Project Description/Proposed Amendment

Mattamy Palm Beach, LLC, has applied for an amendment to the City's comprehensive plan to amend the text of the future land use element by amending Figure 1-3. Figure 1-3 is the conceptual land use plan for the Tradition/Western Grove NCD District. It is required by Policy 1.2.1.3 of the comprehensive plan to illustrate how the land use sub-categories (Residential, Neighborhood/Village Commercial, Employment Center, Regional Business Center and Mixed Use) are allocated, where they are located, and how they would function in relation to each other.

NCD is a future land use classification for developments of regional impact to facilitate the development of mixed-use communities. An NCD District may be divided into defined sub-districts. A plan depicting these sub-districts is adopted into the City's comprehensive plan. Figure 1-3 is the conceptual land use plan for both the Tradition and the Western Grove developments of regional impact. It depicts the Residential, Mixed Use, Town Center, and Neighborhood/Village Commercial sub-districts in Tradition and the Residential and Neighborhood/Village Commercial sub-districts in Western Grove as well as open space. Mattamy Palm Beach, LLC, is applying to adjust the conceptual plan for Western Grove as described below:

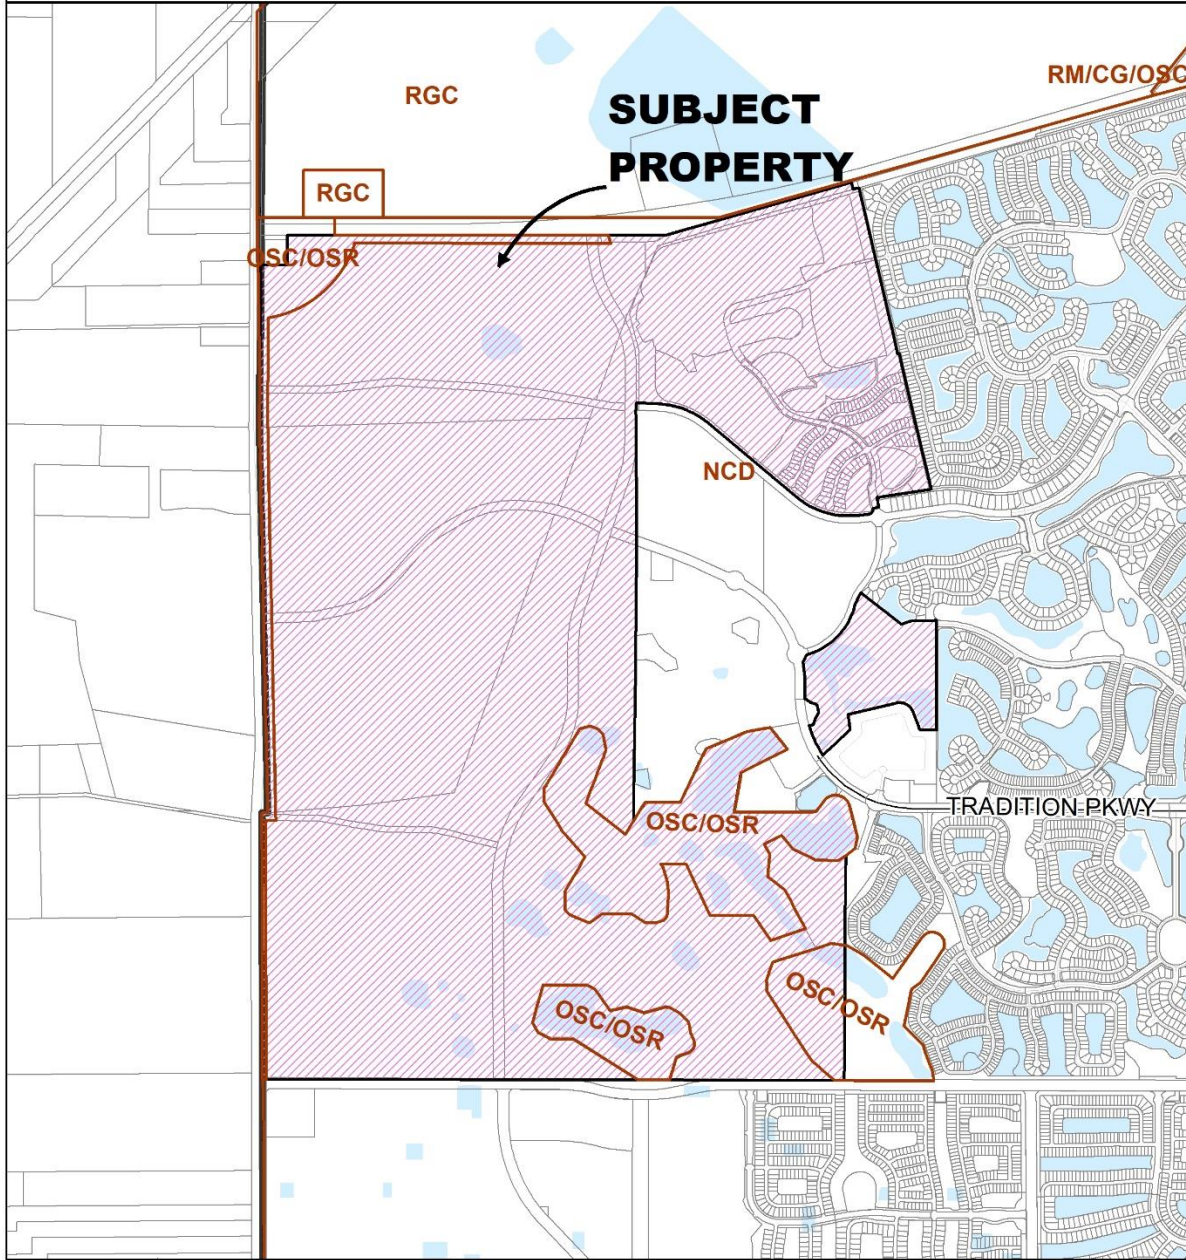

1. Approximately 8.12 acres located west of the N/S A road right-of-way between the Westcliffe Lane road right-of-way and the Tradition Parkway road right-of-way from Neighborhood/Village Commercial sub-district to the Residential sub-district classification in Western Grove to accommodate new development proposals.
2. The extension of Tradition Parkway from N/S A west to Range Lane Road has been added to Figure 1-3. The extension of Tradition Parkway was deleted from the Western Grove DRI in 2016 and added back in 2018 through Resolution 18-R84.
3. Re-alignment of the portion of N/S A located north of Westcliffe Lane and south of future Crosstown Parkway to accommodate a utility site.

The current Figure 1-4 is attached to the staff report as Exhibit "A" and the revised (proposed) Figure 1-4 is attached as Exhibit "B".

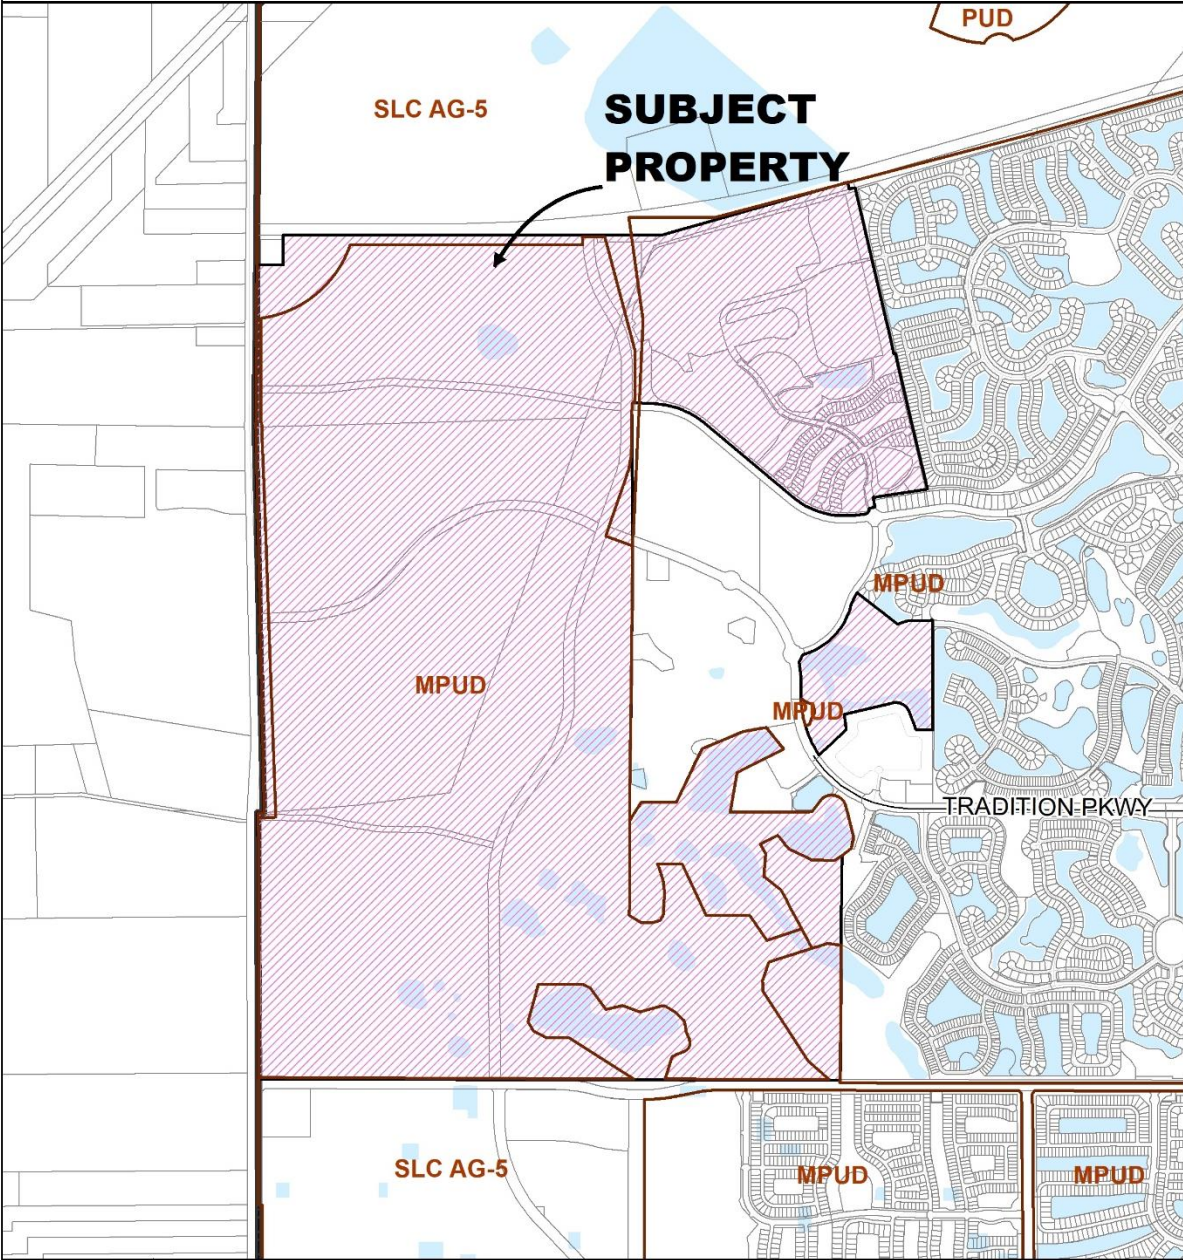

Previous Actions and Prior Reviews

Figure 1-4 of the comprehensive plan was last amended on April 25, 2016 through Ordinance 16-11.

The proposed DRI amendment includes an amendment to Map H, the master development plan for the Western Grove DRI, to adjust the Residential and Neighborhood/Village Commercial sub-districts, depict the extension of Tradition Parkway from the N/S A right of way to Range Line Road, and the re-alignment of the N/S A right-of-way as well as other changes.
