RE: Midway Road from Selvitz Road to Glades Cut-Off Road Widening Project

Dear Mr. Blackburn,

The Florida Department of Transportation (FDOT) is currently proceeding with the design of the widening of Midway Road and associated improvements between Selvitz Road and Glades Cut-Off Road. These improvements require property acquisition along the south side of Midway Road.

On November 16, 2017, representatives from the FDOT, City of Port St. Lucie (City) and St. Lucie County (County) had a meeting to discuss outstanding items associated with the design of the project, including the need for acquisition of City of Port St. Lucie properties along the corridor, specifically Canal 103.

Previously, the County and City entered into an Interlocal Agreement to address property and right-of-way needs for the section of Midway Road from South 25th Street to Selvitz Road. This letter is to confirm that St. Lucie County commits to entering into negotiations with the City of Port St. Lucie to create a new Interlocal Agreement for the Midway Road Widening Project.

We look forward to continuing our partnership on this important transportation improvement project. If you have any questions, please contact Selena Griffett, P.E., at 772-462-2153 griffetts@stlucieco.org.

Sincerely,

Howard Tipton
County Administrator
St. Lucie County
