DESIGN REPRESENTATION ONLY - NOT FOR CONSTRUCTION - The images provided throughout this package are a representation of the current design intent only. The images may not reflect variations in color, tone, hue, tints, shading, ambient light intensity, materials, texture, contrast, font style and construction variations required by building codes or inspectors, material availability or final design detailing. All images and artwork associated/provided should be reviewed by the client with their print and/or production vendors and adjusted as needed during the proof and shop drawing submittals. Those client-approved drawings take precedence and provide final direction for design, printing and production.
