Port St. Lucie Police Department

**Scope of Work:**

Peregrine Technologies, Inc. will deliver the Peregrine software platform ("Peregrine") to Port St. Lucie Police Department to provide access to Peregrine's data integration and analysis software. Under this scope of work Peregrine will integrate data from: CentralSquare CAD, CentralSquare RMS, and Axon BWC..

The Customer is responsible for any third-party data access or API fees.

Peregrine is providing these capabilities under a firm-fixed-price license that includes all support, training, and cloud hosting services needed to achieve the project objectives.
