Each party shall be deemed to be an independent consultant contracting for the services and acting toward the mutual benefits expected to be derived from the mutually agreed upon Contract. Neither Consultant nor any of Consultant's agents, employees, subconsultants or consultants shall become or be deemed to become agents or employees of the City. Consultant shall therefore be responsible for compliance with all laws, rules, and regulations involving its employees and any subconsultants, including but not limited to employment of labor, hours of labor, health and safety, working conditions, workers' compensation insurance, and payment of wages. From time to time, the parties may change the name and address of the person designated to receive notice. Such change of the designated person or their designees and/or address shall be in writing to the other party and as provided herein.

**Performance by Industry Standards** - The Consultant represents and expressly warrants that all aspects of the Services provided or used by it shall, at a minimum, conform to the standards in the Consultant's industry. This requirement shall be in addition to any express warranties, representations, and specifications included in the Contract, which shall take precedence

**Permits, Licenses, and Certifications** - The Consultant shall be responsible for obtaining all permits, licenses, certifications, etc., required by Federal, State, County, and Municipal laws, regulations, codes, and ordinances for the performance of the work required in these specifications and to conform with the requirements of said legislation. **Use of Name or Intellectual Property** - Consultant agrees it will not use the name or any intellectual property, including but not limited to, City trademarks or logos in any manner, including commercial advertising or as a business reference, without the express prior written consent of the City.

**Waiver** - Except as specifically provided for in a waiver signed by duly authorized representatives of the City and the Consultant, failure by either party at any time to require performance by the other party or to claim a breach of any provision of the Contract shall not be construed as affecting any subsequent right to require performance or to claim a breach. Each waiver, if mutually agreed upon, shall be published as a Contract amendment.

## **SECTION XVI ADDITIONAL REQUIREMENTS**

In the event of any conflict between the terms and conditions, appearing on any purchase order issued relative to this Contract, and those contained in this Contract and the Specifications herein referenced, the terms of this Contract and Specifications herein referenced shall apply.

**City's Public Relations Image** - The Consultant's personnel shall at all times handle complaints and any public contact with due regard to the City's relationship with the public. Any personnel in the employ of the Consultant involved in the execution of work that is deemed to be conducting himself in an unacceptable manner shall be removed from the project at the request of the City Manager.

**Cooperative Purchasing Agreement** - This Contract may be expanded to include other governmental agencies provided a cooperative purchasing agreement exists or an inter-local agreement for joint purchasing exists between the City of Port St. Lucie and other public agencies. Consultant may agree to allow other public agencies the same items at the same terms and conditions as this Contract, during the period of time that this Contract is in effect. Each political entity will be responsible for execution of its own requirements with the Consultant.

### **SECTION XVII** **ASSIGNMENT**

Consultant shall not delegate, assign, or subcontract any part of the work under this Contract or assign any monies due him hereunder without first obtaining the written consent of the City. If Consultant sells all or a majority of its shares, merges with, or otherwise is acquired by or unifies with a third party, it shall notify the City within ten (10) days. If after such notice, the City determines in its sole discretion, it may terminate the Contract, without penalty.

### **SECTION XVIII** **TERMINATION**

**Termination for Cause** - The occurrence of any one or more of the following events shall constitute cause for the City to declare the Consultant in default of its obligations under the Contract:

- I. The Consultant fails to deliver or has delivered nonconforming services or fails to perform, to the City's satisfaction, any material requirement of the Contract or is in violation of a material provision of the Contract, including, but without limitation, the express warranties made by the Consultant;
- II. The Consultant fails to make substantial and timely progress toward performance of the Contract;
- III. In the event the Consultant is required to be certified or licensed as a condition precedent to providing the Services, the revocation or loss of such license or certification may result in immediate termination of the Contract effective as of the date on which the license or certification is no longer in effect;
- IV. The Consultant becomes subject to any bankruptcy or insolvency proceeding under federal or state law to the extent allowed by applicable federal or state law including bankruptcy laws; the Consultant terminates or suspends its business; or the City reasonably believes that the Consultant has become insolvent or unable to pay its obligations as they accrue consistent with applicable federal or state law;
- V. The Consultant has failed to comply with applicable federal, state, and local laws, rules, ordinances, regulations, and orders when performing within the scope of the Contract;
- VI. If the City determines that the actions, or failure to act, of the Consultant, its agents, employees or subconsultants have caused, or reasonably could cause, life, health or safety to be jeopardized;
- VII. The Consultant has engaged in conduct that has or may expose the City to liability, as determined in the City's sole discretion; and
- VIII. The Consultant furnished any statement, representation, or certification in connection with the contract, which is materially false, deceptive, incorrect, or incomplete.

**Notice of Default** - If there is a default event caused by the Consultant, the City shall provide written notice to the Consultant requesting that the breach or noncompliance be remedied within the period of time specified in the City's written notice to the Consultant. If the breach or noncompliance is not remedied within the period of time specified in the written notice, the City may:

- I. Immediately terminate the Contract without additional written notice(s); and/or
- II. Enforce the terms and conditions of the Contract and seek any legal or reasonable remedies; and/or
- III. Procure substitute services from another source and charge the difference between the Contract and the substitute contract to the defaulting Consultant. Any such charge, in the City's option, may be invoiced to Consultant or deducted from sums due to the Consultant. Deductions thus made will not excuse the Consultant from other penalties and conditions contained in the Contract.

**Termination for Convenience** - The City may, at any time, with or without cause, or for its convenience, terminate all or a portion of the Contract upon thirty (30) days written notice to Consultant. Any such termination shall be accomplished by delivery in writing of a notice to Consultant. Following termination without cause, the Consultant shall be entitled to compensation upon submission of invoices and proper proof of claim, for services provided under the Contract to the City up to the time of termination, pursuant to Florida law.

**Termination for Non-Appropriation** - The City is a governmental agency which relies upon the appropriation of funds by its governing body to satisfy its obligations. If the City reasonably determines that it does not have funds to meet its obligations under the Contract, the City will have the right to terminate the Contract, without penalty, on the last day of the fiscal period for which funds were legally available.

#### **SECTION XIX** **LAW, VENUE, AND WAIVER OF JURY TRIAL**

This Contract is to be construed as though made in and to be performed in the State of Florida and is to be governed by the laws of Florida in all respects without reference to the laws of any other state or nation. The venue of any action taken to enforce this Contract, arising from this Contract, or related to this Contract, shall be in St. Lucie County, Florida.

The parties to this Contract hereby freely, voluntarily, and expressly, waive their respective rights to trial by jury on any issues so triable after having the opportunity to consult with an attorney.

#### **SECTION XX** **TRUTH-IN-NEGOTIATIONS**

In accordance with the provisions of section 287.055, Florida Statutes, the Consultant agrees to execute a truth-in-negotiations certificate and agrees that the original Contract price and any additions may be adjusted to exclude any significant sums by which the City determines the Contract price was increased due to inaccurate, incomplete, or non-current wage rates and other factual unit costs.

**SECTION XXI**  
**CONFLICT OF INTEREST**

The City hereby acknowledges that the Consultant may be performing professional services for private developers within the Treasure Coast area. Should a conflict of interest arise between providing services to the City and/or other clients, the Consultant shall terminate its relationship with the other client(s) to resolve the conflict of interest. The City Manager shall determine whether a conflict of interest exists. At the time of each Project Proposal the Consultant shall disclose all its Treasure Coast clients and related Scope of Work.

**SECTION XXII**  
**PROHIBITION AGAINST CONTINGENT FEES**

The Consultant warrants that he has not employed or retained any company or person, other than a bona fide employee working solely for the Consultant, to solicit or secure this Contract and that he or she has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the Consultant, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Contract.

**SECTION XXIII**  
**ATTORNEY'S FEES**

Each party is responsible for its own attorney's fees for any event arising from or related to this Contract. Each party expressly waives its right to seek attorney's fees from the other party, regardless of the source of such right.

**SECTION XXIV**  
**CODE OF ETHICS**

Consultant warrants and represents that its employees will abide by any applicable provisions of the State of Florida Code of Ethics in [Chapter 112.311 et seq.](#), Florida Statutes, and Code of Ethics Ordinances in [Section 9.14 of the City of Port St. Lucie Code](#).

**SECTION XXV**  
**POLICY OF NON-DISCRIMINATION**

Consultant shall not discriminate against any person in its operations, activities, or delivery of services under this Contract. Consultant shall affirmatively comply with all applicable provisions of federal, state, and local equal employment laws and shall not engage in or commit any discriminatory practice against any person based on race, age, religion, color, gender, sexual orientation, national origin, marital status, physical or mental disability, political affiliation or any other factor which cannot be lawfully used as a basis for service delivery.

**SECTION XXVI**  
**SEVERABILITY**

The provisions of this Contract shall be deemed severable and if any portion of the Contract is found invalid or unenforceable, it shall not affect the validity or enforceability of the other provisions herein.

**SECTION XXVII**  
**AUDITS**

The Consultant shall establish and maintain a reasonable accounting system that enables the City to readily identify the Consultant's assets, expenses, costs of goods, and use of funds throughout the term of the Contract for a period of at least seven (7) years following the date of final payment or completion of any required audit, whichever is later. Records shall include, but are not limited to, accounting records, written policies and procedures; subcontract files (including proposals of successful and unsuccessful bidders, bid recaps, etc.); all paid vouchers including those for out-of-pocket expenses; other reimbursement supported by invoices; ledgers; cancelled checks; deposit slips; bank statements; journals; original estimates; estimating work sheets; contract amendments and change order files; back charge logs and supporting documentation; insurance documents; payroll documents; timesheets; memoranda; and correspondence. The Consultant shall permit the City's authorized auditor or any authorized representative of the State, and where federal funds are involved, the Comptroller General of the United States, or any other authorized representative of the United States government, to access and examine, audit, excerpt and to make copies of all books, documents, papers, electronic or optically stored and created records or other records relating or pertaining to this Contract kept by or under the control of the Consultant, including, but not limited to, those kept by the Consultant, its employees, agents, assigns, successors, and subconsultants. Such records shall be made available to the City during normal business hours at the Consultant's office or place of business. The Consultant shall not impose a charge for audit or examination of the Consultant's books and records. If an audit discloses incorrect billings or improprieties, the City reserves the right to charge the Consultant for the cost of the audit and appropriate reimbursement. Any adjustments and/or payments that must be made as a result of any such audit or inspection of the Consultant's invoices and/or records shall be made within a reasonable amount of time (not to exceed ninety (90) days) from presentation of the City's findings to the Consultant. Evidence of criminal conduct will be turned over to the proper authorities.

The Consultant shall ensure the City has these rights with Consultant's employees, agents, assigns, successors, and subconsultants, and the obligations of these rights shall be explicitly included in any subcontracts or agreements formed between the Consultant and any subconsultants to the extent that those subcontracts or agreements relate to fulfillment of the Consultant's obligations to the City.

**SECTION XXVIII**  
**ORDER OF PREFERENCE**

In the case of any inconsistency or conflict among the specific provisions of this Contract (including any amendments accepted by both the City and the Consultant attached hereto), the E-Bid (including any subsequent addenda and written responses to bidders' questions), and the Consultant's Response, any inconsistency or conflict shall be resolved as follows:

- (i) First, by giving preference to the specific provisions of this Contract.
- (ii) Second, by giving preference to the specific provisions of the E-Bid.

The Contractor shall be responsible for all preparation of the site for Acts of God, including but not limited to: earthquake, flood, tropical storm, hurricane or other cataclysmic phenomenon of nature, rain, wind, or other natural phenomenon of normal intensity, including extreme rainfall. No reparation shall be made to the Contractor for damages to the work resulting from these Acts. The City is not responsible for any costs associated with pre or post preparations for any Acts of God.

**Emergencies** – In the event of emergencies affecting the safety of persons, the work, or property, at the site or adjacent thereto, the Contractor, or their designee, without special instruction or authorization from the City, is obligated to act to prevent threatened damage, injury, or loss. In the event such actions are taken, the Contractor shall promptly give to the City written notice and contact immediately by phone, of any significant changes in work or deviations from the Contract documents caused thereby, and if such action is deemed appropriate by the City a written authorization signed by the City covering the approved changes and deviations will be issued.

### **SECTION XXX** **APPROPRIATION APPROVAL**

The Contractor acknowledges that the City of Port St Lucie's performance and obligation to pay under this Contract is contingent upon an annual appropriation by the City Council. The Contractor agrees that, in the event such appropriation is not forthcoming, this Contract may be terminated by the City and that no charges, penalties or other costs shall be assessed.

When one of the foregoing conditions interferes with Contract performance, then the party affected may be excused from performance on a day-for-day basis to the extent such party's obligations relate to the performance so interfered with; provided, the party so affected shall use reasonable efforts to remedy or remove such causes of non-performance. The party so affected shall not be entitled to any additional compensation by reason of any day-for-day extension hereunder.

In the event an ambiguity, conflict, omission, or question of intent or interpretation arises, this Contract shall be construed as if drafted jointly by the parties, and there shall be no presumption or burden of proof or persuasion based on which party drafted a provision of the Contract.
