## **Why are you interested in serving on a board or committee?**

The purpose of this submission is to request consideration to be reappointed by City Council to the Port St. Lucie Municipal Police Officer's Retirement Trust Fund Board of Trustees. I am a current city resident and have been for over 47 years. This position is a City Council appointed position. I have served on the board of trustees at various times during my career with the police department as both an elected member by the membership and as a City Council appointee, totaling approximately 30 years. I served as chairman for 16 of those years while a member of the City of Port St Lucie Police Department. I want to continue to serve the police officer members of the plan as an experienced trustee.

## **Why do you think you are qualified to serve on this board or committee?**

I am a Certified Public Pension Trustee, through the Florida Public Pension Trustee's Association (FPPTA), which required considerable amount of time on my part and expense to the plan to obtain. This certification requires annual continuing education to fulfill the responsibilities as a fiduciary of the plan. I have two master's degrees, which enhance the knowledge that I bring to the board as a trustee. To reiterate, I have served on the board of trustees at various times during my career with the police department as both an elected member by the membership and as a City Council appointee, totaling approximately 30 years. I served as chairman for 16 of those years while a member of the City of Port St Lucie Police Department.
