## **11. Resolutions**

- 11.a** Resolution 21-R39, Quasi-Judicial, Public Hearing, A Resolution Approving the 18th Amendment to the St. Lucie West Development of Regional Impact (DRI) Development Order Including an Amendment to Map 'H', Addition of a Conversion Matrix, and Revisions to Reporting Language and Buildout Date (P20-182).

[2021-389](#)

The City Attorney read the Quasi-Judicial Procedures into the record and stated that they pertained to Item 11 a). The Assistant City Clerk administered the Oath of Testimony to staff and other interested parties and read Resolution 21-R39 aloud by title only. Mayor Oravec opened the Public Hearing and asked if there were any ex-parte communications, to which there were none.

Laura Dodd, Planner II, stated that the applicant was proposing to amend the St. Lucie West (SLW) Development of Regional Impact

(DRI) Development Order text and map. Ms. Dodd gave a brief background and explained that St. Lucie West is an approved Development of Regional Impact (DRI) that consisted of approximately 4,614 acres. The St. Lucie West Development of Regional Impact (DRI) was approved by the City Council on April 9, 1987 through Resolution 87-R15. She added that there have been seventeen amendments to the St. Lucie West DRI.

Ms. Dodd stated that Text Amendment included a Conversion Matrix to accommodate buildout of the SLW DRI through equivalency, Biennial Reporting, and a Build Out. She added that the Map Amendment accommodated the proposed Future Land Use changes to Map H. Ms. Dodd stated that the incorporation of the Conversion Matrix does not create a reasonable likelihood of additional regional impacts. Ms. Dodd stated that the Traffic Impact Analysis was found to be consistent with the Comprehensive Plan.

Ms. Dodd stated that the Planning and Zoning Board recommended approval of the proposed DRI amendment at their meeting of April 6, 2021.

Brad Currie, Engineering Design and Construction, gave a brief overview and stated that to change the lane use within the DRI it required Map H. He added that the Matrix would allow the ability to have different lane uses without amending the DRI each time. Mr. Currie offered to answer any questions.
