Absolutely!

I was able to expedite the review of the contract terms. I was told we can accept the reinsertion of the audit language but would ask that they reinsert our indemnity remedy language (draft attached).

Hoping this is all good, but if upon review a meeting is best to discuss, please let me know and we can schedule right away.

I have also updated the quote exhibit for 6/15 start, including update to all the pro-rated amounts to reflect the new start date. I'm pending final review on that and then I'll send. I didn't want to delay on the legal stuff though. 😊

Thanks!

All the best,
Jason
