Grantee acknowledges that a Development Regional Impact Scheduling Agreement dated February 10, 1978 has been entered into between Grantor and the Florida Division of State Planning. A Master Plan has been filed and subsequently amended by Grantor pursuant to said Agreement and said Master Plan currently provides that the real property conveyed hereby has been designated as utility/commercial use.

The Grantee's development and improvement of this real property shall be in compliance with the Master Plan described above and on file with the Florida Division of State Planning as of the date of the recording of this Deed, or a revised Master Plan with which said Grantee is in agreement. Chapter 380, Florida Statutes, and Chapter 22-F, Florida Administrative Code, shall apply to this real property to the extent legally required by the provisions thereof, notwithstanding the existence of said Development of Regional Impact Scheduling Agreement, and said Grantee shall not be bound by any Development of Regional Impact filing commitments made by Grantor by virtue of said Agreement as distinguished from any legal responsibility imposed upon said Grantee by Chapter 380, Florida Statutes, and Chapter 22-F, Florida Administrative Code.

Further, the following restrictions shall remain in full force and effect for a period of twenty (20) years from the date of recordation of this Deed at which time the same shall automatically cease and terminate.

1. The parties acknowledge and agree that the premises shall be used by Grantee for the sole purpose of an electric sub-station and any modification or change in such use by Grantee will require the consent and approval of Grantor; provided however, in the event Grantee discontinues such use and sells or disposes of the subject property, such subsequent owner of the property, its successors and assigns, may use the property for any purpose allowed or authorized under the then current zoning laws and ordinance of the City of Port St. Lucie, Florida.
2. It is understood and agreed that at no time shall the Grantee be authorized or permitted to fill in the slough at the rear of the property, and the existing drainage shall not be interfered with unless alternate drainage is approved by the necessary and appropriate Governmental authorities, as well as Grantor; provided, however, Grantor shall not unreasonably withhold such approval, and provided further, such approval shall be deemed granted by Grantor if alternate drainage is ordered by any governmental authority or if Grantor does not disapprove any alternate drainage plan by written notice to Grantee within 30 days after such plan has been approved by the necessary and appropriate governmental authorities and Grantor has received a copy thereof for review.
