50 per gallon.

Wastewater Facilities - Response to Question No. 1:

Wastewater service can be provided by the Northport WWTP or by construction of a wastewater facility on the project site. The permitted capacity of the NPWWTP is 1.000 MGD and the 12 month average day flow is 0.700 MGD. The present available capacity is 0.300 MGD. No capacity reservations presently exist. Projected excess capacity is not identified at this time for each phase, however excess capacity can be addressed in a Developer Service Agreement.

Wastewater Facilities - Response to Question No. 2:

No commitments presently exist for wastewater capacity at the NPWWTP.

Wastewater Facilities - Response to Question No. 3:

The utility confirms receipt of the proposed project wastewater flows and exhibits contained in the DRI application.

Wastewater Facilities - Response to Question No. 4:

Provisions for providing capacity for the proposed project if not available at the time the project requests capacity will be addressed in a Developer Service Agreement. Several options are available, i.e., the utility charges for wastewater treatment facilities expansion or the project constructs a wastewater treatment facility on-site and donates facilities to the utility. Typical costs for the wastewater facility expansion is in the range of \$ 2.50 to \$ 3.00 per gallon and for new construction is the range of \$ 2.25 to \$ 2.50 per gallon.

Hopefully this information will provide the necessary documentation that the Port St. Lucie Utility Systems Department can and will

provide the water and wastewater service to your proposed project  
at such time as service is requested.

Sincerely,

Samuel T. Emerson, P.E.  
Utilities Engineer

**Conversion Rates Based Upon Resultant PM Peak Hour Trip Rates**

Land Use		SF	MF	GO	IP	WH	SC
	↓ Trip Rate per DU or per KSF →	0.64	0.34	0.71	0.29	0.14	1.15
Single Family Detached	0.64	1.00	1.88	0.90	2.21	4.57	0.56
Multi-Family Housing	0.34	0.53	1.00	0.48	1.17	2.43	0.30

Note: GO, IP, WH and SC are per 1000 SF

**To Add a land use located the use you want to add along the Y axis then locate the use to remove along the x axis, multiply by the number in the intersecting cell:**

- If the applicant wishes to add units they would multiply that intensity by the conversion rate for the land use they would need to remove.

Ex: If you want to add 100 Du's of SF, and remove units from multi-family, you would multiply the 100 new DU's by 1.88, the conversion rate for SF:MF.  $100 * 1.88 = 188$ . Therefore 188 DU's would need to be removed from MF.

- If the applicant wanted to add 12,000 square feet of of shopping center and wanted to know how much to reduce the Industrial Park you would: calculate  $12,000 * 3.97 = 47,647$  square feet.

If the applicant wants to add 30,000 SF of Industrial Park they could remove 12,300 SF of GO general office space ( $30000 * 0.41$ )

**To Subtract/ reduce a use:**

**Start with the use along the x axis and locate the use to add along the y, divide by the number in the intersecting cell.**

- If the applicant has 200,000 square feet of warehouse to remove, how many multifamily units can be added?

Divide 200,000 square feet by 2.43 = 82.34 or 82 MFDUs

If the applicant wants to remove 50,000 SF of industrial and see how many dwelling units of MF it could replace it with, divide 50 by 1.17 = 42.7 or 42 dus.

The Owner shall deliver the signed original letter of credit to the City (or directly to the County if so directed in writing by the City) within thirty (30) days after the City approves this Agreement. The City reserves the right to assign the letter of credit to the County. City hereby acknowledges receipt of Two Hundred Fifty Thousand Dollars (\$250,000.00) on or about March 13, 2003. The balance, One Million Seven Hundred Fifty Thousand Dollars (\$1,750,000.00) is due and payable within three (3) days after City's acceptance of this Agreement.~~

~~The first quarterly payment of \$250,000.00 shall be due and payable on or before the earlier to occur of: April 1, 2003, or within 30 days after the construction contract for the Project has been executed. Future payments shall be made as provided in the schedule attached hereto as Exhibit "B." In the event the Owner shall fail to make any payment when due, the Owner shall have the right to cure such failure by the payment of said amount to the City within ten (10) days following receipt of written notice of such failure by the Owner from the City, as provided herein below.~~

2. Vesting. In consideration of all the payments to be made by the Owner as set forth herein, the City agrees and hereby acknowledges that the entire LTC Ranch DRI is and shall be vested in perpetuity for purposes of transportation concurrency as set forth herein and shall not have any further obligation for any traffic or transportation impacts (including but not limited to off-site improvements or contribution for any road improvements) east of I-95, with the exception of the Owner's proportionate share of the intersection (including signalization) improvements, if warranted, for the north bound entrance ramp at the intersection of I-95 and Midway Road, and the Owner shall be permitted to develop the

property as permitted on the date of execution of this Agreement to the full extent permitted by the Development Order. The foregoing shall not be interpreted to exempt the Owner from the payment of applicable transportation impact fees. ~~The failure to timely make the payments provided for herein, after notice and grace period provided above, shall be a default hereunder and a termination of the vesting determination.~~

3. Whole Understanding. This Agreement embodies the whole understanding of the parties. There are no promises, terms, conditions or obligations other than those contained herein; and this Agreement shall supersede all previous communications, representations, or agreements, either verbal or written, between the parties hereto.
4. Amendments. The Agreement may only be amended by a written document signed by both parties and filed with the Clerk of the Circuit Court of St. Lucie County, Florida.
5. Filing; Effectiveness. This Agreement shall be filed with the Clerk of the Circuit Court of St. Lucie County, Florida, prior to its effectiveness.
6. Reliance. Owner is permitted to rely hereon in proceeding with the development of the Property.
7. DRI Condition. Owner agrees to seek an amendment to the existing Development Order for the LTC Ranch DRI to conform to the provisions hereof.
8. Successors and Assigns. This Agreement shall be binding on the successors and assigns of the parties hereto.

**INTERLOCAL AGREEMENT  
MIDWAY ROAD IMPROVEMENT PROJECT**

THIS AGREEMENT entered into this 4 day of November, 2002, by and between **ST. LUCIE COUNTY**, a political subdivision of the State of Florida, hereinafter referred to as "County," and the **CITY OF PORT ST. LUCIE**, a Florida municipal corporation, hereinafter referred to as "City."

**WHEREAS**, County and the City have agreed to cooperate in the implementation of the Midway Road Improvement Project (the "Project"); and,

**WHEREAS**, the objective of this Project is to provide road improvements to Midway Road which are more specifically described in Exhibit "A" attached, which improvements benefit the citizens of the City and the County; and,

**WHEREAS**, the County will be responsible for the design, permitting and construction of the Project; and,

**WHEREAS**, the City has agreed to assist the County in partially funding the Project as hereinafter set forth.

**NOW, THEREFORE, IT IS AGREED AS FOLLOWS:**

1. **Authority:** This Agreement is entered into pursuant to Section 163.01, Florida Statutes, Interlocal Cooperation Act.

2. Design and Permitting. The County will contract with a consulting engineer to prepare the necessary plans and specifications for the Project and obtain all required permits.

3. Bidding; Award; Contract Administration. The County will bid and award the contract for construction of the improvement project. The County will provide contract administration and inspection during construction.

4. Project Budget; Funding. The estimated total project cost is eight million two hundred thousand and 00/100 (\$8,200,000.00) dollars including design, permitting and construction. The City will contribute the amount of two million (\$2,000,000.00) dollars payable in eight (8) quarterly payments of two hundred fifty thousand (\$250,000.00) dollars each and secured by an irrevocable letter of credit in substantially the form attached hereto as Exhibit B. The City shall provide the signed letter of credit within thirty (30) days after the County notifies the City that the County has advertised for bids for construction of the Project. The first quarterly payment shall be due January, 2003 or within 30 days of award of contract, whichever comes first.

5. In consideration of the City contributing to the improvement of the Midway Road Improvement Project, the County agrees and hereby acknowledges that

properties and developments within the existing city limits of the City of Port St. Lucie as described on the effective date of this agreement, including upon annexation into the City of Port St. Lucie, the LTC Ranch, Development of Regional Impact Area lying in unincorporated St. Lucie County, that would otherwise require that West Midway Road be four laned between the intersection of West Midway Road and I-95 and the intersection of West Midway Road and U.S. #1 shall be deemed to be vested for purposes of concurrency and any transportation impacts on that section of West Midway Road as herein described, except any proportional improvements that may be required to the northbound on/off ramps with I-95 (including signalization) at West Midway Road . Provided that nothing in this Agreement shall prevent the City and County from jointly agreeing to fund future improvements to West Midway Road, where it is shown that the improvements would be of benefit to the City of Port St. Lucie and St. Lucie County.

Furthermore, in recognition that the West Midway Road Corridor is a critical transportation corridor to all of St. Lucie County, both the City and the County agree to jointly request that as part of the development of the next project priority list, the St. Lucie MPO advance the segment of West Midway Road from Torino Parkway

to South 25<sup>th</sup> Street into the Cost Feasible Plan component of the 2025 Long Range Plan.

6. Maintenance. The County will continue to maintain roads within the Project.

7. Whole Understanding. This Agreement embodies the whole understanding of the parties. There are no promises, terms, conditions or obligations other than those contained herein; and this Agreement shall supersede all previous communications, representations, or agreements, either verbal or written, between the parties hereto.

8. Amendment. The Agreement may only be amended by a written document signed by both parties and filed with the Clerk of the Circuit Court of St. Lucie County, Florida.

9. Filing; Effectiveness. This Agreement shall be filed with the Clerk of the Circuit Court of St. Lucie County, Florida, prior to its effectiveness.

IN WITNESS WHEREOF, the parties hereto have caused the execution hereof by their duly authorized officials on the dates stated below.
