Re: Project #4468-024-R, City of Port St. Lucie

Dear William Weinshank:

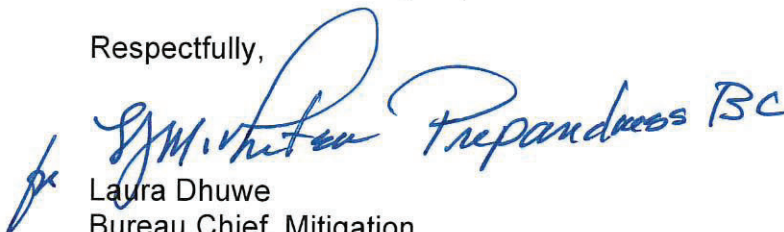

Enclosed is the executed Hazard Mitigation Grant Program (HMGP) contract modification number one (#1) (Contract H0778) between City of Port St. Lucie and the Division of Emergency Management.

Please email all Requests for Reimbursement (Attachment D) to the project manager at [Karen.Shedlock @em.myflorida.com](mailto:Karen.Shedlock@em.myflorida.com). The Project Manager for this contract is:

Karen Shedlock, Project Manager
Florida Division of Emergency Management
2555 Shumard Oak Blvd,
Tallahassee, Florida 32399

If you have any specific questions regarding the contract or the Request for Reimbursement form, please contact Karen Shedlock at (850) 427-1416.

Respectfully,

Laura Dhuwe
Bureau Chief, Mitigation
State Hazard Mitigation Officer

Enclosure

Contract Number: H0778

Project Number: 4468-024-R

**MODIFICATION TO SUBGRANT AGREEMENT BETWEEN
THE DIVISION OF EMERGENCY MANAGEMENT AND
CITY OF PORT ST. LUCIE**

This Modification Number One made and entered into by and between the State of Florida, Division of Emergency Management ("the Division"), and City of Port St. Lucie ("the Sub-Recipient") to modify Contract Number H0778, dated, July 29, 2022 ("the Agreement").

WHEREAS, the Division and the Sub-Recipient have entered into the Agreement, pursuant to which the Division has provided a subgrant to the Sub-Recipient under the Hazard Mitigation Grant Program of \$940,675.00, in Federal Funds; and

WHEREAS, the Division and the Sub-Recipient intend to modify the Agreement; and

WHEREAS, the Agreement expired on December 31, 2023; and

WHEREAS, the Division and the Sub-Recipient intend to reinstate and extend the terms of the Agreement.

NOW, THEREFORE, in consideration of the mutual promises of the parties contained herein, the parties agree as follows:

1. The Agreement is hereby reinstated and extended as though it had never expired.
2. Paragraph 8 of the Agreement is hereby amended to read as follows:
(8) PERIOD OF AGREEMENT
This Agreement shall begin July 29, 2022 and shall end September 30, 2024, unless terminated earlier in accordance with the provisions of Paragraph (17) of this Agreement.
3. The Budget and Scope of Work, Attachment A to the Agreement, are hereby modified as set forth in 1st Revision Attachment A to this Modification, a copy of which is attached hereto and incorporated herein by reference.
4. All provisions of the Agreement being modified and any attachments in conflict with this Modification shall be and are hereby changed to conform with this Modification, effective on the date of execution of this Modification by both parties.
5. All provisions not in conflict with this Modification remain in full force and effect, and are to be performed at the level specified in the Agreement.
6. Quarterly Reports are due to the Division no later than 15 days after the end of each quarter of the program year and shall be sent each quarter until submission of the administrative close-out report. The ending dates for each quarter of the program year are March 31, June 30, September 30 and December 31.

IN WITNESS WHEREOF, the parties hereto have executed this Modification as of the dates set out below.

SUB-RECIPIENT: CITY OF PORT ST. LUCIE

Attachment A
(1st Revision)
Budget and Scope of Work

STATEMENT OF PURPOSE:

The purpose of this Scope of Work is to provide protection to the City Hall Municipal Complex – Building B, in Port St. Lucie, St. Lucie County, Florida, funded through the Hazard Mitigation Grant Program (HMGP) DR-4468-024-R, as approved by the Florida Division of Emergency Management (Division) and the Federal Emergency Management Agency (FEMA). The project is for the purchase and installation of an emergency system to reduce and/or mitigate the damage that might otherwise occur from severe weather or other hazards.

The Sub-Recipient, City of Port St. Lucie, agrees to administer and complete the project per scope of work as submitted by the Sub-Recipient and subsequently approved by the Division and FEMA. The Sub-Recipient shall complete the work in accordance with all applicable Federal, State and Local Laws, Regulations, and Codes.

PROJECT OVERVIEW:

As a Hazard Mitigation Grant Program (HMGP) project, the Sub-Recipient shall provide backup power to City Hall Municipal Complex – Building B, located at 121 SW Port St. Lucie Boulevard, Port St. Lucie, Florida 34984. Coordinates: (27.275530, -80.344514).

The HMGP project shall provide protection by purchasing and installing a permanent diesel generator with a capacity of 1,250 kW, or the adequate size determined by the vendor and/or an electrical engineer during the bid process to appropriately support the critical facility. The building houses several city departments and serves as the primary Emergency Operations Center for the city. The scope of work also includes the installation of an automatic transfer switch (ATS) and the construction of a concrete pad and enclosure configuration. The project shall ensure continuity of critical operations at this critical facility.

The generator(s) shall be protected against a 500-year flood event by implementing specific activities or by locating the generator(s) outside the Special Flood Hazard Area (SFHA) and shall be protected against wind with a rated enclosure based on its location requirements. Activities shall be completed in strict compliance with Federal, State and Local Rules and Regulations.

TASKS & DELIVERABLES:

A) Tasks:

- 1) The Sub-Recipient shall procure the services of a qualified and licensed Florida contractor and execute a contract with the selected bidder to complete the scope of work as approved by the Division and FEMA. The Sub-Recipient shall select the qualified, licensed Florida contractor in accordance with the Sub-Recipient's procurement policy as well as all Federal and State Laws and Regulations. All procurement activities shall contain sufficient source documentation and be in accordance with all applicable regulations.

The Sub-Recipient shall be responsible for furnishing or contracting all labor, materials, equipment, tools, transportation and supervision and for performing all work per sealed engineering designs and construction plans presented to the Division by the Sub-Recipient and subsequently approved by the Division and FEMA.

The Sub-Recipient and contractor shall be responsible for maintaining a safe and secure worksite for the duration of the work. The contractor shall maintain all work staging areas in a neat and presentable condition.

The Sub-Recipient shall ensure that no contractors or subcontractors are debarred or suspended from participating in federally funded projects.

The selected contractor shall have a current and valid occupational license/business tax receipt issued for the type of services being performed.

The Sub-Recipient shall provide documentation demonstrating the results of the procurement process. This shall include a rationale for the method of procurement and selection of contract type, contractor selection and/or rejection and bid tabulation and listing, and the basis of contract price.

The Sub-Recipient shall provide an executed "Debarment, Suspension, Ineligibility, Voluntary Exclusion Form" for each contractor and/or subcontractor performing services under this agreement.

Executed contracts with contractors and/or subcontractors shall be provided to the Division by the Sub-Recipient within 10 days of execution.

The Sub-Recipient shall provide copies of professional licenses for contractors selected to perform services. The Sub-Recipient shall provide a copy of a current and valid occupational license or business tax receipt issued for the type of services to be performed by the selected contractor.

- 2) The Sub-Recipient shall monitor and manage the procurement and installation of all products in accordance with the HMGP application and associated documentation as presented to the Division by the Sub-Recipient and subsequently approved by the Division and FEMA. The Sub-Recipient shall ensure that all applicable State, Local and Federal Laws and Regulations are followed and documented, as appropriate.

The Sub-Recipient shall fully perform the approved project, as described in the application, in accordance with the approved scope of work indicated herein, the estimate of costs indicated herein, the allocation of funds indicated herein, and all applicable terms and conditions. The Sub-Recipient shall not deviate from the approved project terms and conditions.

Upon completion of the work, the Sub-Recipient shall schedule and participate in a final inspection of the completed project by the local municipal or county building department (official), or other approving official, as applicable. The official shall inspect and certify that all installation was in accordance with the manufacturer's specifications. Any deficiencies found during this final inspection shall be corrected by the Sub-Recipient prior to Sub-Recipient's submittal of the final inspection request to the Division.

Upon completion of Task 2, the Sub-Recipient shall submit the following documents with sufficient supporting documentation and provide a summary of all contract scope of work and scope of work changes, if any. Additional documentation shall include:

- a) Copy of permit(s), notice of commencement.
 - b) Local Building Official Inspection Report and Final Approval.
 - c) A copy of electrical designs, specifications and/or drawings elaborated to complete the scope.
 - d) Signed and Sealed copy of the As-built plans, as applicable.
 - e) Certified Letter of Completion, as applicable:
 1. Affirming that the project has been completed in conformance with the approved project drawings, specifications, and scope.
 2. Certifying Compliance with all applicable codes.
 - f) All Product Specifications / Data Sheet(s) (technical standards) satisfying protection requirements on all products utilized.
 - g) Proof of compliance with Project Conditions and Requirements contained herein.
- 3) During the course of this agreement, the Sub-Recipient shall submit requests for reimbursement. Adequate and complete source documentation shall be submitted to support all costs (federal share and local share) related to the project. In some cases, all project activities may not be fully complete

prior to requesting reimbursement of costs incurred in completion of this scope of work; however, a partial reimbursement may be requested.

The Sub-Recipient shall submit an Affidavit signed by the Sub-Recipient's project personnel with each reimbursement request attesting to the completion of the work, that disbursements or payments were made in accordance with all agreement and regulatory conditions, and that reimbursement is due and has not been previously requested.

The Sub-Recipient shall maintain accurate time records. The Sub-Recipient shall ensure invoices are accurate and any contracted services were rendered within the terms and timelines of this agreement. All supporting documentation shall agree with the requested billing period. All costs submitted for reimbursement shall contain adequate source documentation which may include but not be limited to cancelled checks, bank statements, Electronic Funds Transfer, paid bills and invoices, payrolls, time and attendance records, contract and subcontract award documents.

Construction Expense: The Sub-Recipient shall pre-audit bills, invoices, and/or charges submitted by the contractors and subcontractors and pay the contractors and subcontractors for approved bills, invoices, and/or charges. Sub-Recipient shall ensure that all contractor/subcontractor bills, invoices, and/or charges are legitimate and clearly identify the activities being performed and associated costs.

Sub-Recipient Management Costs (SRMC) expenditure must adhere to FEMA Policy #104-11-1 HMGP Management Costs (Interim) signed November 14, 2018. FEMA defines management costs as any: Indirect costs, Direct administrative costs, and other administrative expenses associated with a specific project. Administrative costs are expenses incurred by a Sub-Recipient in managing and administering the federal award to ensure that federal, state requirements are met including: solicitation, development, review, and processing of sub-applications; delivery of technical assistance; quarterly progress and fiscal reporting; project monitoring; technical monitoring; compliance activities associated with federal procurement requirements; documentation of quality of work verification for quarterly reports and closeout; payment of claims; closeout review and liquidation; and records retention.

Any activities that are directly related to a project are not eligible under management costs. For example, architectural, engineering, and design services are project costs and cannot be included under management costs. Similarly, construction management activities that manage, coordinate, and supervise the construction process from project scoping to project completion are project costs. These activities cannot be included under management costs.

Due to Strategic Funds Management (SFM), SRMC Interim Policy requires management costs to be obligated in increments sufficient to cover Sub-Recipient needs, for no more than one year, unless contractual agreements require additional funding. FEMA has established a threshold where annual increments will be applied to larger awards allowing smaller awards to be fully obligated. Obligations will be handled by the size of the total subaward.

The Sub-Recipient shall pre-audit all SRMC source documentation – personnel, fringe benefits, travel, equipment, supplies, contractual, and indirect costs. A brief narrative is required to identify what the funds will be used for. Documentation shall be detailed and clearly describe each approved task performed, hours devoted to each task, and the hourly rate charged including enough information to calculate the hourly rates based on payroll records. Employee benefits and tasks shall be clearly shown on the Personnel Activity Form, and all Personnel or Contractual SRMC shall be invoiced separate from all other project costs.

Project Management Expenses (only applies to disasters prior to August 1, 2017, all others adhere to FEMA Policy #104-11-1 for SRMC): The Sub-Recipient shall pre-audit source documentation such as payroll records, project time sheets, attendance logs, etc. Documentation shall be detailed information describing tasks performed, hours devoted to each task, and the hourly rate charged for each hour including enough information to calculate the hourly rates based on payroll records. Employee benefits shall be clearly shown.

The Division shall review all submitted requests for reimbursement for basic accuracy of information. Further, the Division shall ensure that no unauthorized work was completed prior to the approved project start date by verifying vendor and contractor invoices. The Division shall verify that reported costs were incurred in the performance of eligible work, that the approved work was completed, and

that the mitigation measures are in compliance with the approved scope of work prior to processing any requests for reimbursement.

Review and approval of any third-party in-kind services, if applicable, shall be conducted by the Division in coordination with the Sub-Recipient. Quarterly Reports shall be submitted by the Sub-Recipient and received by the Division at the times provided in this agreement prior to the processing of any reimbursement.

The Sub-Recipient shall submit to the Division requests for reimbursement of actual construction and managerial costs related to the project as identified in the project application, and plans. The requests for reimbursement shall include:

- a) Contractor, subcontractor, and/or vendor invoices which clearly display dates of services performed, description of services performed, location of services performed, cost of services performed, name of service provider and any other pertinent information;
- b) Proof of payment from the Sub-Recipient to the contractor, subcontractor, and/or vendor for invoiced services;
- c) Clear identification of amount of costs being requested for reimbursement as well as costs being applied against the local match amount.

The Sub-Recipient's final request for reimbursement shall include the final construction project cost. Supporting documentation shall show that all contractors and subcontractors have been paid.

B) Deliverables:

Mitigation Activities consist of providing protection to the City Hall Municipal Complex – Building B, located in Port St. Lucie, Florida 34984, by installing a permanent diesel generator.

The generator(s) shall be protected against a 500-year flood event by implementing specific activities or by locating the generator(s) outside the SFHA and shall be protected against wind with a rated enclosure based on its location requirements. Activities shall be completed in strict compliance with Federal, State and Local Rules and Regulations.

Provided the Sub-Recipient performs in accordance with the Scope of Work outlined in this Agreement, the Division shall reimburse the Sub-Recipient based on the percentage of overall project completion.

PROJECT CONDITIONS AND REQUIREMENTS:

C) Engineering:

- 1) The Sub-Recipient shall submit to the Division an official letter stating that the project is 100% complete and ready for the Division's Final Inspection of the project.
- 2) The Sub-Recipient shall provide a copy of the Notice of Commencement, and any local official Inspection Report and/or Final Approval, as applicable.
- 3) The Sub-Recipient shall submit a final copy of the completed project's As-built drawings and all necessary supporting documentation and provide a summary of all contract scope of work changes, as applicable.
- 4) The Sub-Recipient shall submit a final copy of any electrical designs, specifications and/or drawings elaborated to complete the job.
- 5) The Sub-Recipient shall submit a certified letter of completion from Engineer of Record, as applicable. The Sub-Recipient's Engineer of Record shall provide a formal certificate or letter affirming that the project has been completed in conformance with the approved project drawings, specifications, scope, and applicable codes.
- 6) The Sub-Recipient shall submit all Product Specifications / Data Sheet(s) (technical standards) satisfying protection requirements on all products utilized.

- 7) All installations shall be done in strict compliance with the Florida Building Code or Miami Dade Specifications. All materials shall be certified to exceed the wind and impact standards of the current local codes.
- 8) The Sub-Recipient shall follow all applicable State, Local and Federal Laws, Regulations and requirements, and obtain (before starting project work) and comply with all required permits and approvals. Failure to obtain all appropriate Federal, State, and Local permits and clearances may jeopardize federal funding.

D) Environmental:

- 1) The Sub-Recipient shall follow all applicable state, local and federal laws, regulations and requirements, and obtain (before starting project work) and comply with all required permits and approvals. Failure to obtain all appropriate federal, state, and local environmental permits and clearances may jeopardize federal funding. If project is delayed for a year or more after the date of the categorical exclusion (CATEX), then coordination with and project review by regulatory agencies must be redone.
- 2) Any change, addition or supplement to the approved mitigation measure or scope of work that alters the project (including other work not funded by FEMA but done substantially at the same time) shall require resubmission to the Division and FEMA for reevaluation of compliance with the National Environmental Protection Act (NEPA) and Section 106 of the National Historic Preservation Act (NHPA) prior to initiation of any work. Non-compliance with these requirements may jeopardize FEMA's ability to fund this project. A change in the scope of work shall be approved by the Division and FEMA in advance regardless of the budget implications.
- 3) If any ground disturbance activities occur during construction, the Sub-Recipient shall monitor ground disturbance during construction, and if any potential archeological resources are discovered, shall immediately cease construction in that area and notify the Division and FEMA.
- 4) Construction vehicles and equipment used for this project shall be maintained in good working order to minimize pollutant emissions.

E) Programmatic:

- 1) The Sub-Recipient must notify the Division as soon as significant developments become known, such as delays or adverse conditions that might raise costs or delay completion, or favorable conditions allowing lower costs or earlier completion.
- 2) The Division and FEMA shall approve a change in the scope of work in advance, regardless of the budget implementations.
- 3) The Sub-Recipient must "obtain prior written approval for any budget revision which would result in a need for additional funds" [44 CFR 13(c)], from the Division and FEMA.
- 4) Any extension of the Period of Performance shall be submitted to FEMA 60 days prior to the expiration date. Therefore, any request for a Period of Performance Extension shall be in writing and submitted, along with substantiation of new expiration date and a new schedule of work, to the Division a minimum of seventy (70) days prior to the expiration date, for Division processing to FEMA.
- 5) The Sub-Recipient must avoid duplication of benefits between the HMGP and any other form of assistance, as required by Section 312 of the Stafford Act, and further clarification in 44 CFR 206.191.
- 6) A copy of the executed subcontract agreement must be forwarded to the Division within 10 days of execution.
- 7) Project approval is with the condition that the tasks, deliverables, and conditions be accomplished, and documentation submitted 30 days prior to the Period of Performance date, for review and approval by the Division, for submittal to FEMA for Closeout.
- 8) Per FEMA Hazard Mitigation Assistance Guidance Part VI, D.3.4 – Contingency funds are not automatically available for use. Prior to their release, contingency funds must be re-budgeted to

another direct cost category and identified. Post-award changes to the budget require prior written approval from the Division (FDEM). The written request should demonstrate what unforeseen condition related to the project arose that required the use of contingency funds.

- 9) Sub-Recipient Management Costs (SRMC), implemented under the Disaster Relief and Recovery Act of 2018 (DRRA), amended Section 324 of the Stafford Act, and the Hazard Mitigation Grant Program Management Costs (Interim) FEMA Policy 104-11-1, provides 100% federal funding under HMGP to Sub-Recipients to efficiently manage the grant and complete activities in a timely manner.
 - a) SRMC must conform to 2 CFR Part 200, Subpart E, applicable program regulations, and Hazard Mitigation Assistance (HMA) Guidance (2015), ensuring costs are reasonable, allowable, allocable and necessary to the overall project.
 - b) Funding is for approved indirect costs, direct administrative costs, and administrative expenses associated with this specific project and shall have adequate documentation.
 - c) SRMC cannot exceed 5% of the total project costs awarded.
 - d) SRMC is 100% federally funded and will be reimbursed based on actual costs incurred for each individual Request for Reimbursement (RFR) submitted with the required documentation.
 - e) SRMC shall be reconciled against actual costs on a quarterly basis and annual basis.
 - f) If the Final Project Reconciliation results in a reduction of total project costs, any resulting SRMC overpayment shall be reimbursed back to the State for return to FEMA prior to FEMA Closeout.

This is FEMA project number **4468-024-R**. It is funded under HMGP, FEMA-4468-DR-FL and must adhere to all program guidelines established for the HMGP in accordance with the PAS Operational Agreement for Disaster 4468.

FEMA awarded this project on October 20, 2021; this Agreement was executed on July 29, 2022; and the Period of Performance for this project shall end on **September 30, 2024**.

F) FINANCIAL CONSEQUENCES:

If the Sub-Recipient fails to comply with any term of the award, the Division shall take one or more of the following actions, as appropriate in the circumstances:

- 1) Temporarily withhold cash payments pending correction of the deficiency by the Sub-Recipient;
- 2) Disallow all or part of the cost of the activity or action not in compliance;
- 3) Wholly or partly suspend or terminate the current award for the Sub-Recipient's program;
- 4) Withhold further awards for the program; or
- 5) Take other remedies that may be legally available.

*Any line item amount in this Budget may be increased or decreased 10% or less, with the Division's approval, without an amendment to this Agreement being required, so long as the overall amount of the funds obligated under this Agreement is not increased.

*** This project has an estimated \$61,045.00 in contingency funds. Per FEMA Hazard Mitigation Assistance Guidance Part VI, D.3.4 – Contingency funds are not automatically available for use. Prior to their release, contingency funds must be re-budgeted to another direct cost category and identified. Post-award changes to the budget require prior written approval from the Division (FDEM). The written request should demonstrate what unforeseen condition related to the project arose that required the use of contingency funds.

Project Management costs are included for this project in the amount of \$0.00

**** **Sub-Recipient Management Costs (SRMC) are included for this project in the amount of \$25,000.00 in Federal funding.** Per the Hazard Mitigation Grant Program Interim FEMA Policy 104-11-1, SRMC provides HMGP funding to Sub-Recipients to efficiently manage the grant and complete activities in a timely manner. SRMC must conform to 2 CFR Part 200, Subpart E, ensuring costs are reasonable, allowable, allocable and necessary to the overall project.

SRMC cannot exceed 5% of the approved total project costs awarded and shall be reimbursed at 5% for each Request for Reimbursement (RFR) submitted with the required documentation.

If the Final Project Reconciliation results in a reduction of total project costs, any resulting SRMC overpayment shall be reimbursed back to the State for return to FEMA prior to FEMA Closeout.

This project has a **SRMC Pre-Award**, approved by FEMA in the amount of \$2,057.99, with a start date of **May 18, 2021**.

RESOLUTION 22-R22

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PORT ST. LUCIE, FLORIDA, AUTHORIZING THE CITY MANAGER TO EXECUTE GRANT APPLICATIONS AND AGREEMENTS WITH THE STATE OF FLORIDA DEPARTMENT OF EMERGENCY MANAGEMENT FOR THE PURPOSE OF FUNDING HAZARD MITIGATION GRANT PROGRAM ACTIVITIES; PROVIDING FOR CONFLICT; PROVIDING FOR SEVERABILITY; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the State of Florida Department of Emergency Management ("FDEM") is the recipient of Federal Emergency Management Agency ("FEMA") funds which provide funding to state, local, tribal and local governments to rebuild infrastructure in a way that reduces, or mitigates future disaster losses in their communities; and

WHEREAS, the State of Florida received \$185,056,086 in funds in response to the COVID-19 pandemic (FEMA-4486-DR-FL); and

WHEREAS, St. Lucie County received \$2,006,087.75 in funding for allocation by the County Local Mitigation Strategy ("LMS") working group; and

WHEREAS, the City of Port St. Lucie is required to match 25% of any grant funds allocated; and

WHEREAS, the City Council of the City of Port St. Lucie desires to authorize the City Manager authority to execute Grant Applications, Agreements or Modifications to documents for the Hazard Mitigation Grant Program ("HMGP") on behalf of the City Council; and

WHEREAS, the City Council of the City of Port St. Lucie find that this Authorization serves a valid municipal purpose.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Port St. Lucie, Florida as follows:

Section 1. Recitals. The City Council hereby adopts and ratifies those matters set forth in the foregoing recitals.

Section 2. Authorization. The City Council of the City of Port St. Lucie hereby authorizes the City Manager to execute Grant Agreements and related documents for HMGP under the COVID-19 FEMA allocation.

Section 3. Severability. The provisions of this Resolution are intended to be severable. If any part of this Resolution is determined to be void or is declared illegal, invalid, or unconstitutional by a Court of competent jurisdiction, the remainder of this Resolution shall remain in full force and effect.

RESOLUTION 22-R22

Section 4. Conflict. If any Resolution, or parts of any Resolution, are in conflict herewith, this Resolution shall control to the extent of the conflicting provisions.

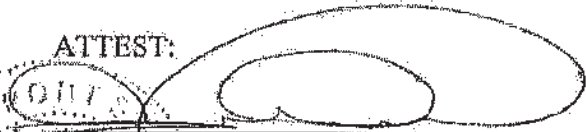

BE IT FURTHER RESOLVED that this Resolution shall become effective immediately upon its adoption.

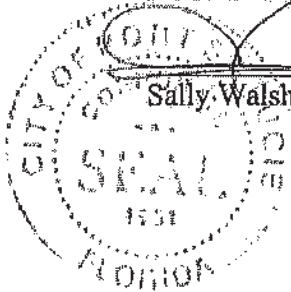

PASSED AND ADOPTED by the City Council of the City of Port St. Lucie, Florida, this 14th day of February, 2022.

Action Requested: Motion / Vote

Resolution 22-R22, A Resolution Granting Signature Authority to the City Manager for Funding the Hazard Mitigation Grant Program

Submitted By: Billy Weinshank, Emergency Management

Strategic Plan Link: The City's Goal of high-quality infrastructure and facilities.

Executive Summary (General Business): This resolution will grant the City Manager the authority to sign documents pertaining to the Hazard Mitigation Grant Program funding FEMA has allocated to the COVID-19 emergency dedicated to St Lucie County.

Presentation Information: N/A

Staff Recommendation: Move that the Council complete the motion in the affirmative

Alternate Recommendations:

1. Move that the Council amend the recommendation and complete the motion in the affirmative
2. Move that the Council not approve and provide staff direction

Background: On March 13, 2020, President Trump declared the COVID-19 pandemic a nationwide emergency. Per the Disaster Mitigation Act of 2000, amending the Robert T. Stafford Disaster Relief and Emergency Assistance Act (Code of Federal Regulations, Stafford Act Title 44, Chapter 1, Part 201 (44 CFR Part 201) a fixed portion of the funding expended towards a Presidentially declared disaster is to be allocated to hazard mitigation for those communities impacted by the disaster under the Hazard Mitigation Grant Program (HMGP). The Florida Division of Emergency Management allocated \$2,006,087.75 in HMGP funding to St Lucie County's Local Mitigation Strategy (LMS) Working Group of which the City's Office of Emergency Management is a member. In partnership with the Public Works Department and the Utilities Department the Office of Emergency Management has applied for this grant funding for infrastructure mitigation projects benefiting the City.

Issues/Analysis: Granting the City Manager signature authority over mitigation grants will expedite the process.

Financial Information: There is no financial impact on the City for granting the City Manager Signature Authority for mitigation grant related documents. If the City's projects are selected, the City will be responsible for 25% of the cost of these projects.

Special Consideration: N/A

Location of Project: N/A

Attachments:

RESOLUTION 22-R__

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PORT ST. LUCIE, FLORIDA, AUTHORIZING THE CITY MANAGER TO EXECUTE GRANT APPLICATIONS AND AGREEMENTS WITH THE STATE OF FLORIDA DEPARTMENT OF EMERGENCY MANAGEMENT FOR THE PURPOSE OF FUNDING HAZARD MITIGATION GRANT PROGRAM ACTIVITIES; PROVIDING FOR CONFLICT; PROVIDING FOR SEVERABILITY; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the State of Florida Department of Emergency Management ("FDEM") is the recipient of Federal Emergency Management Agency ("FEMA") funds which provide funding to state, local, tribal and local governments to rebuild infrastructure in a way that reduces, or mitigates future disaster losses in their communities; and

WHEREAS, the State of Florida received \$185,056,086 in funds in response to the COVID-19 pandemic (FEMA-4486-DR-FL); and

WHEREAS, St. Lucie County received \$2,006,087.75 in funding for allocation by the County Local Mitigation Strategy ("LMS") working group; and

WHEREAS, the City of Port St. Lucie is required to match 25% of any grant funds allocated; and

WHEREAS, the City Council of the City of Port St. Lucie desires to authorize the City Manager authority to execute Grant Applications, Agreements or Modifications to documents for the Hazard Mitigation Grant Program ("HMGP") on behalf of the City Council; and

WHEREAS, the City Council of the City of Port St. Lucie find that this Authorization serves a valid municipal purpose.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Port St. Lucie, Florida as follows:

Section 1. Recitals. The City Council hereby adopts and ratifies those matters set forth in the foregoing recitals.

Section 2. Authorization. The City Council of the City of Port St. Lucie hereby authorizes the City Manager to execute Grant Agreements and related documents for HMGP under the COVID-19 FEMA allocation.

Section 3. Severability. The provisions of this Resolution are intended to be severable. If any part of this Resolution is determined to be void or is declared illegal, invalid, or unconstitutional by a Court of competent jurisdiction, the remainder of this Resolution shall remain in full force and effect.

RESOLUTION 22-R__

Section 4. Conflict. If any Resolution, or parts of any Resolution, are in conflict herewith, this Resolution shall control to the extent of the conflicting provisions.

BE IT FURTHER RESOLVED that this Resolution shall become effective immediately upon its adoption.

PASSED AND ADOPTED by the City Council of the City of Port St. Lucie, Florida, this ____ day of _____, 2022.

MAYOR
CITY OF PORT ST. LUCIE
