Mayor Martin and Council

I cannot address you in person tonight but I want you to know that I cannot understand why after Council voted No to the Storage Facility just south of Del Webb, proposed by Mattamy, why would it be brought back for you to change your vote?

Is Mattamy so special that they can ask you to overturn your own vote

because they are a developer and don't need to resubmit? If that's the case then can anyone come back after you vote No and tell you to vote again until you vote yes?

Please explain as to why in my opinion they are getting preferential treatment.

For the record I am against the storage facility.

Sincerely

Hillary Goldstein
