# Contract # 20160085 Amendment # 2

Contract #20160085

Amendment # 2

Date: 5-23-17

Contract Title: Design Services for SW Port St. Lucie Boulevard "North" Reconstruction Project

Contractor's Name: American Consulting Professionals

Current Expiration: 7/30/17

New end date: 11/26/17

Amendment Total: \$21,456.95

New Contract Total \$499,606.95

The following modifications to the Terms and Conditions contained in Contract/Agreement #20160085 between American Consulting Professionals dated September 20, 2016 and the City of Port St. Lucie are hereby incorporated and made a part of that Contract/Agreement.

1. Scope of Services: Additional scope of work being requested by the City to dewater, clean, inspect, and video all existing drainage pipes on SW Port St. Lucie Blvd. from Yale Street to Gatlin Blvd. These services will allow the City and Consultant to potentially utilize existing drainage pipes that are still in fair to good condition with considerable useful life remaining. These services will also help identify drainage pipes, if any, that are near failure and must be repaired or replaced. Due to coordination issues with adjacent projects and potential change in scope from resurfacing to full reconstruction, the contract was on hold since 1/24/17. Therefore, a time extension is needed.

Total Amendment:

\$21,456.95

2. Time of Performance: Additional 120 calendar days.

3. All other terms and conditions of the original contract and/or Addenda.

IN WITNESS WHEREOF, the parties have executed this contract, the day and year first above written.
