Utilized Local Vendor Preference: Yes No

On May 15, 2023, the Procurement Services Division issued Request for Proposal (RFP) No. 23-8149, Laboratory Services, to five thousand four hundred and sixty-three (5,463) vendors. Fifty-three (53) vendors viewed the solicitation information, and four (4) proposals were received by the June 15, 2023, deadline.

The Selection Committee convened on July 26, 2023, and after review of the proposals and deliberation, the Committee scored the proposals and ranked the firms as shown above.

Pursuant to Procurement Ordinance 2017-08 Section 12: Reserved Rights, staff has determined that it is in the County's best interest not to award Category F "qPCR DNA Bacteria".

Staff is recommending awards as shown below:

Category A: Water Division
 Primary: Advanced Environmental Laboratories, Inc.
 Secondary: Pace Analytical Service, LLC

Category B: Wastewater Division
Primary: Pace Analytical Service, LLC
Secondary: Eurofins Environment Testing Southeast, LLC

Category C: Environmental Water – Pollution Control
Primary: Pace Analytical Services, LLC
Secondary: Eurofins Environment Testing Southeast, LLC
