Dear City Manager,

I hope you are doing well.

My name is Michael Parks, and I am the founder of TBH Network. It was great We are partnering with Banner Lake Academy, a 501(c)(3) nonprofit school in Hobe Sound, to support their Back-to-School Event on August 8, 2026.

While Banner Lake Academy is located in neighboring Martin County, the event serves families throughout the Treasure Coast, and we are working together to ensure students have the supplies and support they need to begin the school year successfully.

It was great speaking with your staff member this morning and per her request, I have attached an informational flyer about the event, along with Banner Lake Academy's 501(c)(3) information for your review.

Banner Lake Academy
Tax id: 59-1093236
The Banner Lake Club Inc.

Hobe Sound, FL 33455

We are reaching out to see if the City of Port St. Lucie might be willing to support this effort through a donation, sponsorship, advertising opportunity, community calendar listing, public service announcement, or any other form of promotion that would help us spread the word and increase community involvement.

Every contribution—whether financial support, donated items, or simply helping us share information about the event—helps make a difference for local children and families.

Thank you for taking the time to consider our request. We appreciate all that the City does to support our community and would be grateful for any assistance you may be able to provide.

Warm regards,

Michael Parks, Chief Operating Officer
