City's Inquiry on the Ravello property

Importance: High

City Council Members,
Wanted to make you aware that I reached out to Mr. Ryan, representative/owner of the Ravello property, to relay that the City had an interest in possibly acquiring the property. Mr. Ryan confirmed with me that due to his contractual obligations he is unable to consider selling the property. However, he indicated that is something happens in the future with the contract, he would reach out the City.
